SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors, executive officers and persons who own more than ten percent of a registered class of the Company's equity securities to file with the Securities and Exchange Commission ("SEC") initial reports of ownership and reports of changes in beneficial ownership of Common Stock and other equity securities of the Company. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports they file.

Based solely upon the Company's review of copies of such reports furnished to it through the date hereof, or written representations that no reports were required to be filed, the Company believes that during the fiscal year ended December 31, 2002 all officers, directors and ten percent stockholders complied with the filing requirements applicable to them except that six executive officers failed to timely file one Statement of Changes in Beneficial Ownership on Form 4 in November 2002 following implementation of the accelerated filing deadlines pursuant to the Sarbanes-Oxley Act of 2002. Statements of Changes in Beneficial Ownership on Form 4 were subsequently filed on behalf of these individuals within two days following the deadline.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee of the Board of Directors consists of Claude M. Ballard, Martin J. Cleary, William J. Poorvu and Winston W. Walker, with Mr. Ballard serving as Chairman. None of the members of the Compensation Committee are or have been officers or employees of the Company and each member of the Compensation Committee is an Independent Director.

No executive officer of the Company served on any board of directors or compensation committee of any entity (other than the Company or its subsidiaries) with which any member of the Compensation Committee is affiliated.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

GENERAL. The Company is a self-managed, self-administered, fully-integrated real estate company which is engaged in the ownership, marketing, management, leasing, expansion, development, redevelopment, acquisition and financing of regional malls and community and neighborhood centers.

The Company operates through its two wholly-owned subsidiaries, CBL Holdings I, Inc., a Delaware corporation ("CBL Holdings I"), and CBL Holdings II, Inc., a Delaware corporation ("CBL Holdings II"). Through the referenced subsidiaries, the Company currently holds a 1.69% sole general partner interest and a 52.07% limited partner interest in the Operating Partnership. See "Certain Relationships and Related Transactions - Partnership Agreement; CBL Rights". The Company conducts substantially all of its business through the Operating Partnership. To comply with certain technical requirements of the Internal Revenue Code of 1986, as amended (the "Code") applicable to real estate investment trusts, the Operating Partnership carries out the Company's property management and development activities through the Management Company.

19

The Compensation Committee determines all matters related to the compensation of all officers of the Company of the level of vice president or higher and administers the Stock Incentive Plan.

PHILOSOPHY. It is the philosophy of the Company to ensure that executive compensation be directly linked to financial objectives that the Company believes are primary determinates of stockholder value over time. The Compensation Committee's objectives in administering the Company's executive compensation plan are to ensure that pay levels and incentive compensation are (i) competitive in attracting and retaining the best personnel, (ii) properly linked to the Company's performance, and (iii) simple in design. To fulfill these objectives, the compensation plan for executives includes base salary, performance based discretionary bonuses and periodic grants of stock awards and stock options pursuant to the Stock Incentive Plan, and the Amended and Restated Plan if approved by the stockholders. Non-executive employees of the Company are also eligible to participate in the Stock Incentive Plan, and will be eligible to participate in the Amended and Restated Plan if approved by the stockholders.

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

The Company believes that the ability to use the Stock Incentive Plan, and the Amended and Restated Plan if approved by the stockholders, to attract and retain key personnel has substantial value and will be essential to the growth of the Company. The stock option and stock award elements of compensation are designed to encourage and create ownership and retention of the Company's stock by key employees in order to align their long-range interests with those of stockholders and to allow the opportunity for key employees to build, through the achievement of corporate goals, a meaningful ownership stake in the Company.

FINANCIAL CRITERIA. The Compensation Committee, based on recommendations made by the Company, implemented an executive compensation program in 1994 pursuant to which officers of the level of vice president and higher received during fiscal year 2002, in addition to a base salary, incentive compensation consisting of cash, stock options and stock awards for the achievement of target levels of performance determined by the Compensation Committee. The amount of this additional compensation was determined for each executive officer based upon his or her contribution to the overall success of the Company. Utilizing the program's basic theory for incentive compensation, cash, stock options and stock awards were granted during fiscal year 2002 to other employees of the Company as performance-based incentive compensation.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER. Charles B. Lebovitz was paid a base salary of \$496,488 for 2002 which sum included 3,523 shares of Common Stock paid to Mr. Lebovitz as part of his salary. Mr. Lebovitz receives annual reviews for salary increases and discretionary bonuses. Additionally, Mr. Lebovitz participates in the Company's incentive plans, including the Stock Incentive Plan. During fiscal year 2002 and pursuant to the Stock Incentive Plan, Mr. Lebovitz received options to purchase 16,000 shares of Common Stock and restricted stock awards of an aggregate of 10,317 shares of Common Stock with a value of \$375,000 on grant. The awards were determined upon the same criteria as applied to the other executive officers of the Company.

POLICY REGARDING QUALIFYING COMPENSATION. Section 162(m) of the Code imposes a \$1,000,000 ceiling on tax-deductible remuneration paid to any of the five most highly compensated executive officers of a publicly-held corporation. The limitation does not apply to remuneration that qualifies as performance-based compensation in Section 162(m) of the Code. Options granted under the Stock Incentive Plan qualify as "performance-based compensation" exempt from the deductibility limitations of Section 162(m) of the Code. All other compensation to the named executive officers is below the \$1,000,000 per-executive ceiling and was fully deductible by the Company.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The information contained in this report shall not be deemed to be "soliciting material" or to be "filed" with the SEC, nor shall such information or report be deemed incorporated by reference into any future filing by the Company under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent that the Company specifically incorporates it by reference in such filing.

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

The Audit Committee of the Board of Directors of the Company is composed of four Independent Directors (Winston W. Walker, Chairman, Claude M. Ballard, Gary L. Bryenton and William J. Poorvu) and operates under a written charter adopted by the Board of Directors on June 9, 2000. Each of the members of the Audit Committee is "independent" as defined in Sections 303.01(B)(2)(a) and (3) of the listing standards of the New York Stock Exchange as currently applicable.

Management is responsible for the Company's internal controls and financial reporting process. The Company's independent accountants are responsible for performing an independent audit of the Company's financial statements in accordance with auditing standards generally accepted in the United States and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with Management and the Company's independent accountants. Management reported to the Audit Committee that the Company's consolidated financial statements for the Company's 2002 fiscal year were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee has reviewed and discussed these consolidated financial statements with Management and the Company's independent accountants. The Audit Committee discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committee), as amended.

The Company's independent accountants also provided to the Audit Committee the written disclosures and the letter required by Independence Standards No. 1 (Independence Discussions with Audit Committees) and the Audit Committee discussed with the independent accountants their firm's independence. The Audit Committee considered whether the provision of services by the independent accountants (other than audit services) is compatible with maintaining the independent accountants' independence.

Pursuant to the mandates of the Sarbanes-Oxley Act of 2002, the Company's Board of Directors has determined that Winston W. Walker, an Independent Director and Chairman of the Audit Committee, qualifies as an "audit committee financial expert" as such term is defined by the SEC.

Based on the Audit Committee's review and discussions referred to above, the Audit Committee recommended that the Board of Directors include the Company's audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2002 filed with the Securities and Exchange Commission and to provide in such Annual Report on Form 10-K the disclosure of Winston W. Walker as an "audit committee financial expert".

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

MANAGEMENT AGREEMENT

The Company is party to a management agreement with the Management Company pursuant to which the Management Company renders management and administrative services with respect to the Company's properties. The Company, through the Operating Partnership, owns 100% of the preferred stock and 5% of the common stock of the Management Company and Charles B. Lebovitz, his family and certain of the Associates own 95% of the common stock of the Management Company. Through the ownership of 100% of the preferred stock of the Management Company, the Company enjoys substantially all of the economic benefits of the Management Company's business. The Management Company also provides management services for certain properties owned by CBL's Predecessor and certain other third parties for which the Management Company is paid a management fee. See "Retained Property Interests."

PARTNERSHIP AGREEMENT; CBL RIGHTS

The Company entered into the Operating Partnership Agreement with CBL's Predecessor. The Company, through subsidiaries, serves as the sole general partner of the Operating Partnership and owns, as of March 10, 2003, 29,869,905 common partnership units, representing a 1.69% interest as the sole general partner and a 52.08% interest as a limited partner for an aggregate 53.77% interest in the Operating Partnership. CBL's Predecessor owns 7,335,189 common partnership units, representing a 13.2% limited partner interest in the Operating Partnership. Certain executive and senior officers also own common partnership units.

Pursuant to the Operating Partnership Agreement, the limited partners were granted CBL Rights, consisting of the rights to exchange all or a portion of their common partnership units in the Operating Partnership for shares of Common

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

Stock or their cash equivalent, at the Company's election. The CBL Rights may be exercised at any time and from time to time to the extent that, upon exercise of the CBL Rights, the exercising party shall not beneficially or constructively own shares of Common Stock in excess of the applicable share ownership limits set forth in the Company's Certificate of Incorporation. The Company, however, may not pay in shares of Common Stock to the extent that this would result in a limited partner beneficially or constructively owning in the aggregate more than its applicable Ownership Limit or otherwise jeopardize, in the opinion of counsel to the Company, the Company's qualification as a real estate investment trust for tax purposes.

The number of shares of Common Stock received by the limited partners of the Operating Partnership upon exercise of CBL Rights will be based upon the equivalent number of partnership units owned by the limited partners on a one-for-one basis and the amount of cash received by the limited partners upon such exercise, if the Company elects to pay cash, will be based upon the trading price of the shares of Common Stock at the time of exercise.

