**PROXY STATEMENT**

Our Board of Directors is soliciting your proxy with the enclosed proxy card for use at the 2007 Annual Meeting of Shareholders of Patriot National Bancorp, Inc. The Annual Meeting will be held on Wednesday, June 20, 2007 at The Hyatt Regency, 1800 East Putnam Avenue, Old Greenwich, Connecticut 06870. This proxy statement and accompanying proxy card are first being sent or given to shareholders on or about May 7, 2007.

The Annual Meeting has been called for the following purposes: (i) to elect nine directors to serve until the next Annual Meeting of shareholders (Proposal 1); (ii) to ratify the appointment of McGladrey & Pullen, LLP as our independent auditors for the year ending December 31, 2007 (Proposal 2); and (iii) to transact any other business that properly comes before the Annual Meeting or at any adjournments of the meeting.

**GENERAL INFORMATION ABOUT VOTING**

**Who can vote.** You will be entitled to vote your shares of Patriot common stock at the Annual Meeting if you were a shareholder of record at the close of business on April 27, 2007. As of that date, 4,739,494 shares of common stock were outstanding and entitled to vote at the Annual Meeting.

In the election of directors, you may elect to cumulate your vote. Cumulative voting will allow you to allocate among the director nominees, as you see fit, the total number of votes equal to the number of director positions to be filled multiplied by the number of shares you hold. For example, if you own 100 shares of stock, and there are nine directors to be elected at the Annual Meeting, you may allocate 900 "for" votes (nine times 100) among as few or as many of the nine nominees to be voted on at the Annual Meeting as you choose.

If you choose to cumulate your votes, you will need to submit a proxy card or a ballot and make an explicit statement of your intent to cumulate your votes, either by so indicating in writing on the proxy card or by indicating in writing on your ballot when voting at the Annual Meeting. If you hold shares beneficially in street name and wish to cumulate votes, you should contact your broker, trustee or nominee.

If you sign your proxy card with no further instructions, John A. Geoghegan, L. Morris Glucksman, and Michael F. Intriери, as proxy holders, may cumulate and cast your votes in favor of the election of some or all of the applicable nominees in their sole discretion, except that none of your votes will be cast for any nominee as to whom you instruct that your votes be withheld.

Cumulative voting applies only to the election of directors. For all other matters, each share of common stock outstanding as of the close of business on the record date, April 27, 2007, is entitled to one vote. If you sign your proxy card with no further instructions with respect to the ratification of the selection of the independent auditors, then proxies will be voted in favor of the proposal.

**How to vote your shares.** You can vote your shares either by attending the Annual Meeting and voting in person or by voting by proxy. If you choose to vote by proxy, please complete, date, sign and return the enclosed proxy card. The proxies named in the enclosed proxy card will vote your shares as you have instructed. You may authorize the proxies to vote your shares in favor of the proposals contained in this proxy statement by simply signing and returning the enclosed proxy card without indicating how your votes should be cast.

Even if you expect to attend the Annual Meeting, please complete and mail your proxy card in any case in order to assure representation of your shares. If you attend the meeting, you can always revoke your proxy by voting in person. No postage is necessary if the proxy card is mailed in the United States.

**Quorum.** A quorum of shareholders is required in order to transact business at the Annual Meeting. A majority of the outstanding shares of common stock entitled to vote must be present at the meeting, either in person or by proxy, to constitute a quorum.

**Number of votes required.** The number of votes required to approve each of the proposals that are scheduled to be presented at the meeting is as follows:

<b>Proposal</b>	<b>Required Vote</b>
• Election of directors	Under cumulative voting for directors, the nine nominees receiving the largest number of votes will be elected.
• Ratification of the Audit Committee's selection of independent auditors	The affirmative vote of a majority of the votes cast is necessary for ratification.

**Abstentions and broker non-votes.** A broker non-vote occurs when a broker cannot vote a customer's shares registered in the broker's name because the customer did not send the broker instructions on how to vote on the matter. If the broker does not have instructions *and* is barred by law or applicable rules from exercising its discretionary voting authority in the particular matter, then the shares will not be voted on the matter, resulting in a "broker non-vote." Abstentions and broker non-votes will be counted for purposes of determining whether a quorum is present at the Annual Meeting.

Abstentions and broker non-votes will not count as votes cast in the election of directors or in the vote on ratifying the Audit Committee's selection of independent auditors. Therefore, abstentions and broker non-votes will have no effect on the voting on these matters at the meeting.

