Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

##### Item 4. Description of Securities.

The deferred compensation obligations of the registrant registered hereunder (the "Obligations") are unsecured general obligations of the registrant to pay the value of deferred compensation accounts of participants in accordance with the terms and conditions of the Cytec Supplemental Savings and Profit Sharing Plan (the "Plan"). The following discussion of the Plan is not a complete description of the Plan and is qualified in its entirety by reference to the full text of the Plan. The filing of this registration statement on Form S-8 is not, and should not be construed as, an admission that the Obligations constitute securities under applicable federal, state, or local laws.

The Plan is a nonqualified deferred compensation plan for eligible executives and other key employees of the registrant. Under the Plan, the registrant provides all eligible participants with the opportunity to defer income earned as compensation for services.

## Edgar Filing: CYTEC INDUSTRIES INC/DE/ - Form S-8

The Obligations are general unsecured and unsubordinated indebtedness of the registrant. Participants' rights to payment of the Obligations are no greater than those of general unsecured creditors of the registrant. The registrant is liable for payments to participants only to the extent that the compensation deferred was earned while the participant was an employee of the registrant. Except for the portion of the Obligations that are payable upon distribution in shares of the registrant's common stock under the terms of the Plan, the Obligations are not convertible into any of the registrant's securities.

The registrant has established a grantor trust, popularly known as a "rabbi trust," to allow it and its subsidiaries to accumulate assets to help fund payment of the Obligations. No participant in the Plan has any preferred claim to any assets of the trust. Participants have a beneficial interest in the trust's assets only to the extent provided under the terms and conditions of the trust agreement and the Plan. The assets of the trust may not be returned to the registrant until the Obligations are satisfied, unless the registrant becomes insolvent. The assets of the trust are allocated according to the respective Obligations of the registrant and those allocated amounts remain subject to the claims of the registrant's creditors. In addition, all assets of the trust remain subject to the claims of the registrant's creditors.

Assets held in the trust are invested by the trustee in its discretion but within guidelines established by the plan administrator under the Plan (the "Administrator"). However, under the terms of the registrant's trust agreement, in exercising its investment discretion, the trustee will give due regard to investment directions received from participants with respect to their accounts maintained under the Plan. Participants may request that amounts credited to their accounts be allocated among various investment alternatives made available by the trustee under the Plan, including the registrant's common stock and certain other investments. All rights associated with assets of the trust are exercised by the trustee and may not be exercised by participants or their beneficiaries.

The Administrator maintains an account for each participant for the purpose of recording the unsecured obligation of the registrant to pay deferred compensation in accordance with the terms of the Plan. Accounts are adjusted regularly to reflect compensation deferred by a participant under the Plan, a participant's allocable share of the income, losses, appreciation and depreciation of assets applicable to his or her account, any distributions or transfers made from the Plan on behalf of a participant, and a participant's share, if any, of plan expenses. Accounts are established and maintained merely to record the obligation to pay deferred compensation under the Plan. Participants and their beneficiaries have no right, title or interest in or to funds in an account, except as general unsecured creditors.

At the time of the election to defer compensation, each participant may elect either a specific date or a stated event upon which distributions of his or her account balance will occur and whether such distributions will be in the form of a lump sum payment, in annual installments over a period of five years or in quarterly installments over a period of fifteen years. If no election is made by a participant, distributions of the balance in an account will be made following termination of employment, unless a "hardship" (as defined in the Plan) occurs, in which case earlier distributions may be made.

Participants do not have any right to assign, pledge or otherwise transfer their rights under the Plan, except by a written designation of a beneficiary in accordance with the terms of the Plan, and a participant's account will not be considered an asset of the participant. General administrative expenses are paid by the registrant. Extraordinary administrative expenses with respect to a participant's account are paid from trust assets and charged against the account of the participant.

The registrant reserves the right to amend or terminate the Plan at any time without the consent of participants or their beneficiaries, provided that no amendment or plan termination may directly or indirectly reduce the amount credited to any participant's account as of the date of amendment or termination.

### **Item 5. Interests of Named Experts and Counsel.**

The validity of the securities offered hereby has been passed upon for Cytec by Roy Smith, Esq., Vice President, General Counsel and Secretary of Cytec. Mr. Smith is paid a salary by Cytec, is a participant in the Cytec Supplemental Savings and Profit Sharing Plan and in various employee benefit plans offered to employees of Cytec generally and owns and has options to purchase shares of Cytec's common stock.

### **Item 6. Indemnification of Directors and Officers.**

The By-Laws of Cytec provide that Cytec shall indemnify, to the extent permitted by Delaware law, its directors, officers and employees against expenses (including attorney's fees), judgments, fines and amounts paid in settlement incurred by them in connection with any actual or threatened action, suit or proceeding to which they are or may become parties arising out of their status as directors, officers or employees if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of Cytec, and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful.

Section 145(a) and 145(b) of the General Corporation Law of Delaware ("DGCL") permit a corporation to indemnify any director, officer, employee or agent of the corporation against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement incurred by such person in connection with any proceeding arising out of his status as director, officer, employee or agent if such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or

proceeding, had no reasonable cause to believe his conduct was unlawful. To the extent that a present or former director or officer of a corporation has been successful in defense of any such action or claim, Section 145(c) provides that such person shall be indemnified against expenses incurred by such person in connection therewith.

As permitted by Section 102(b)(7) of the DGCL, Article Ninth of Cytec's Certificate of Incorporation limits the personal liability of Cytec's directors to Cytec and its stockholders for monetary damages for any breach of fiduciary duty except for liability (i) for any breach of the director's duty of loyalty to Cytec or its stockholders, (ii) for acts or omission not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL or (iv) for any transaction from which the director derived an improper personal benefit.

### **Item 7. Exemption from Registration Claimed.**

Not applicable.

### **Item 8. Exhibits.**

The exhibits listed on the accompanying Exhibit Index are filed or incorporated by reference as part of this Registration Statement.

### **Item 9. Undertakings.**

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post effective amendment to this Registration Statement: to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