CBL Rights will expire in November 2043 if not exercised prior to that date.

RETAINED PROPERTY INTERESTS

CBL's Predecessor owns interests in outparcels at certain of the Company's malls and a minority interest in one mall, the majority interest of which is owned by a third party. Certain members of Charles B. Lebovitz's family and his father's estate continue to own four community and neighborhood centers and one tract of vacant land. The properties retained by CBL's Predecessor and the properties owned by the Lebovitz family are managed and leased by the Management Company which receives a fee for its services. During fiscal year 2002, CBL's Predecessor and the Lebovitz family paid the Management Company approximately \$128,000 under such arrangement.

23

AFFILIATED ENTITIES

Certain executive officers of CBL's Predecessor collectively have a non-controlling interest in a major national construction company that built substantially all of the properties developed by the Company and is currently building the Company's projects under construction. Charles B. Lebovitz is also a director of the construction company. The majority interest in the construction company is held by the members of its senior management, none of whom are affiliated with CBL's Predecessor or the Company. As of December 31, 2002, the Company had 20 active contracts (including contracts in respect of each of the construction properties) with such construction company having aggregate value of approximately \$157.5 million. During fiscal year 2002, the Company paid approximately \$96.2 million to this construction company. The Company's Audit Committee reviews the relationship between the Company and the referenced construction company pursuant to procedures established in November 1994. These procedures include an ongoing review by the Company's independent accountant of a cross section of the Company's contracts with the referenced construction company for, among other things, the provisions for allocation of cost savings between owner and contractor.

The construction company and CBL's Predecessor own all of the interests of a partnership that owns two aircraft and a fractional interest in another aircraft used by the personnel of the Company and the construction company. Each partner contributes equally to fixed costs and shares variable costs through an hourly charge based on usage. The Company reimburses the partnership for costs

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

on an hourly basis associated with use of the aircraft relating to the business of the Company. During fiscal year 2002, the Company paid approximately \$1.5 million as reimbursement for operating expenses pursuant to such arrangement.

The Bylaws provide that any contract or transaction between the Company or the Operating Partnership and one or more directors or officers of the Company or between the Company or the Operating Partnership and any other entity in which one or more of its directors or officers are directors or officers, or have a financial interest, must be approved by disinterested directors or stockholders after the material facts as to the relationship or interest and as to the contract or transaction are disclosed or are known to them.

CERTAIN LEASES

Certain officers and certain Company employees are partners in partnerships that lease 40 spaces representing approximately 47,000 square feet in 26 of the Company's malls as tenants. Such spaces are operated as food service and entertainment establishments. Management believes that, at the time these leases were entered into, they provided for rental payments at market rates and terms.

Shumacker Witt Gaither & Whitaker, P.C., local counsel to the Company and CBL's Predecessor, leases 3,497 square feet of office space at the Company's office building. Palmer & Cay of GA, Inc., the Company's insurance consultant, leases 1,695 square feet of office space at the Company's office building. The construction company also leases 20,637 square feet of office space at the Company's office building. Management believes that, at the time these leases were entered into, they provided for rental payments at market rates and terms.

OTHER

Charles B. Lebovitz, certain members of his family, certain of the Associates, a partnership consisting of certain of the Associates, and Eric P. Snyder have personally guaranteed an aggregate of \$12.99 million of the debt of the Operating Partnership. Such guarantee is payable only if, and to the extent that, proceeds from a foreclosure sale of all assets of the Operating Partnership are not in excess of the guarantee.

24

Charles B. Lebovitz is currently an advisory director of First Tennessee Bank, N.A., Chattanooga, Tennessee ("First Tennessee"). The Company is currently maintaining an \$80 million line of credit from First Tennessee that matures in 2004. There was approximately \$31 million outstanding on this line of credit as of December 31, 2002. First Tennessee also provides certain cash management services to the Company. In the future, the Company or the Operating Partnership may, in the ordinary course of business, engage in other transactions with First Tennessee on competitive terms.

John N. Foy is currently an advisory director of AmSouth Bank of Tennessee ("AmSouth"). The Company is currently maintaining a \$5 million line of credit from AmSouth that matures in 2004. There was approximately \$1.14 million of letters of credit drawn on this line of credit as of December 31, 2002. In addition, AmSouth is a 25% participant in the First Tennessee line of credit referred to in the immediately preceding paragraph and provides certain cash management services to the Company and also serves as the administrator of the Management Company's 401(k) Plan. In the future, the Company or the Operating Partnership may, in the ordinary course of business, engage in other transactions with AmSouth on competitive terms.

The Company's Certificate of Incorporation provides that the total number of shares of all classes of equity stock that the Company shall have the authority to issue is One Hundred Million (100,000,000) shares, consisting of (i) Five Million (5,000,000) shares of preferred stock, par value \$.01 per share (the "Preferred Stock"), and (ii) Ninety-Five Million (95,000,000) shares of common stock, par value \$.01 per share (the "Common Stock"). As of March 10, 2003, there were 29,869,905 shares of Common Stock issued and outstanding and there were 4,675,000 shares of Preferred Stock issued and outstanding (consisting of 2,675,000 shares of Series A Preferred Stock and 2,000,000 shares of Series B Preferred Stock), thus leaving a balance of 325,000 additional shares of Preferred Stock that the Company is authorized to issue. On February 4, 2003, the Board of Directors passed a resolution recommending that the stockholders approve an amendment to the Company's Certificate of Incorporation in order to increase the number of shares of the Company's authorized Preferred Stock from 5,000,000 to 15,000,000. The text of the proposed amendment to the Company's Certificate of Incorporation is set forth on Exhibit A hereto.

PURPOSE AND EFFECT OF THE AMENDMENT

The increase in the authorized number of shares of Preferred Stock will not have any immediate effect on the rights of existing stockholders. While the Company has no immediate plans to issue additional shares of Preferred Stock, the Board of Directors believes that the increased number of authorized shares of Preferred Stock contemplated by the proposed amendment is advisable because it will provide the Company with greater flexibility in connection with possible future transactions or other corporate purposes. In adopting its resolution on February 4, 2003 recommending that the stockholders approve the amendment to the Company's Certificate of Incorporation as noted above, the Board of Directors has stated that the authorization to increase the number of shares of Preferred Stock is intended for capital formation purposes rather than anti-takeover purposes. Nonetheless, the availability of such additional shares of authorized Preferred Stock and the future issuance of Preferred Stock with voting or other rights or preferences may have the effect of deterring, impeding or delaying changes in control or management of the Company.

If the amendment is approved by the stockholders, the Board of Directors does not intend to solicit further stockholder approval prior to the issuance of additional shares of Preferred Stock, except as may be required by applicable law. According to the Company's Certificate of Incorporation, the Board of Directors is authorized to provide for the issuance of shares of Preferred Stock in series and to establish from time to time the number of shares to be included in each such series, to fix the designation, powers, preferences and rights of the shares of each such series and the qualifications, limitations and restrictions thereof. When issued, the additional shares of Preferred Stock may be subject to dividends, conversion rates, voting rights, redemption prices, maturity dates and similar matters, if any, as shall be determined by the Board of Directors.

VOTES NECESSARY TO APPROVE THE PROPOSAL

Adoption of the amendment to the Company's Certificate of Incorporation requires (i) the affirmative vote of the holders of a majority of the Company's issued and outstanding shares of Common Stock, voting as a class, and (ii) the affirmative vote of the holders of a majority of the total votes entitled to be cast by the Company's issued and outstanding shares of Preferred Stock, voting as a class. Each share of Common Stock is entitled to one vote with respect to those matters upon which such share is to be voted. Each share of Preferred Stock is entitled to one vote for each \$25 of stated liquidation preference with respect to those matters upon which such share is to be voted, so that each share of Series A Preferred Stock is entitled to one vote per share and each share of Series B Preferred Stock is entitled to two votes per share.

APPROVAL OF THE
CBL & ASSOCIATES PROPERTIES, INC.
AMENDED AND RESTATED STOCK INCENTIVE PLAN

BACKGROUND

The Company has historically utilized stock options as a key part of its overall compensation program for executive officers and other employees. As of March 1, 2003, there were 1,109,461 shares available for awards under the Stock Incentive Plan. As of that date, 424,279 shares had been issued as stock awards under the Stock Incentive Plan of which 181 shares were returned (forfeited) as Deferred Stock prior to the Vesting Period (see "Description of the Stock Incentive Plan - Deferred Stock" below), 82,591 shares were held for issuance under deferred compensation arrangements, 1,072,473 options for shares had been exercised and 2,511,377 options for shares were outstanding, leaving a balance of 1,109,461 additional shares that may be subject of future option grants or other awards under the Stock Incentive Plan. The Board of Directors believes that it is in the best interests of the Company to have stock and stock-based awards available in order to retain, attract and motivate high quality personnel for the Company. By vote of the stockholders on May 1, 1996, the stockholders approved an amendment to the Stock Incentive Plan (the "First Amendment") to increase the number of shares available under the Stock Incentive Plan from 1,300,000 to 2,800,000. The First Amendment also limited to 100,000 the number of shares of Common Stock with respect to which stock options may be granted to any Stock Incentive Plan participant in any calendar year. This limitation was put in place as a result of federal tax legislation enacted in 1993. Section 162(m) of the Code generally disallows deductions in the case of publicly held corporations (such as the Company) for compensation paid to any of the five executive officers named in a corporation's proxy statement to the extent that compensation exceeds \$1 million per year per employee; "performance-based compensation," however, does not count toward the \$1 million limit. The First Amendment conformed the Stock Incentive Plan to the requirements for "performance-based compensation" exempt from deductibility limitations of Section 162(m) of the Code. By vote of the stockholders on May 3, 2000, the stockholders approved a second amendment to the Stock Incentive Plan (the "Second Amendment") to increase the number of shares available under the Stock

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

Incentive Plan from 2,800,000 to 4,000,000. By vote of the stockholders on May 7, 2002, the stockholders approved a third amendment to the Stock Incentive Plan (the "Third Amendment") to increase the number of shares available under the Stock Incentive Plan from 4,000,000 to 5,200,000. On October 29, 2002, the Board of Directors resolved to propose for stockholder approval the Amended and Restated Plan to conform the plan to current tax laws, accounting pronouncements and other regulations that have been promulgated since the plan's inception in 1993, to extend the termination date of the plan, to incorporate all previous amendments into one document and to make certain other revisions to further align the interests of the Company's officers, employees and directors with the interests of the Company's stockholders.