**Discretionary voting by proxies on other matters.** Aside from the election of directors and the ratification of the Audit Committee's selection of independent auditors, we do not know of any other proposal that may be presented at the 2007 Annual Meeting. However, if another matter is properly presented at the meeting, the persons named in the accompanying proxy card will exercise their discretion in voting on the matter.

**How you may revoke your proxy.** You may revoke the authority granted by your executed proxy card at any time before we exercise it by notifying our Corporate Secretary in writing, by executing a new proxy card bearing a later date and delivering the new executed proxy card to our Corporate Secretary, or by voting in person at the Annual Meeting.

**Expenses of solicitation.** We will bear all costs of soliciting proxies. We will request that brokers, custodians and fiduciaries forward proxy soliciting material to the beneficial owners of stock held in their names, for which we will reimburse their out-of-pocket expenses. In addition to solicitations by mail, our directors, officers and employees, without additional remuneration, may solicit proxies by telephone and/or personal interviews.

**Shareholders sharing the same surname and address.** In some cases, shareholders holding their shares in a brokerage or bank account who share the same surname and address and have not given contrary instructions are receiving only one copy of our annual report and proxy statement. This practice is designed to reduce duplicate mailings and save significant printing and postage costs as well as natural resources. If you would like to have additional copies of our annual report and/or proxy statement sent to you, please call or write us at our principal executive offices, Attention: Corporate Secretary, 900 Bedford Street, Stamford, Connecticut 06901, (203) 324-7500. If you want to receive separate copies of the proxy statement or annual report to shareholders in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other nominee record holder.

Patriot National Bancorp, Inc. is the bank holding company for Patriot National Bank, or the Bank. A copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2006 is being sent with this proxy statement.

**PROPOSAL 1**

**ELECTION OF DIRECTORS**

**Directors; Nominees**

The Board of Directors has fixed the number of directors for 2007 at nine. Under our certificate of incorporation, each director is elected annually by the shareholders and holds office until the next Annual Meeting of shareholders and until his or her successor is elected and qualified, or until his or her earlier resignation, death or removal. In the election of directors, you may elect to cumulate your vote. Cumulative voting means that each share of common stock is entitled to one vote multiplied by the number of directors to be elected. All votes may be cumulated and cast for a single nominee or votes may be distributed among two or more nominees in the manner selected by the shareholder. If a shareholder submits a signed proxy with no further instructions, the persons named in the proxy will distribute the votes among the nominees in his or her discretion. The nine nominees who receive the largest number of votes will be elected as directors. The nine nominees for director are currently serving as directors of Patriot and the Bank. Each nominee has consented to being named in this proxy statement and to serve if elected. If for any reason a nominee should become unavailable for election prior to the Annual Meeting, the proxies may vote for the election of a substitute. We do not presently expect that any of the nominees will be unavailable.

**Vote Required**

Under cumulative voting for directors, the nine nominees receiving the largest number of votes will be elected as directors. Abstention and broker non-votes are not considered votes cast and will not affect the outcome of the vote.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE NINE NOMINEES SET FORTH BELOW.**

**Biographical Information**

The following table contains biographical information about the nominees for election as directors. Information about the number of shares of common stock beneficially owned by each nominee, directly or indirectly, as of April 30, 2007, appears below under "Security Ownership of Certain Beneficial Owners and Management."

There is no arrangement or understanding between any director and any other person or persons pursuant to which such director was or is to be selected as a director or nominee. There is no family relationship between any director and any of our executive officers. Each of the nominees has held the principal occupation listed for the past five years, except as set forth below.

## **CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS**

Our business and affairs are managed under the direction of the Board of Directors in accordance with the Connecticut Business Corporation Act and our certificate of incorporation and bylaws. Members of the Board are kept informed of our business through discussions with the Chairman and Chief Executive Officer and other officers, by reviewing materials provided to them, and by participating in meetings of the Board and its committees. Our corporate governance practices are summarized below.

During 2006, our Board of Directors met 12 times. During 2006, each of our directors attended at least 75% of the meetings of our Board of Directors and at least 75% of the meetings of the committees of the Board on which each director served.

### **Director Attendance at Annual Meetings**

We have a policy encouraging attendance by members of the Board of Directors at our Annual Meetings of shareholders. All of our directors attended the 2006 Annual Meeting of Shareholders.

