

MITTAL STEEL CO N.V.
Form 425
July 06, 2006

Filed by Mittal Steel Company N.V.

Pursuant to Rule 425 under the United States

Securities Act of 1933, as amended

Subject Company: Arcelor S.A.

Commission File No. of Mittal Steel: 001-14666

Date: July 6, 2006

Edgar Filing: MITTAL STEEL CO N.V. - Form 425

Pursuant to the determination of the *Comissão de Valores Mobiliários* and in accordance with the provisions of Instruction CVM 358 and further to announcements previously made, Arcelor (Arcelor) and Mittal Steel Company N.V. (Mittal Steel and together with Arcelor, the Parties) hereby provide additional information regarding the Revised Offer, as defined below, and its consequences for the shareholders of Arcelor Brasil S.A. (Arcelor Brasil) and Acesita S.A. (Acesita).

Arcelor, Mittal Steel and Mittal Steel's current controlling shareholder (Mr. Lakshmi Mittal and his family) entered into a Memorandum of Understanding on June 25, 2006 (MOU) whereby Arcelor and Mittal Steel have agreed to combine in a merger of equals following the successful completion of a tender offer by Mittal Steel for all of the outstanding shares and convertible bonds of Arcelor (this offer including any subsequent, related offer, the Revised Offer). After the completion of such merger, the new corporate name of Arcelor will be Arcelor-Mittal .

The Revised Offer involves an offer by Mittal Steel to exchange up to 100% of Arcelor's outstanding shares and convertible bonds for cash and shares of Mittal Steel in the overall proportion of 31% cash and 69% Mittal Steel shares. The Revised Offer shall expire on July 13, 2006, unless extended.

The Parties expect that, upon completion of the Revised Offer, Arcelor will continue not to have an ultimate controlling shareholder as neither the current controlling shareholder of Mittal Steel nor any other shareholder would be in a position to hold 50% plus one share of Mittal Steel. Additionally, under the terms of the MOU, neither Mr. Lakshmi Mittal and his family nor any other shareholder will be capable of appointing the majority of the members of the respective boards of directors of either Arcelor or Mittal Steel.

The Parties understand that, should their expectations be met, the transactions provided in the MOU will not constitute an alienation of control of Arcelor Brasil or Acesita for purposes of article 254-A of the Brazilian Corporation Law and of articles 8 to 10 of the by-laws of Arcelor Brasil. Therefore, no mandatory tender offer to minority shareholders of such companies is expected to be required.

The undersigned will continue to keep both the shareholders of Arcelor Brasil, and Acesita and the market duly informed of developments in the Revised Offer, including whether the Revised Offer is completed as expected by the Parties, and will disclose any material information with respect thereto in accordance with the requirements of Instruction CVM 358.

A Portuguese free translation of the MOU is available at the website of Arcelor Brasil (www.arcelor.com.br) and Acesita (www.acesita.com.br).