DESCRIPTION OF THE AMENDED AND RESTATED PLAN

The Amended and Restated Plan provides for the grant of options to purchase a specified number of shares of Common Stock ("Options"), rights to future grants of Common Stock ("Deferred Stock") or shares issuable in the future pursuant to deferred compensation arrangements, all subject to applicable share ownership limits set forth in the Company's Certificate of Incorporation and limits on stock awards set forth in the Amended and Restated Plan. See below under "Description of the Amended and Restated Plan - Significant Revisions to Stock Incentive Plan - Stock Award Limits". The Amended and Restated Plan is administered by the Compensation Committee, which has the authority, among other things, to interpret the Amended and Restated Plan and to adopt, alter and repeal such rules and regulations for the administration of the Amended and Restated Plan as it may deem advisable.

28

Under the Amended and Restated Plan, the total number of shares available for grant is 5,200,000 shares. The Board of Directors or the Compensation Committee may, under certain circumstances, make such adjustments in the aggregate number and kind of shares reserved for issuance, the number and kind of shares covered by outstanding awards and, subject to certain limitations, the exercise prices specified therein. See below under "Description of the Amended and Restated Plan - Significant Revisions to Stock Incentive Plan - Plan Amendments".

Participants in the Amended and Restated Plan, who may be officers or employees of the Company, its subsidiaries (including the Management Company) or designated affiliates, will be selected by the Compensation Committee. Directors of the Company are also eligible to participate, but, in the case of directors who are not employees, only pursuant to automatic grants under a specified formula set forth in the Amended and Restated Plan. As of March 1, 2003, the approximate number of persons eligible to participate was 624.

OPTIONS. The Compensation Committee is authorized to determine whether Options to be issued under the Amended and Restated Plan will be designated as "Incentive Stock Options" or as "Non-Qualified Stock Options." Incentive Stock Options are options that are intended to qualify as incentive stock options under Section 422 of the Code. Non-Qualified Stock Options are options that are not Incentive Stock Options. Incentive Stock Options may be granted only to employees of the Company and its subsidiaries.

The Amended and Restated Plan authorizes the Compensation Committee to grant Options at an exercise price determined by the Compensation Committee. Such price cannot be less than 100% of the fair market value of the shares of Common Stock on the date on which the Option in respect thereof is granted. On February 28, 2003 (the last trading day prior to March 1, 2003), the closing price of the Common Stock as reported on the New York Stock Exchange was \$39.85 per share. The exercise price is generally payable in cash or, in certain

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

circumstances, by the surrender, at the fair market value on the date on which the Option is exercised, of shares of Common Stock held by the optionee. The term of each Option is fixed by the Compensation Committee, but, in any event, will expire 10 years after the date of grant (five years in the case of an optionee who owns more than 10% of the voting power of all classes of stock of the Company or any subsidiary). Additionally, the vesting provisions of the Options will be determined by the Compensation Committee.

Options granted under the Amended and Restated Plan will become fully exercisable upon a Change in Control (as defined in the Amended and Restated Plan). In general, Change in Control means (i) any acquisition by a person or group (other than an acquisition from the Company or by the Company or by the Company's management, an acquisition through the exercise of the rights to exchange limited partnership interests in the Operating Partnership for shares of Common Stock or an acquisition by a Company-sponsored employee benefit plan) of 20% or more of the outstanding shares of Common Stock, (ii) a change in the majority of the Company's directors, (iii) approval by the Company's stockholders of a reorganization, merger, consolidation, sale or disposition of all or substantially all of the assets of the Company under certain circumstances or (iv) approval by the Company's stockholders of a complete liquidation or dissolution of the Company. See below "Description of the Amended and Restated Plan - Significant Revisions to Stock Incentive Plan - Corporate Events" for a description of the impact on outstanding options upon the occurrence of a Corporate Event.

The right of any participant to exercise an Option may not be transferred in any way other than (i) by will or the laws of descent and distribution, (ii) pursuant to a qualified domestic relations order or (iii) by gift to a "family member". A family member is defined as a participant's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, including adoptive relationships, any person sharing the participant's household (other than a tenant or employee), a trust in which these persons (or the participant) control the management of the assets and any other entity in which these persons (or the participant) own more than fifty percent of the voting interests.

If Options granted in connection with the Amended and Restated Plan are exercised at any time or from time to time, the Partnership Agreement of the Operating Partnership requires the Company to contribute to the Operating Partnership as an additional contribution the exercise price received by the Company in connection with the issuance of shares of Common Stock to such

29

exercising participant. Although the Company will contribute to the Operating Partnership an amount equal to the exercise price received by the Company, the Company will be considered to have contributed an amount equal to the fair market value of the shares of Common Stock issued to the exercising party for purposes of determining the increase in the Company's percentage interest in the Operating Partnership (and the dilution of the interests of the other partners of the Operating Partnership) in connection with additional capital contributions of the Company.

DEFERRED STOCK. The Amended and Restated Plan also permits the Compensation Committee to grant rights to receive shares of Deferred Stock, subject to the terms and conditions imposed by the Compensation Committee. These terms will include a vesting period (the "Vesting Period") during which the rights to receive Deferred Stock will be subject to forfeiture upon certain terminations of employment or failure to achieve certain performance goals, as determined by

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

the Compensation Committee, although the Vesting Period will be accelerated upon a Change of Control. At the end of the Vesting Period set by the Compensation Committee, the participant will be issued unrestricted shares of Common Stock, and will have all the rights of a holder of Common Stock as to such shares, including the right to vote the shares and the right to receive any cash distributions. If so determined by the Compensation Committee in the applicable Deferred Stock agreement, Deferred Stock awards may provide for the payment to the awardee, during the Vesting Period, of cash amounts in respect of such Deferred Stock equal to the amount of dividends that would have been paid on an equivalent number of shares of Common Stock.

DEFERRED COMPENSATION ARRANGEMENTS. The Amended and Restated Plan also permits the Compensation Committee to enter into deferred compensation arrangements designed to provide deferral of taxable income to participants, which may be funded or unfunded and may provide for future payments to participants in the form of Common Stock or cash. As used by the Compensation Committee, these deferred compensation arrangements typically allow the executive/employee to elect to defer a portion of his/her salary or bonuses into the arrangement on an unfunded and unsecured basis. For deferred compensation arrangements payable in Common Stock, the amount of salary or bonus deferred is then deemed to be converted to shares of the Company's Common Stock based on the closing price of the Common Stock on the date of the deferral. Those deemed shares are then further deemed to increase as dividends are paid on the Common Stock as if such dividends had been utilized via the Company's Dividend Reinvestment Plan to acquire additional shares of Common Stock at the 95% price provided through the Company's Dividend Reinvestment Plan. The arrangements generally provide that on the earlier of (i) a date certain specified in each deferred compensation arrangement or (ii) the death, disability or termination of employment of the executive/employee or (iii) the merger, consolidation or sale of the Company, the executive/employee will then be entitled to receive the stated amount of cash or, for deferred compensation arrangements payable in Common Stock, that number of shares of Common Stock deemed set aside on the date of the deferral together with additional shares of Common Stock deemed acquired through the Company's Dividend Reinvestment Plan through the date of the payout.

TERM, TERMINATION AND AMENDMENT. The term of the Amended and Restated Stock Incentive Plan is 10 years and it will terminate on May 5, 2013. Awards outstanding on that date are not affected or impaired by the termination of the Amended and Restated Stock Incentive Plan.

See "Description of the Amended and Restated Plan - Significant Revisions to Stock Incentive Plan - Plan Amendments" below for a description of the provisions of the Amended and Restated Plan as to amendments.

Subject to the provisions set forth below (see "Description of the Amended and Restated Plan - Significant Revisions to Stock Incentive Plan - Plan Amendments"), the Compensation Committee may amend any award theretofore granted, prospectively or retroactively. No such amendment may impair the rights of any participant under any award without the consent of such participant (except for any amendment made to cause the plan to qualify for an exemption provided by Rule 16b-3).