### **Independence of Board of Directors and Members of Its Committees**

The Board of Directors has a policy that requires a majority of the directors to be independent within the meaning of applicable laws and regulations and the listing standards of the NASDAQ Global Market. The Board of Directors has affirmatively determined that the following nominees for election as directors at the Annual Meeting, constituting a majority of the nominees, are independent: John J. Ferguson, Brian A. Fitzgerald, John A. Geoghegan, L. Morris Glucksman and Michael F. Intrieri. The Board of Directors has also affirmatively determined that the Audit Committee is comprised entirely of independent directors within the meaning of applicable laws and regulations, the listing standards of the NASDAQ Global Market and our corporate guidelines set forth in the Audit Committee Charter.

### **Independence Standards**

The Board of Directors examines the independence of the directors annually. For a director to be considered independent, the Board must determine that the director does not have any relationship with Patriot or any of our affiliates, either directly or as a partner, shareholder or officer of an organization that has such a relationship which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

A director will not be considered independent if, among other things, the director has:

- Been employed by the Bank or its affiliates at any time in the current year or during the past three years.
- Accepted any payments from the Bank or its affiliates in excess of \$60,000 during any period of twelve consecutive months within the preceding three years (except for Board services, retirement plan benefits, non-discretionary compensation or loans made by the Bank in accordance with applicable banking regulations).
- An immediate family member who is, or has been in the past three years, employed by the Bank or its affiliates as an executive officer.
- Been a partner, controlling shareholder or an executive officer of any “for profit” business to which the Bank made or from which it received, payments (other than those which arise solely from investments in the Bank’s securities) that exceed five percent of the entity’s or the Bank’s consolidated gross revenues for that year, or \$200,000, whichever is more, in any of the preceding three years.
- Been employed as an executive officer of another entity where any of the Bank’s executive officers serve on that entity’s compensation committee.

### **Committees of the Board of Directors**

The members of the Boards of Directors of Patriot and the Bank devote time and talent to certain standing and *ad hoc* committees of Patriot and the Bank. Among these committees are the Audit Committee, Compensation Committee, Executive Committee and the Nominating and Governance Committee of Patriot’s Board of Directors; and the Asset and Liability Committee, Loan Committee and Personnel Committee of the Bank’s Board of Directors. The principal functions and members of each committee are described below.

The functions of the Audit Committee include (i) reviewing and recommending policies regarding internal audit and credit review, (ii) establishing and implementing policies to comply with applicable regulations, (iii) causing suitable audits to be made by auditors engaged by the Audit Committee on our behalf, and (iv) pre-approving all audit services and permitted non-audit services provided by the auditors. The Audit Committee or its Chairman also discusses with the independent auditors the auditors’ review of our unaudited quarterly financial statements. The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is attached as Appendix A. The members of the Audit Committee are Messrs. Ferguson, Fitzgerald and Intrieri, each of whom is an independent director as defined by NASDAQ rules. The Board has determined that Mr. Fitzgerald has the professional experience necessary to qualify as an audit committee financial expert under SEC rules. During 2006, the Audit Committee met six times. The Report of the Audit Committee for the year ended December 31, 2006 is set forth below on page 31.

The Compensation Committee determines executive compensation. The members of the Compensation Committee are Messrs. Ferguson, Fitzgerald, Geoghegan, Glucksman and Intrieri. Each of the committee members is an independent director in accordance with NASDAQ requirements. During 2006, the Compensation Committee met three times.

The Executive Committee exercises, if needed and when the Board of Directors is not in session, all powers of the Board of Directors that may lawfully be delegated. The members of the Executive Committee are Messrs. De Caro, Ferguson, Geoghegan, Glucksman and Howell. During 2006, Patriot's Executive Committee did not meet.

The principal function of the Nominating and Governance Committee is to consider and recommend to the full Board of Directors nominees for directors of Patriot and the Bank. The committee is also responsible for reporting and recommending from time to time to the Board matters relative to corporate governance. The members of the Nominating Committee are Messrs. Ferguson, Glucksman and Intrieri. Each committee member is independent in accordance with NASDAQ requirements. During 2006, the Nominating Committee met once.

The functions of the Personnel Committee include reviewing and recommending policies with respect to a comprehensive personnel policy, staffing requirements, personnel compensation and benefits issues and performance review of certain identified officer positions. The Personnel Committee also reviews management's implementation of established policies and personnel compliance issues. The members of the Personnel Committee are currently Messrs. De Caro, Fitzgerald, Geoghegan, Glucksman, Howell, Intrieri, O'Connell and Wolford. During 2006, the Personnel Committee met once.

