#### Amendment No. 1 to the Annual Report on Form 10-K

For the Year Ended December 31, 2007

#### EXPLANATORY NOTE

Everest Reinsurance Holdings, Inc. (the "Company") is filing this Amendment No. 1 on Form 10-K/A (this "Amendment") to its Annual Report on Form 10-K for the year ended December 31, 2007, which was originally filed on March 31, 2008 (the "Original Filing"), to amend Part II, Item 9A of the Original Filing.

Pursuant to Rule 12b-15 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), this Amendment amends the Original Filing and contains new certifications pursuant to Section 302 and 906 of the Sarbanes-Oxley Act of 2002. This Amendment continues to speak as of the date of the Original Filing, and the Company has not updated the disclosure contained herein to reflect events that have occurred since the filing of the Original Filing. Accordingly, this Amendment should be read in conjunction with the Company's other filings made with the Securities and Exchange Commission subsequent to the filing of the Original Filing, including the amendments to those filings, if any.

#### PART II - ITEM 9A. CONTROLS AND PROCEDURES

#### **Disclosure Controls and Procedures**

As required by Rule 13a-15(b) under the Exchange Act, our management, including our Chief Executive Officer and Chief Financial Officer, has evaluated the effectiveness of our disclosure controls and procedures (as defined in Rule 13a-15(e) under the Exchange Act). Based on that

evaluation and solely because of our failure to file the required Management's Annual Report on Internal Control over Financial Reporting in our Annual Report on Form 10-K when it was filed on March 31, 2008, the Chief Executive Officer and Chief Financial Officer have concluded that our disclosure controls and procedures were not effective as of the end of the period covered by this annual report. We remedied this failure by amending our Annual Report on Form 10-K to provide the required report of management.

Our management, including our Chief Executive Officer and Chief Financial Officer, does not expect that our disclosure controls will prevent or detect all errors. A control system, no matter how well designed and operated, can provide only reasonable, and not absolute, assurance that the control system's objectives will be met. Because of the inherent limitations in all control systems, no evaluation of controls can provide absolute assurance that all control issues, if any, have been detected. These inherent limitations include the realities that disclosure requirements may be misinterpreted and judgments in decision-making may be inexact.

#### Management's Report on Internal Control Over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal controls over financial reporting. Our internal control over financial reporting is designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of our financial statements for external purposes in accordance with generally accepted accounting principles.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Management has assessed the effectiveness of our internal control over financial reporting as of December 31, 2007. In making this assessment, we used the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission (COSO) in *Internal Control* – *Integrated Framework*. Based on our assessment we concluded that, as of December 31, 2007, our internal control over financial reporting is effective based on those criteria.

This annual report does not include an attestation report of the Company's registered public accounting firm regarding internal control over financial reporting. Management's report was not subject to attestation by the

1

Company's registered public accounting firm pursuant to temporary rules of the Securities and Exchange Commission that permit the Company to provide only management's report in this annual report.

#### Changes in Internal Control over Financial Reporting.

As required by Rule 13a-15(d) under the Exchange Act, our management, including our Chief Executive Officer and Chief Financial Officer, has evaluated our internal control over financial reporting to determine whether any changes occurred during the fourth fiscal quarter covered by this annual report that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting. Based on that evaluation, there has been no such change during the fourth quarter.