SIGNIFICANT REVISIONS TO STOCK INCENTIVE PLAN. As stated above, the Board of Directors resolved on October 29, 2002 to propose to the Company's stockholders the adoption of the Amended and Restated Plan for purposes

including the purpose of further aligning the interests of the Company's officers, employees and directors with the interests of the Company's

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

stockholders. The following are some significant revisions to the Stock Incentive Plan that have been incorporated into the Amended and Restated Plan:

- **PLAN AMENDMENTS.** The Amended and Restated Plan provides that if any proposed amendment to the plan would (i) materially increase the benefits accruing to participants under the plan (such as the re-pricing of Options), (ii) materially increase the aggregate number of securities that may be issued under the plan or (iii) materially reduce the requirements as to eligibility for participation in the plan, then to the extent required by applicable law or deemed necessary or advisable by the Compensation Committee of the board, such amendment shall be subject to stockholder approval. Notwithstanding the foregoing, however, the requirement that any such amendments to the plan be presented to the Corporation's stockholders for approval shall not apply to such amendments as required by applicable law or to cause the plan to comply with generally accepted accounting principles or amendments to allow the plan to qualify for exemption under Rule 16b-3.
- **COMPENSATION COMMITTEE.** The Amended and Restated Plan clarifies that it is to be administered by the Company's Compensation Committee and that the Compensation Committee must be composed of only Independent Directors.
- **STOCK AWARD LIMITS.** The Amended and Restated Plan provides an aggregate limit on the number of shares of unrestricted Common Stock that may be awarded to the Company's officers, employees and directors (other than awards in lieu of cash compensation) of 5% of the total shares available for grant under the plan (the "5% Authorization"). Stock awards falling outside the 5% Authorization (other than awards in lieu of cash compensation) may be granted from the plan (i) pursuant to a stock award program or (ii) independently, provided, in either case, such awards are subject to a Vesting Period of a minimum of 3 years or such awards are subject to a Vesting Period of less than 3 years but at least 1 year if the restrictions on the award are performance-based.
- **USE OF SHARES OF COMMON STOCK IN LIEU OF CASH ON OPTION EXERCISE.** The Amended and Restated Plan allows a participant to utilize shares of the Common Stock to pay the exercise price on the exercise of an Option but requires that the shares so utilized must be "mature", i.e., held for 6 months or more or purchased on the open market.
- **CORPORATE EVENTS.** The Amended and Restated Plan provides that (i) in the event the Company is merged or consolidated with another corporation or entity, (ii) in the event all or substantially all of the Company's assets or Common Stock is acquired by another person or entity, (iii) in the event the Company is liquidated or reorganized or (iv) in the event the Company shall enter into a written agreement to undergo any of the foregoing, then in either of such events (a "Corporate Event"), the Company shall require the successor or parent thereof to assume all outstanding Options, Deferred Stock and all other outstanding awards under the plan (collectively, the "Awards"), provided, however, the Company or the Compensation Committee may, in lieu of requiring such assumption, provide that all outstanding Awards shall terminate as of the consummation of such Corporate Event, and then (x) accelerate the exercisability of, or cause all vesting restrictions to lapse on, all outstanding Awards to a date at least ten days prior to the date of such Corporate Event and/or (y) provide that holders of Awards will receive a cash payment in respect of cancellation of their Awards based on the amount, if any, by which the per share consideration being paid for the Stock in connection with such Corporate Event exceeds the applicable exercise price.
- **COMPENSATION COMMITTEE RELIANCE ON REPORTS AND INDEMNITY.** The Amended and Restated Plan contains provisions providing that the members of the

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

Compensation Committee may justifiably rely on reports of the Company's independent public accountant and upon other information supplied to the Compensation Committee in carrying out its duties to administer the plan. The Amended and Restated Plan also provides an indemnity to members of the Compensation Committee except for acts or omissions due to a member's fraud or willful bad faith.

31

FEDERAL INCOME TAX CONSEQUENCES

The federal income tax consequences of participation in the Amended and Restated Plan are complex and subject to change. The following discussion is only a summary of the general rules applicable to options and participants in the Amended and Restated Plan should consult their own tax advisers regarding their particular situation.

No taxable income is realized by the optionee upon the grant or exercise of an Incentive Stock Option. If Common Stock is issued to an optionee pursuant to the exercise of an Incentive Stock Option, and if no disqualifying disposition of such shares is made by such optionee within two years after the date of grant or within one year after the transfer of such shares to such optionee, then (1) upon sale of such shares, any amount realized in excess of the option price will be taxed to such optionee as a long-term capital gain and any loss sustained will be a long-term capital loss, and (2) no deduction will be allowed to the optionee's employer for federal income tax purposes.

If the Common Stock acquired upon the exercise of an Incentive Stock Option is disposed of prior to the expiration of either holding period described above, generally (1) the optionee will realize ordinary income in the year of disposition in an amount equal to the excess, if any, of the fair market value of such shares at exercise (or, if less, the amount realized on the disposition of such shares) over the option price paid for such shares, and (2) the optionee's employer will be entitled to deduct such amount for federal income tax purposes if the amount represents an ordinary and necessary business expense. Any further gain (or loss) realized by the optionee will be taxed as short-term or long-term capital gain (or loss), as the case may be, and will not result in any deduction by the employer.

Subject to certain exceptions for disability or death, if an Incentive Stock Option is exercised more than three months following termination of employment, the exercise of the Option will generally be taxed as the exercise of a Non-Qualified Stock Option.

In general, for purposes of the alternative minimum tax, the exercise of an Incentive Stock Option will be treated essentially as if it were the exercise of a Non-Qualified Stock Option. As a result, the rules of Section 83 of the Code relating to transfers of property, including restricted property, will apply in determining the optionee's alternative minimum taxable income. Consequently, an optionee exercising an Incentive Stock Option with respect to unrestricted Common Stock will have income, for purposes of determining the base for the application of the alternative minimum tax, in an amount equal to the spread between the option price for the shares and the fair market value of the shares on the date of exercise. Each optionee is potentially subject to the alternative minimum tax. In substance, a taxpayer is required to pay the higher of his/her alternative minimum tax liability or his/her "regular" income tax liability. As a result, a taxpayer has to determine his potential liability under the alternative minimum tax.

With respect to Non-Qualified Stock Options, (1) no income is realized by the optionee at the time the Option is granted; (2) generally, at exercise,

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

ordinary income is realized by the optionee in an amount equal to the difference between the option price paid for the shares and the fair market value of the shares, if unrestricted, on the date of exercise, and the optionee's employer is generally entitled to a tax deduction in the same amount subject to applicable tax withholding requirements; and (3) at sale, appreciation (or depreciation) after the date of exercise is treated as either short-term or long-term capital gain (or loss) depending on how long the shares have been held.

RATIFICATION OF THE SELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS

The firm of Deloitte & Touche LLP ("Deloitte & Touche") has served as the auditors for the Company since May 7, 2002, and the Audit Committee has recommended, subject to ratification by the stockholders, that Deloitte & Touche serve as the Company's independent public accountants for the fiscal year ended December 31, 2003.

On May 7, 2002, the Company's Board of Directors dismissed its independent auditors, Arthur Andersen LLP ("Andersen") in view of then-recent developments relating to Andersen, and engaged Deloitte & Touche to serve as the Company's independent public accountants and to audit the Company's financial statements for the fiscal year ending December 31, 2002. Additionally, the Company engaged Deloitte & Touche to re-audit the Company's financial statements for the fiscal years ending December 31, 2000 and 2001.

Andersen's reports on the Company's consolidated financial statements for fiscal years ended December 31, 2000 and December 31, 2001 and Deloitte & Touche's reports in connection with the re-audit of those same financial statements did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. The Deloitte & Touche re-audit did not result in any change to the Company's previously published consolidated financial statements other than normal reclassifications and reclassifications required by new accounting standards.

During the two fiscal years ended December 31, 2001 and December 31, 2000, and the subsequent interim period through May 7, 2002, there were (i) no disagreements with Andersen on any matter of accounting principles or practices,

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

financial statement disclosure, or auditing scope or procedure which, if not resolved to Andersen's satisfaction, would have caused them to make reference to the subject matter in connection with their report on the Company's consolidated financial statements for such years, and (ii) no reportable events, as listed in Item 304(a)(1)(v) of SEC Regulation S-K promulgated under the Exchange Act.

The Company has provided Andersen and Deloitte & Touche with a copy of the foregoing disclosures.

During the two fiscal years ended December 31, 2001 and December 31, 2000, the Company did not consult Deloitte & Touche with respect to any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

AUDIT FEES

Audit Fees billed by Deloitte & Touche for the fiscal period ended December 31, 2002 and for the reviews of the financial statements included in the Company's quarterly reports on Form 10-Q during such year totaled \$382,000. Additionally, in the period ended December 31, 2002, the Company incurred \$325,000 in Audit Fees to Deloitte & Touche in connection with the re-audit of the Company's consolidated financial statements for 2000 and 2001.

Audit Fees billed by Andersen for review of the financial statements included in the Company's quarterly reports on Form 10-Q for the first quarter of the Company's 2002 fiscal year totaled \$62,500.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

The Company did not engage Deloitte & Touche or Andersen to provide advice to the Company regarding financial information systems design and implementation during the Company's 2002 fiscal year.

35

ALL OTHER FEES

The aggregate fees billed by Deloitte & Touche for other services rendered to the Company during the Company's 2002 fiscal year totaled \$374,460 and were primarily for tax services.

The Board of Directors, in concurrence with the Audit Committee, proposes and recommends that the stockholders ratify the selection of Deloitte & Touche to serve as the independent public accountants for the Company's fiscal year ending December 31, 2003. Unless otherwise directed by the stockholders, proxies will be voted for approval of the selection of Deloitte & Touche to serve as the Corporation's independent public accountants for the 2003 fiscal year.