The Asset and Liability Committee ensures adherence to the investment policies of the Bank, recommends amendments thereto, exercises authority regarding investments and liquidity, and exercises, when the Bank's Board of Directors is not in session, all other powers of the Board of Directors regarding investment activities that may lawfully be delegated. The members of the Asset and Liability Committee are Messrs. De Caro, Fitzgerald, Geoghegan, Glucksman, Howell, O'Connell and Wolford. During 2006, the Asset and Liability Committee met five times.

The Loan Committee examines, reviews and approves loans, reviews and approves loan policies, establishes appropriate levels of credit risk, and exercises, when the Bank's Board of Directors is not in session, all other powers of the Board of Directors regarding extensions of credit that may lawfully be delegated. The members of the Loan Committee are Messrs. De Caro, Fitzgerald, Howell, Intrieri, O'Connell and Wolford. During 2006, the Loan Committee met 39 times.

### **Nomination Process**

The process of reviewing and making recommendations for nominations and appointments to the Board of Directors is the responsibility of the Nominating and Governance Committee. Our directors have a critical role in guiding our strategic direction and in overseeing management. The Nominating Committee will consider candidates for the Board based upon

several criteria, including their broad-based business and professional skills and experiences, concern for the long-term interests of shareholders, and personal integrity and judgment. Candidates should have reputations, both personal and professional, consistent with our image and reputation. Directors must have time available to devote to Board activities and to enhance their knowledge of the banking industry. Accordingly, the Board of Directors seeks to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to Patriot, and who are expected to contribute to an effective Board.

The Nominating Committee utilizes the following process for identifying and evaluating nominees to the Board. In the case of incumbent directors, each year the Board of Directors informally reviews each director's overall service to Patriot during his term, including the number of meetings attended, level of participation and quality of performance. In the case of new director candidates, the committee may solicit from existing directors the names of potential candidates who meet the criteria above, the committee may discuss candidates suggested by our shareholders and, if deemed appropriate by the Board of Directors, or the committee may engage a professional search firm. To date, the Nominating Committee has not engaged a professional search firm to identify or evaluate potential nominees, but it retains the right to do so in the future, if necessary. The Nominating Committee meets to discuss and consider these candidates' qualifications and then chooses new candidates by majority vote. Each of the nominees for director listed above were recommended by the Nominating Committee in 2007. A copy of the Nominating Committee Charter was included with Patriot's proxy statement dated May 6, 2005.

### **Shareholder Nominations**

Under our by-laws, nominations for directors may be made by any shareholder of any outstanding class of our capital stock who delivers notice, along with the additional information and materials required by our certificate of incorporation, to our Chief Executive Officer not fewer than 14 days and not more than 50 days before the Annual Meeting. Shareholders may obtain a copy of our certificate of incorporation and by-laws by writing to our Corporate Secretary, 900 Bedford Street, Stamford, Connecticut 06901.

To be considered, the shareholder's nomination must contain: (i) the name and address of each proposed nominee; (ii) the principal occupation of each proposed nominee; (iii) the total number of shares of capital stock of the Corporation that will be voted for each proposed nominee; (iv) the name and residence address of the notifying shareholder; and (v) the number of shares of capital stock of Patriot owned by the notifying shareholder. In addition, the nomination should include any other information relating to the proposed nominee required to be included in a proxy statement filed pursuant to the proxy rules of the SEC and the nominee's written consent to serve as a director if elected.

### **Communications with the Board**

Interested parties, including shareholders, wishing to communicate directly with the Board or any independent directors should send written communications to Angelo De Caro, Chairman and Chief Executive Officer, Patriot National Bancorp, Inc., 900 Bedford Street, Stamford, Connecticut 06901. Each communication will be reviewed by Mr. De Caro who will make appropriate recommendations to the Board of Directors, which may include discussing the

10

matter raised with the Board as a whole, with only the independent directors, and/or with other members of the senior management team. We believe that this procedure allows the Board to be responsive to shareholder communications in a timely and appropriate manner.