VOTES NECESSARY TO APPROVE THE PROPOSAL

The ratification of the selection of Deloitte & Touche as the Corporation's independent public accountants for the 2003 fiscal year must be approved by a majority of the shares of Common Stock present or represented at the Annual Meeting.

SECTION 2. Administration.

The Plan shall be administered by the Compensation Committee of the Board as such is presently situated on the Effective Date and as it shall be constituted after the Effective Date throughout the term of this Plan (the "Compensation Committee"). The Compensation Committee is required to be comprised of Independent Directors, as defined by the Board and/or applicable law. If at any time no Compensation Committee shall be in office, the functions of the Compensation Committee specified in the Plan shall be exercised by the Board or by such other committee of the Board; provided any such other committee that shall be charged with the responsibility of exercising the functions of the Compensation Committee hereunder in the absence of the Compensation Committee shall be comprised of not less than two Persons who shall meet the definition of "Independent Director" as set forth above.

Subject to Section 14 hereof, the Compensation Committee shall have primary authority to grant Awards pursuant to the terms of the Plan to officers, employees and directors of the Company and its Subsidiaries and Affiliates.

Among other things, the Compensation Committee shall have the authority, subject to the terms of the Plan:

(a) to select the officers, employees and directors to whom Awards may from time to time be granted; provided that awards to non-employee directors shall be made only in accordance with Section 13 below;

(b) to determine whether and to what extent Incentive Stock Options, Non-Qualified Stock Options and Restricted Stock or any combination thereof are to be granted hereunder;

(c) to determine the number of shares of Common Stock to be covered by each Award granted hereunder;

(d) to determine the terms and conditions of any Award granted hereunder (including, but not limited to, subject to Section 5(a) below, the option price, any vesting restriction or limitation and any vesting acceleration or forfeiture waiver regarding any Award and the shares of Common Stock relating thereto, based on such factors as the Compensation Committee shall determine);

(e) to modify, amend or adjust the terms and conditions of any Award, at any time or from time to time, including, but not limited to, with respect to performance goals and measurements applicable to performance-based Awards pursuant to the terms of the Plan;

(f) to determine to what extent and under what circumstances Common Stock and other amounts payable with respect to an Award shall be deferred; and

6

(g) to determine under what circumstances a Stock Option may be settled in cash or Common Stock under Section 5(a) (iv) below.

The Compensation Committee shall have the authority to adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan as it shall, from time to time, deem advisable, to interpret the terms and provisions of the Plan and any Award issued under the Plan (and any agreement relating thereto) and to otherwise supervise the administration of the Plan.

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

The Compensation Committee may act with respect to the Plan only by a majority of its members then in office, except that the members thereof may authorize any one or more of their number or any officer of the Company to execute and deliver documents on behalf of the Compensation Committee.

Any determination made by the Compensation Committee or pursuant to delegated authority pursuant to the provisions of the Plan with respect to any Award shall be made in the sole discretion of the Compensation Committee or such delegate at the time of the grant of the Award or, unless in contravention of any express term of the Plan, at any time thereafter. All decisions made by the Compensation Committee or any appropriately delegated officer pursuant to the provisions of the Plan shall be final and binding on all persons, including the Company and Plan Participants subject to Plan provisions, including but not limited to Section 14 below.

SECTION 3. Common Stock Subject to Plan.

(a) Number of Shares of Common Stock Available. Subject to adjustment as provided herein, the total number of shares of Common Stock available for distribution pursuant to Awards under the Plan shall be 5,200,000 shares of Common Stock, and the maximum number of shares of Common Stock with respect to which Options may be granted to any Plan Participant during any calendar year shall not exceed 100,000. Shares subject to an Award under the Plan may be authorized and unissued shares or may be treasury shares.

(b) Adjustments. Awards granted under the Plan and any agreements evidencing such Awards, the maximum number of shares of Stock subject to all Awards under the Plan, the number of shares of Stock subject to outstanding Awards and the maximum number of shares of Stock with respect to which any one person may be granted Options or stock appreciation rights during any year may be subject to adjustment or substitution, as determined by the Company or the Compensation Committee, as to the number, price or kind of a share of Stock or other consideration subject to such Awards or as otherwise determined by the Company or the Compensation Committee to be equitable:

(i) in the event of changes in the outstanding Stock or in the capital structure of the Company by reason of stock dividends, stock splits,

7

reverse stock splits, recapitalizations, reorganizations, mergers, consolidations, combinations, exchanges, or other relevant changes in capitalization occurring after the Date of Grant of any such Award; or

(ii) in the event of any change in applicable laws or any change in circumstances which results in or would result in any substantial dilution or enlargement of the rights granted to, or available for, Participants in the Plan; or

(iii) for any other reason which the Company or the Compensation Committee determines otherwise warrants equitable adjustment because it interferes with the intended operation of the Plan.

Any adjustment to Incentive Stock Options under this Section 3(b) shall take into account that adjustments which constitute a "modification" within the meaning of Section 424(h)(3) of the Code may have an adverse tax impact on such Incentive Stock Options and the Compensation Committee may, in its sole discretion, provide for a different adjustment or no adjustment in order to preserve the tax effects of Incentive Stock Options. Unless otherwise

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

determined by the Company or the Compensation Committee, any adjustments or substitutions under this Section 3(b) shall be made in a manner which does not adversely affect the exemption provided pursuant to Rule 16b-3 under the Exchange Act and any such adjustments or substitutions shall be subject to the provisions of this Plan including, but not limited to Section 9 and Section 14 below. Further, with respect to Awards intended to qualify as "performance-based compensation" under Section 162(m) of the Code, such adjustments or substitutions shall, unless otherwise determined by the Company or the Compensation Committee, be made only to the extent that the Company or the Compensation Committee determines that such adjustments or substitutions may be made without a loss of deductibility for such Awards under Section 162(m) of the Code. The Company shall give each Participant notice of an adjustment hereunder and, upon notice, such adjustment shall be conclusive and binding for all purposes.

SECTION 4. Eligibility.

Officers, employees and directors of the Company, its Subsidiaries and Affiliates who are responsible for or contribute to the management, growth and profitability of the business of the Company, its Subsidiaries and Affiliates are eligible to be granted Awards under the Plan. Except as expressly authorized by Section 13 of the Plan, however, no grant shall be made to a director who is not an officer or a salaried employee of the Company, its Subsidiaries and/or Affiliates.

SECTION 5. Stock Options; Stock Awards.

(a) Stock Options. Stock Options may be granted alone or in addition to other Awards granted under the Plan and may be of two types: Incentive Stock Options and Non-Qualified Stock Options. Any Stock Option granted under the Plan shall be in such form as the Compensation Committee may

8

from time to time approve.

The Compensation Committee shall have the authority to grant any optionee Incentive Stock Options, Non-Qualified Stock Options or both types of Stock Options. Incentive Stock Options may be granted only to employees of the Company and its Subsidiaries and Affiliates. To the extent that any Stock Option is not designated as an Incentive Stock Option or even if so designated does not qualify as an Incentive Stock Option, it shall constitute a Non-Qualified Stock Option.

Stock Options shall be evidenced by option agreements, the terms and provisions of which may differ. An option agreement shall indicate on its face whether it is intended to be an agreement for an Incentive Stock Option or a Non-Qualified Stock Option. The grant of a Stock Option shall occur on the date the Compensation Committee by resolution selects an individual to be a Participant in any grant of a Stock Option, determines the number of shares of Stock to be subject to such Stock Option to be granted to such individual and specifies the terms and provisions of the Stock Option. The Company shall notify a Participant of any grant of a Stock Option, and a written option agreement or agreements shall be duly executed and delivered by the Company to the Participant. Such agreement or agreements shall become effective upon execution by the Participant.

Anything in the Plan to the contrary notwithstanding, no term of the Plan relating to Incentive Stock Options shall be interpreted, amended or altered nor shall any discretion or authority granted under the Plan be

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

exercised so as to disqualify the Plan under Section 422 of the Code or, without the consent of the optionee affected, to disqualify any Incentive Stock Option under such Section 422 of the Code.

Stock Options granted under the Plan shall be subject to the following terms and conditions and shall contain such additional terms and conditions as the Compensation Committee shall deem desirable:

(i) Option Price. The option price per share of Common Stock purchasable under a Stock Option (A) shall be determined by the Compensation Committee and set forth in the option agreement, (B) shall not be less than the Fair Market Value of the Common Stock subject to the Stock Option on the Date of Grant and (C) in the case of an Incentive Stock Option granted to an optionee who owns stock representing more than 10% of the voting power of all classes of stock of the Company or any subsidiary of the Company, shall not be less than 110% of the Fair Market Value of the Common Stock subject to the Incentive Stock Option on the Date of Grant.

(ii) Option Term. The term of each Stock Option shall be fixed by the Compensation Committee, but (A) no Stock Option shall be exercisable more than 10 years after the date the Stock Option is granted and (B) no Incentive Stock Option granted to an optionee who owns stock representing more than 10% of the voting power of all classes of stock of the Company or any Subsidiary shall be exercisable more than five years after the date the Stock Option is granted.

(iii) Exercisability. Except as otherwise provided herein, Stock Options shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Compensation Committee. If

9

the Compensation Committee provides that any Stock Option is exercisable only in installments, the Compensation Committee may at any time waive such installment exercise provisions, in whole or in part, based on such factors as the Compensation Committee may determine. In addition, the Compensation Committee may at any time, in whole or in part, accelerate the exercisability of any Stock Option.

Notwithstanding any other provision hereof, the aggregate Fair Market Value, determined on the date of award, of Common Stock with respect to which Incentive Stock Options are exercisable by an optionee for the first time during any calendar year under all stock option plans of the Company and any Subsidiary of the Company shall not exceed \$100,000.

(iv) Method of Exercise. Subject to the provisions of this Section 5(a), Stock Options may be exercised, in whole or in part, at any time during the option term by giving written notice of exercise to the Company specifying the number of shares of Common Stock subject to the Stock Option to be purchased.

The option price of Common Stock to be purchased upon exercise of any Option shall be paid in full in cash (by certified or bank check, or such other instrument as the Company may accept) or, if and to the extent set forth in the option agreement, may also be paid by one or more of the following: (A) in the case of the exercise of a Non-Qualified Stock Option, in the form of unrestricted Common Stock already owned by the optionee that meets the definition of "Mature Stock", as defined below, based in any such instance on the Fair Market Value of the Common Stock on the date the Stock Option is exercised; provided, however, that, in the case of an Incentive Stock Option, the right to make a payment in the form of already owned shares of Common Stock

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

may be authorized only at the time the Stock Option is granted; (B) by requesting the Company to withhold from the number of shares of Common Stock otherwise issuable upon exercise of the Stock Option that number of shares having an aggregate Fair Market Value on the date of exercise equal to the exercise price for all of the shares of Common Stock subject to such exercise; or (C) by a combination thereof, in each case in the manner provided in the option agreement.

As noted above, the option price may be paid in shares of Common Stock owned by the optionee upon the exercise of a Stock Option provided the shares of Common Stock so utilized meet the definition of "Mature Stock". For purposes hereof, the term "Mature Stock" shall mean (I) shares of unrestricted Common Stock that have been owned by the optionee for at least six (6) consecutive months prior to the date of the exercise of the Stock Option wherein such shares are to be utilized to pay all or a portion of the Option Price; or (II) shares of unrestricted Common Stock that were purchased by the optionee in an open-market transaction prior to the exercise of the Stock Options wherein such shares are to be utilized to pay all or a portion of the Option Price.

In the discretion of the Compensation Committee and to the extent allowed under applicable law, payment for any shares subject to a Stock Option may also be made by delivering a properly executed exercise notice to the Company, together with a copy of irrevocable instructions to a broker to deliver promptly to the Company the amount of funds to pay the purchase price.

10

(v) Transferability of Stock Options. No Stock Option shall be transferable by the optionee other than (A) by will or by the laws of descent and distribution or (B) pursuant to a qualified domestic relations order (as defined in the Code or Title I of the Employee Retirement Income Security Act of 1974, as amended, or the rules thereunder) or (C) by a gift to a "family member", as herein defined. All Stock Options shall be exercisable, during the optionee's lifetime, only by the optionee or by the guardian or legal representative of the optionee or by an alternate payee pursuant to such qualified domestic relations order or by the "family member" who is the donee of a gift, it being understood that the terms "holder" and "optionee" include the guardian, legal representative or family member donee of the optionee named in the option agreement and any person to whom an option is transferred by will or the laws of descent and distribution, pursuant to a qualified domestic relations order or pursuant to a gift to a "family member". For purposes of this Plan, the term "family member" as relates to the optionee means any child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, including adoptive relationships, any person sharing the optionee's household (other than a tenant or employee), a trust in which these persons (or the optionee) control the management of the assets and any other entity in which these persons (or the optionee) own more than fifty percent of the voting interests. No Stock Option may be transferred for value except for (I) transfers under a qualified domestic relations order in settlement of marital property rights; and (II) a transfer to an entity in which more than fifty percent of the voting interests are owned by "family members" (or the optionee) in exchange for an interest in that entity. Notwithstanding the above definition of "family member" and prohibitions on transfers and exceptions thereto, the definition of "family member" and the prohibitions and exceptions to transfers shall be subject to the definitions thereof and restrictions set forth on Form S-8 Registration Statement Under the Securities Act of 1933 as such definitions and restrictions shall be revised, amended or replaced from time to time.

(vi) Termination by Death. If an optionee's employment

terminates by reason of death, any Stock Option held by such optionee may thereafter be exercised, to the extent then exercisable, or on such accelerated basis as the Compensation Committee may determine, for a period of one year (or such other period as the Compensation Committee may specify in the option agreement) from the date of such death or until the expiration of the stated term of such Stock Option, whichever period is the shorter. In the event of termination of employment due to death, if an Incentive Stock option is exercised after the expiration of the exercise periods that apply for purposes of Section 422 of the Code, such Stock Option will thereafter be treated as a Non-Qualified Stock Option.

(vii) Termination by Reason of Disability. If an optionee's employment terminates by reason of Disability, any Stock Option held by such optionee may thereafter be exercised by the optionee, to the extent it was exercisable at the time of termination, or on such accelerated basis as the Compensation Committee may determine, for a period of three years (or such

11

shorter period as the Compensation Committee may specify in the option agreement) from the date of such termination of employment or until the expiration of the stated term of such Stock Option, whichever period is the shorter; provided, however, that if the optionee dies within such three-year period (or such shorter period), any unexercised Stock Option held by such optionee shall, notwithstanding the expiration of such three-year (or such shorter) period, continue to be exercisable to the extent to which it was exercisable at the time of death for a period of one year from the date of such death or until the expiration of the stated term of such Stock Option, whichever period is the shorter. In the event of termination of employment by reason of Disability, if an Incentive Stock Option is exercised after the expiration of the exercise periods that apply for purposes of Section 422 of the Code, such Stock Option will thereafter be treated as a Non-Qualified Stock Option.

(viii) Termination by Reason of Retirement. If an optionee's employment terminates by reason of Retirement, any Non-Qualified Stock Option held by such optionee may thereafter be exercised by the optionee, to the extent it was exercisable at the time of such Retirement or on such accelerated basis as the Compensation Committee may determine, for a period of three years (or such shorter period as the Compensation Committee may specify in the option agreement) from the date of such termination of employment or until the expiration of the stated term of such Non-Qualified Stock Option, whichever period is the shorter; provided, however, that if the optionee dies within such three-year (or such shorter) period, any unexercised Non-Qualified Stock Option held by such optionee shall, notwithstanding the expiration of such three-year (or such shorter) period, continue to be exercisable to the extent to which it was exercisable at the time of death for a period of one year from the date of such death or until the expiration of the stated term of such Non-Qualified Stock Option, whichever period is the shorter. In the event of termination of employment by reason of Retirement, an Incentive Stock Option may be exercised by the optionee to the extent it was exercisable at the time of such Retirement or on such accelerated basis as the Compensation Committee may determine, only within a period of three months thereafter or prior to the expiration of the stated term of such Incentive Stock Option, whichever period is the shorter; provided, however, that if the optionee dies within such three-month period, any unexercised Incentive Stock Option held by such optionee shall, notwithstanding the expiration of such three-month period, continue to be exercisable to the extent to which it was exercisable at the time of death for a period of one year from the date of such death or until the expiration of the stated term of such Incentive Stock Option, whichever period is the shorter.

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

(ix) Other Termination. Unless otherwise determined by the Compensation Committee, if there occurs a Termination of Employment for any reason other than death, Disability, Retirement or Cause, any Stock Option held by such optionee shall thereupon terminate, except that such Stock Option, to the extent then exercisable, or on such accelerated basis as the Compensation Committee may determine, may, if such Termination of Employment is without Cause, be exercised for the lesser of (A) in the case of a Non-Qualified Stock Option, one year from the date of such Termination of Employment or the balance

12

of such Stock Option's term and (B) in the case of an Incentive Stock Option, three months from the date of such Termination of Employment or the balance of such Stock Option's term; provided, however, that if the optionee dies within such one-year or three-month period, any unexercised Stock Option held by such optionee shall notwithstanding the expiration of such one-year or three-month period, continue to be exercisable to the extent to which it was exercisable at the time of death for a period of one year from the date of such death or until the expiration of the stated term of such Stock Option, whichever period is the shorter. In the event of Termination of Employment for Cause, any unexercised Stock Option held by such optionee shall expire immediately upon the giving to the optionee of notice of such Termination of Employment. Unless otherwise determined by the Compensation Committee, for the purposes of the Plan, "Cause" shall mean (I) the conviction of the optionee for a felony under Federal law or the law of the state in action occurred, (II) dishonesty in the course of the optionee's employment duties or (III) willful and failure on the part of the optionee to perform his duties in any material respect.

(x) Cashing Out of Stock Option. On receipt of written notice of exercise and subject to confirmation of applicable accounting implications, the Compensation Committee may elect to cash out all or any part of the shares of Common Stock for which a Stock Option is being exercised by paying the optionee an amount, in cash or Common Stock, equal to the excess of the Fair Market Value of the Common Stock over the option price times the number of shares of Common Stock for which the Stock Option is being exercised on the effective date of such cash out.

(xi) Corporate Event Cash Out. The provisions of Section 8 below shall be applicable in the event of a Corporate Event as defined therein.

(b) Stock Awards. Subject to the terms of this Plan, the Compensation Committee may grant Awards to individuals in the form of shares of Common Stock of the Company and may place restrictions on such Awards as set forth in Section 6 below or may grant such shares of Common Stock without restrictions.

SECTION 6. Restricted Stock.