### **Code of Conduct**

Each of our Chief Executive Officer, Chief Financial Officer and Chief Accounting Officer is required to comply with the Patriot National Bancorp, Inc. Code of Conduct for Senior Executive Financial Officers adopted by our Board of Directors. The Code of Conduct was adopted to deter wrongdoing and promote honest and ethical conduct; full, fair, accurate and timely disclosure in public documents; compliance with law; prompt internal reporting of Code violations, and accountability for adherence to the Code. The Code of Conduct was filed with the Securities and Exchange Commission as an exhibit to our Annual Report on Form 10-KSB for the fiscal year ended December 31, 2004. All of our directors, officers and employees are also required to comply with a general Code of Conduct that satisfies the rules set out in Section 406(c) of the Sarbanes-Oxley Act of 2002. Shareholders may request a copy of either Code, without charge, by contacting Robert F. O'Connell, Senior Executive Vice President and Chief Financial Officer, Patriot National Bancorp, Inc., 900 Bedford Street, Stamford, Connecticut 06901 (203) 324-7500.

### **Director Compensation**

Our directors who are also executive officers do not receive compensation for service on the board of directors or any of its committees. Non-employee directors of the Bank receive \$600 for each board meeting in which they participate and \$400 for each committee meeting in which they participate. In addition, non-employee directors who serve as the chair of a committee that meets at least four times in a year receive an additional \$2,000 per year.

Non-employee directors serving on the board receive an annual award of our common stock at each year's annual meeting valued at \$10,000 based on the last reported sale price on the trading day immediately preceding the Annual Meeting. The award is prorated for directors serving for less than a full year. We paid fees totaling \$ 113,730 which includes \$24,930 in stock to non-employee directors during the fiscal year ended December 31, 2006. Directors are not paid separately for their services on the Board of both Patriot and the Bank.

**Director Compensation**

The following table details the compensation paid to each of our non-management Directors in 2006.

**SECURITY OWNERSHIP OF  
CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The table below provides certain information about beneficial ownership of our common stock as of April 30, 2007 by (i) each person, or group of affiliated persons, who is known to us to beneficially own more than five percent of our common stock; (ii) each of our directors; (iii) each of our executive officers named in the Summary Compensation Table; and (iv) all of our directors and executive officers as a group.

Except as otherwise noted, the persons or entities in this table have sole voting and investing power with respect to all shares of common stock beneficially owned by them, subject to community property laws, where applicable. ## COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Our Compensation Committee determines salaries, incentives and other compensation for our executive officers. The Compensation Committee of the Board of Directors consists of five non-employee directors. The members of the Compensation Committee currently are John A. Geoghegan (Chairman), John J. Ferguson, Brian A. Fitzgerald, L. Morris Glucksman and Michael F. Intrieri. All of the Committee members are “independent” as defined by NASDAQ listing requirements.

The Compensation Committee has reviewed and discussed with management the “Compensation Discussion and Analysis” disclosure appearing below in this Proxy Statement. Based on this review and discussion, the Compensation Committee recommended to the Board of Directors of Patriot that the Compensation Discussion and Analysis be included in Patriot’s Annual report on Form 10-K, which incorporates by reference the disclosure contained in this Proxy Statement.

April 18, 2007

### **The Compensation Committee:**

**John A. Geoghegan, Chairman**  
**John J. Ferguson**  
**Brian A. Fitzgerald**  
**L. Morris Glucksman**  
**Michael F. Intrieri**

## COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Committee of our Board of Directors determines executive compensation (other than payments or benefits that are generally available to all other employees of Patriot). The Compensation Committee considers the recommendations of Messrs. De Caro and Howell relative to all executive compensation other than their own.

### **Objectives of Patriot’s Compensation Programs**

Patriot does not pay direct cash compensation to its executive officers. However, our executive officers also serve as executive officers of the Bank and are compensated by the Bank.

Our compensation philosophy is to support our strategic goals with effective but straight forward compensation programs. We believe that simple, cash-based incentives will serve us and our shareholders best. Incentives are generally paid in cash as they reflect a “pay as you go” compensation philosophy. We do not compensate our executives with traditional perquisites such as club memberships, automobiles or travel allowances. We do not maintain a defined benefit retirement plan or an employee stock ownership plan. We have not granted stock options to our executive officers since 1999, or stock equivalent awards since 2003.

The compensation programs for executive officers are administered by the Compensation Committee and are outcome-oriented; designed to attract, retain and reward the best employees, further our growth objectives and promote shareholder value. The Committee believes it provides attractive, market based compensation programs with performance incentives aligned with shareholder's interests. The Committee believes our growth objectives will be enhanced by this strategy.