(a) Administration. Restricted Stock may be awarded either alone, in addition to or in tandem with other Awards granted under the Plan. The Compensation Committee shall determine the eligible persons to whom and the time or times at which Restricted Stock shall be awarded, the number of shares of Restricted Stock to be awarded, the number of shares of Restricted Stock to be awarded to any person, the duration of the period (the "Restrictions Period") during which, and the conditions under which receipt of the Common Stock will be Restricted, and the other terms and conditions of the Award in addition to those set forth in Section 6(b).

The Compensation Committee may condition the grant of Restricted Stock upon the attainment of specified performance goals or such other factors or criteria as the Compensation Committee shall determine, in its

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

sole discretion.

The provisions of Restricted Stock awards need not be the same with respect to each recipient.

(b) Terms and Conditions. The shares of Restricted Stock awarded pursuant to this Section 6 may, in the sole discretion of the Compensation Committee, be subject to any of the following terms and conditions:

13

(i) Subject to the provisions of this Plan and the Award agreement referred to in Section 6(b)(v) below, Restricted Stock Awards may not be sold, assigned, transferred, pledged or otherwise encumbered during the Restrictions Period and a legend evidencing such restrictions shall, at the request of the Company or the Compensation Committee and upon such language as the Company or the Compensation Committee shall require, be inserted on any stock certificate evidencing shares received under a Restricted Stock Award. At the expiration of the Restrictions Period if such Participant has previously received stock certificates with the above-referenced legend thereon with respect to the referenced Restricted Stock Award, certificates for shares of Common Stock without such legend shall, within a reasonable time following the request of the Participant or his or her legal representative, be delivered to the Participant or his or her legal representative, by the Company's transfer agent in a number equal to the shares represented by the stock certificates previously received by such Participant with respect to the referenced Restricted Stock Award. If the Participant has not received certificates representing his or her Restricted Stock Award by the end of the Restrictions Period, the Company shall, within a reasonable time following the request of the Participant or his or her legal representative, cause the Company's transfer agent to deliver to the Participant or his or her legal representative stock certificates, without the above-referenced legend appearing thereon, in a number equal to the number of shares with respect to the referenced Restricted Stock Award.

(ii) Unless otherwise determined by the Compensation Committee at grant, amounts equal to any dividends declared during the Restrictions Period with respect to the number of shares covered by a Restricted Stock Award will be paid to the Participant currently, or deferred and deemed to be reinvested in additional Restricted Stock, or otherwise reinvested, all as determined at or after the time of the Award by the Compensation Committee or, if the Compensation Committee determines to allow the Participant to make the election, at the election of the Participant.

(iii) Subject to the provisions of the Award agreement and this Section 6, upon termination of a Participant's employment with the Company and any Subsidiary or Affiliate for any reason during the Restrictions Period for a given Award, the Restricted Stock in question will vest, or be forfeited, in accordance with the terms and conditions established by the Compensation Committee at grant.

(iv) The Compensation Committee may, at or after grant, accelerate the vesting of all or any part of any Restricted Stock Award and/or waive the deferral limitations for all or any part of such Award.

(v) Each Restricted Stock Award shall be confirmed by, and subject to the terms of, a Restricted Stock agreement executed by the Company and the Participant.

14

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

(c) Limitations and Additional Restrictions Applicable to Restricted Stock Awards. Notwithstanding the provisions of this Section 6, any awards of Restricted Stock under this Plan shall be subject to the provisions of Section 14 below.

SECTION 7. Other Stock-Based Awards

Subject to all other applicable provisions of this Plan, including but not limited to the provisions of Section 9 and Section 14 below, the Compensation Committee may grant any other cash, stock or stock-related Awards to any eligible individual under this Plan that the Compensation Committee deems appropriate, including, but not limited to, stock appreciation rights, limited stock appreciation rights, phantom stock Awards, the bargain purchase of Stock and Stock bonuses. Any such benefits and any related agreements shall contain such terms and conditions as the Compensation Committee deems appropriate including, but not limited to the right to settle any stock appreciation right by use of Common Stock. Such Awards and agreements need not be identical. The Compensation Committee may provide a stock option deferral program or similar types of plans designed to provide further deferral of taxable income to Participants including the use of unfunded deferred compensation arrangements that may provide for future payments to Participants in the form of Common Stock or cash provided such programs or plans do not include re-pricing of Stock Options, and such programs or plans shall be subject to the provisions of this Plan, including but not limited to the provisions of Section 9 and Section 14 below. With respect to any benefit under which shares of Stock are or may in the future be issued for consideration other than prior services, the amount of such consideration shall not be less than the amount (such as the par value of such shares) required to be received by the Company in order to comply with applicable state law.

SECTION 8. Changes in Company's Capital Structure.

(a) Corporate Events. Notwithstanding the above, in the event of any of the following:

(i) The Company is merged or consolidated with another corporation or entity;

(ii) All or substantially all of the assets of the Company or the Common Stock are acquired by another person or entity;

(iii) The reorganization or liquidation of the Company; or

(iv) The Company shall enter into a written agreement to undergo an event described in clauses (i), (ii) or (iii) above,

(each (i), (ii), (iii) and (iv) above, a "Corporate Event") then, the Company shall require the successor corporation or parent thereof to assume such outstanding Awards; provided, however, the Company or the Compensation Committee may, in lieu of requiring such assumption, provide that all outstanding Awards

shall terminate as of the consummation of such Corporate Event, and (x) accelerate the exercisability of, or cause all vesting restrictions to lapse on, all outstanding Awards to a date at least ten days prior to the date of such

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

Corporate Event and/or (y) provide that holders of Awards will receive a cash payment in respect of cancellation of their Awards based on the amount (if any) by which the per share consideration being paid for the Stock in connection with such Corporate Event exceeds the applicable exercise price.

For purposes of this Section 8, an Award shall be considered assumed, without limitation, if, at the time of issuance of the stock or other consideration upon a Corporate Event, each holder of an Award would be entitled to receive upon exercise of the award the same number and kind of shares of stock or the same amount of property, cash or securities as such holder would have been entitled to receive upon the occurrence of the transaction if the holder had been, immediately prior to such transaction, the holder of the number of shares of Stock covered by the Award at such time; provided, that if such consideration received in the transaction is not solely equity securities of the successor entity, the Company or the Compensation Committee may, with the consent of the successor entity, provide for the consideration to be received upon exercise of the Award to be solely equity securities of the successor entity equal to the Fair Market Value of the per share consideration received by holders of Stock in the Corporate Event.

(b) Effect of Change in Control. Except to the extent reflected in a particular Award agreement or as determined by the Company or the Compensation Committee, in the event of a Change in Control, notwithstanding any vesting schedule with respect to an Award of Options or Restricted Stock, such Option shall become immediately exercisable with respect to 100% of the shares subject to such Option, and the Restrictions Period shall expire immediately with respect to 100% of such shares of Restricted Stock. In the event of a Change in Control, all other Awards shall become fully vested and or payable to the fullest extent of any Award or portion thereof that has not then expired and any restrictions with respect thereto shall expire. The Company and the Compensation Committee shall have full authority and discretion to interpret this Section 8(b) and to implement any course of action with respect to any Award so as to satisfy the intent of this provision. The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to substantially all of the assets and business of the Company.

SECTION 9. Term, Amendment and Termination.

The Plan will terminate on May 5, 2013. Under the Plan, Awards outstanding as of May 5, 2013 shall not be affected or impaired by the termination of the Plan.

The Board may not amend, alter or discontinue the Plan or an Award in such manner so as to impair the rights of an optionee under a Stock Option or a recipient of a Restricted Stock Award theretofore granted without the optionee's or recipient's consent except such an amendment made to cause the

Award to qualify for the exemption provided by Rule 16b-3. If any proposed amendment to the Plan would (i) materially increase the benefits accruing to Participants under the Plan, (ii) materially increase the aggregate number of securities that may be issued under the Plan or (iii) materially reduce the requirements as to eligibility for participation in the Plan, then to the extent required by applicable law or deemed necessary or advisable by the Compensation Committee, such amendment shall be presented to the Company's stockholders for approval. Notwithstanding the foregoing, however, the requirement that any such

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

amendments to the Plan be presented to the Company's stockholders for approval shall not apply to such amendments as required by applicable law or to cause the Plan to comply with generally accepted accounting principles.

Subject to the above provisions, the Board shall have authority to amend the Plan to take into account changes in law and tax and accounting rules, as well as other developments and to grant Awards which qualify for beneficial treatment under such rules without stockholder approval. Notwithstanding the above provisions, any changes or adjustments as described in Section 3(b) above may be made without stockholder approval.

SECTION 10. Unfunded Status of Plan.

It is presently intended that the Plan constitute an "unfunded" plan for incentive and deferred compensation. The Compensation Committee may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver Common Stock or make payments; provided, however, that, unless the Compensation Committee otherwise determines, the existence of such trusts or other arrangements is consistent with the "unfunded" status of the Plan. No provision of the Plan shall require the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Company maintain separate bank accounts, books, records or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes. Holders shall have no rights under the Plan other than as unsecured general creditors of the Company, except that insofar as they may have become entitled to payment of additional compensation by performance of services, they shall have the same rights as other employees under general law.

SECTION 11. General Provisions.

(a) Additional Provisions of an Award. The Compensation Committee may require each person purchasing or receiving shares pursuant to an Award to represent to and agree with the Company in writing that such person is acquiring the shares without a view to the distribution thereof. The certificates for such shares may include any legend which the Compensation Committee deems appropriate to reflect any restrictions on transfer. All certificates for shares of Common Stock or other securities delivered under the Plan shall be subject to such stock transfer orders and other restrictions as the Compensation Committee may deem advisable under the rules, regulations and other requirements of the Commission, any stock exchange upon which the Common Stock is then listed and any applicable Federal or state securities law, and the Compensation Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

(b) Privileges of Stock Ownership. Except as otherwise provided in this Plan, no person shall be entitled to the privileges of stock ownership in respect of shares of Common Stock which are subject to Awards

17

hereunder until such shares shall have been issued to such person.

(c) Government and Other Regulations. The obligation of the Company to make payment of Awards in Stock or otherwise shall be subject to all applicable laws, rules and regulations, and to such approvals by governmental agencies as may be required. Notwithstanding any terms or conditions of any Award to the contrary, the Company shall be under no obligation to offer to sell or to sell and shall be prohibited from offering to sell or selling any shares

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

of Stock pursuant to an Award unless such shares have been properly registered for sale pursuant to the Securities Act with the Securities and Exchange Commission or unless the Company has received an opinion of counsel, satisfactory to the Company, that such shares may be offered or sold without such registration pursuant to an available exemption therefrom and the terms and conditions of such exemption have been fully complied with. The Company shall be under no obligation to register for sale under the Securities Act any of the shares of Stock to be offered or sold under the Plan. If the shares of Stock offered for sale or sold under the Plan are offered or sold pursuant to an exemption from registration under the Securities Act, the Company may restrict the transfer of such shares and may legend the Stock certificates representing such shares in such manner as it deems advisable to ensure the availability of any such exemption.

(d) No Restriction on Other Compensation Arrangements. Nothing contained in the Plan shall prevent the Company or any Subsidiary or Affiliate from adopting other or additional compensation arrangements for its employees.

(e) No Employment Right or Claim. The adoption of the Plan shall not confer upon any employee any right to continued employment nor shall it interfere in any way with the right of the Company or any Subsidiary or Affiliate to terminate the employment of any employee at any time. No individual shall have any claim or right to be granted an Award under the Plan, or, having been selected for the grant of an Award, to be selected for the grant of any other Award.

(f) Tax Withholding. No later than the date as of which an amount first becomes subject to being included in the gross income of the Participant for Federal income tax purposes with respect to any Award under the Plan, the Participant shall pay to the Company, or make arrangements satisfactory to the Company regarding the payment of, any Federal, state, local

18

or foreign taxes of any kind required by law to be withheld with respect to such amount. If so determined by the Compensation Committee, withholding obligations may be settled with Common Stock, including Common Stock that is part of the Award that gives rise to the withholding requirement. The obligations of the Company under the Plan shall be conditional on such payment or arrangements, and the Company, its Subsidiaries and its Affiliates shall, to the extent permitted by law, have the right to deduct any such taxes from any payment otherwise due to the Participant. The Compensation Committee may establish such procedures as it deems appropriate, including the making of irrevocable elections, for the settlement of withholding obligations with Common Stock.

(g) Payments to Persons Other Than Participants. If any person to whom any amount is payable under the Plan is unable to care for his affairs because of illness or accident, or is a minor, or has died, then any payment due to such person or his estate (unless a prior claim therefor has been made by a duly appointed legal representative) may, if the Compensation Committee so directs the Company, be paid to his spouse, child, relative, an institution maintaining or having custody of such person, or any other person deemed by the Compensation Committee to be a proper recipient on behalf of such person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Company therefor.

(h) No Liability of Compensation Committee Members. No member of the Compensation Committee shall be personally liable by reason of any contract or other instrument executed by such member or on his behalf in his capacity as a member of the Compensation Committee nor for any mistake of

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

judgment made in good faith, and the Company shall indemnify and hold harmless each member of the Compensation Committee and each other employee, officer or director of the Company to whom any duty or power relating to the administration or interpretation of the Plan may be allocated or delegated, against any cost or expense (including counsel fees) or liability (including any sum paid in settlement of a claim) arising out of any act or omission to act in connection with the Plan unless arising out of such person's own fraud or willful bad faith; provided, however, that approval of the Board shall be required for the payment of any amount in settlement of a claim against any such person. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or By-Laws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

(i) Reliance on Reports. Each member of the Compensation Committee and each member of the Board shall be fully justified in relying, acting or failing to act, and shall not be liable for having so relied, acted or failed to act in good faith, upon any report made by the independent public accountant of the Company and its Subsidiaries and upon any other information furnished in connection with the Plan by any person or persons other than himself.

(j) Relationship to Other Benefits. No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, profit sharing, group insurance or other benefit plan of the Company or any Subsidiary except as otherwise specifically provided in such other plan.

(k) Expenses. The expenses of administering the Plan shall be borne by the Company and its Subsidiaries.

(l) Pronouns. Masculine pronouns and other words of masculine gender shall refer to both men and women.

(m) Titles and Headings. The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall

19

control.

(n) Termination of Employment. For all purposes herein, a person who transfers from employment or service with the Company to employment or service with a Subsidiary or vice versa shall not be deemed to have terminated employment or service with the Company or a Subsidiary.

(o) Other Procedures. The Compensation Committee shall establish such procedures as it deems appropriate for a Participant to designate a beneficiary to whom any amounts payable in the event of the Participant's death are to be paid.

(p) Governing Law. The Plan and all Awards made and actions taken thereunder shall be governed by and construed in accordance with the laws of the State of Delaware.

SECTION 12. Effective Date of Plan.

Provided the Plan is approved by the Company's stockholders, the Plan shall be effective on May 5, 2003, the date the Plan was submitted to the Company's stockholders for vote.

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

SECTION 13. Non-Employee Director Stock Options and Non-Employee Director Shares.

(a) Each director of the Company who is not otherwise an employee of the Company or any Subsidiary or Affiliate from and after the effective date of the Plan (a "Non-Employee Director") shall, on each December 31 during such Non-Employee Director's term, automatically be granted Non-Qualified Stock Options to purchase 500 shares of Common Stock having an exercise price per share equal to 100% of the Fair Market value of the Common Stock at the Date of Grant of such Non-Qualified Stock Option. Each such Non-Employee Director, upon joining the Board, shall also be awarded 500 shares of Common Stock ("Non-Employee Director Shares"). Non-Employee Director Shares shall be fully vested upon grant, but may not be sold, pledged, or otherwise transferred in any manner during a Non-Employee Director's term and for one year thereafter. The Compensation Committee may require that such shares- bear an appropriate legend evidencing such transfer restrictions.

(b) An automatic Non-Employee Director Stock Option shall be granted hereunder only if as of each Date of Grant (or, in the case of any initial grant, from and after the effective date of the Plan) the Non-Employee Director (i) is not otherwise an employee of the Company or any Subsidiary or Affiliate, (ii) has not been an employee of the Company or any Subsidiary or Affiliate for any part of the preceding fiscal year and (iii) has served on the Board continuously since the commencement of his term.

(c) Each holder of a Stock Option granted pursuant to this Section 13 shall also have the rights specified in Section 5(a).

20

(d) In the event that the number of shares of Common Stock available for future grant under the Plan is insufficient to make all automatic grants required to be made on such date, then all Non-Employee Directors entitled to a grant on such date shall share ratably in the number of options on shares available for grant under the Plan.

(e) Except as expressly provided in this Section 13, any Stock Option granted hereunder shall be subject to the terms and conditions of the Plan as if the grant were made pursuant to Section 5(a) hereof.

(f) Awards granted under this Section 13 shall be subject to any applicable restrictions set forth in Section 14(a) below.

SECTION 14. Award Limitations.

(a) General Restriction. Any provision of this Plan to the contrary notwithstanding, in no event shall any Awards or Award of Non-Employee Director Shares be made, and in no event shall any option be granted or exercised, if the grant or exercise of such Award or Option, would result in a violation of the Common Stock ownership limits or any other requirements necessary for qualification of the Company as a "real estate investment trust" for federal income tax purposes. For purposes of the Plan, in determining whether such limits would be violated, Participants shall be deemed to own beneficially any shares of Common Stock subject to unexercised Options, whether or not vested. Any such Award or grant or exercise of Options, if made, shall be null and void and shall have no legal effect. In addition, the Plan and any Awards or Options granted hereunder shall be subject in all events to, and shall in no event violate (i) the "Ownership Limit" as set forth in the Company's Amended and Restated Certificate of Incorporation, (ii) the provisions of any applicable rule or regulation of the Securities and Exchange Commission, the New

Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form PRE 14A

York Stock Exchange and/or such other exchange upon which the Company's stock may be traded or (iii) any provision of any federal or state law, rule or regulation.

(b) Restrictions on Stock Awards. Stock Awards granted from the Plan must be subject to the following guidelines:

- (i) Stock Awards may be granted from the Plan in lieu of cash compensation; and
- (ii) Except for Stock Awards falling within the 5% Authorization (defined below), Stock Awards that are granted from the Plan other than in lieu of cash compensation (A) pursuant to a stock award program or (B) independently, must provide for a vesting period of a minimum of three (3) years or may provide for a vesting period of less than three (3) years but at least one (1) year if the restrictions period placed upon the Stock Award is performance based.

Up to a maximum of Stock Awards equivalent to 5% of the total shares available for grant under the Plan as set forth in the first sentence of Section 3(a)

21

above (the "5% Authorization"), Stock Awards may be granted to officers and employees of the Company other than in lieu of cash compensation and without the necessity of compliance with the vesting or performance based criteria set forth directly above.