The compensation decisions for executive officers are derived after examining available survey and other peer information. However, the Committee has determined that available peer information is inadequate for Patriot's purposes for two reasons: (1) the degree to which Patriot focuses on growth is not shared with many other institutions that would otherwise potentially be peers; and (2) the scarcity of like-sized and -minded institutions in the greater New York area. The Committee does not employ a compensation consultant, but does consult publicly available compensation information and information provided by its advisors when making compensation decisions.

### **Identification of and Reward Objectives for Each Compensation Program**

Compensation paid to Patriot's executive officers in 2006 generally consisted of the following components: Base Salary, short-term cash bonuses paid pursuant to the Patriot Annual Bonus Plan, legacy vesting of long-term cash incentive payments tied to stock performance, and participation in our employee benefit plans. No stock options or other equity awards were granted to executive officers in 2006. The compensation components, described below, apply to all of the Named Executive Officers except Mr. Zavattaro. His bonus compensation as head of Retail Mortgage Brokerage is based entirely on certain annual production criteria relative to his job responsibilities.

**Base Salaries.** In determining base salaries for our executive officers, the Committee attempts to ensure that base salaries are competitive with New York area financial institutions that we consider to be alternative places of employment for our executive officers. All of the Named Executive Officers receive a base salary, except Mr. Zavattaro who receives a guaranteed draw against commissions.

**Short Term Bonuses.** Bonus compensation for executive officers generally consists of cash awards from Patriot's Annual Cash Bonus Plan ("PACBP"). The PACBP provides for cash bonuses based solely on performance. Reward objectives are based on Patriot's annual "profit" for the year.

**Long Term Cash Incentives.** Patriot does not currently compensate its executives with long-term awards, equity or non-equity. Certain of the executives received in 2006 compensation made under discontinued long-term incentive programs. The current philosophy is to provide incentives on a short-term, "pay as you go" basis.

### **Patriot's Reasons for Choosing to Pay Each Compensation Element**

The Compensation Committee believes that it is necessary to offer executive officers Base Salary and short term bonuses to attract and retain talented individuals committed to creating long-term franchise and shareholder value. The Compensation Committee believes that the compensation program it has developed is consistent with Patriot's strategic objective to grow its franchise and to attract and retain talented and committed executive officers.

### **Patriot's Determinations of Amounts of Compensation Paid to Executives**

The Compensation Committee considers, determines and approves the mix of Base Salary and short term bonuses payable to the executive officers, and the production compensation payable to Mr. Zavattaro. The Committee evaluates the performance of the executive officers relative to the PACBP, and makes awards based on job responsibilities and expectations. The Committee additionally takes into account the evaluation of the performance of executive officers from Messrs. De Caro and Howell. The Compensation Committee reviews, but is not conclusively influenced by, available "peer" and survey data in making these determinations.

The Compensation Committee meets at least annually to review and approve the compensation of the executive officers. The decisions made by the Compensation Committee as to executive compensation are discretionary. However, a written performance review is prepared and includes an assessment of performance against certain goals.

### **Descriptions of Each Element of Compensation**

#### ***Base Salary***

In 2006, each executive officer received an annual base salary estimated by the Committee to be competitive with base salaries for comparable positions at financial institutions similar in size, locale and profile. The actual annual base salary for each officer was not determined using a formula or based on a certain percentage of peer medians, but was determined based on each individual's particular experience, talents, and responsibilities, with consideration of the executive officer's specific responsibilities relative to our business objectives. The Committee reviews annual base salaries during the fourth quarter of each year, and the Committee increased annual base salaries in 2006 principally in line with peer institutions

#### ***Patriot's Annual Cash Bonus Plan***

The philosophy of the Committee in administering the PACBP is rooted in a "profit sharing" concept in which designated officers, including our executive officers, participate. Each officer is assigned a number of points by the Board of Directors or its Personnel Committee. The points assigned to each officer are converted into a percentage of the total points assigned to all officers, which percentage is applied to the available "profit" at year end. For these purposes, "profit" is defined as the GAAP equivalent of pre-tax net income.

annual cash bonus is determined strictly by application of this formula. All of our Named Executive Officers participate in the PACBP except Mr. Zavattaro.

### ***Long Term Cash Incentives***

The Named Executive Officers other than Mr. De Caro and Mr. Zavattaro were awarded long term cash incentives of varying kinds in prior years. Those programs have been discontinued. Mr. Howell has received cash based stock appreciation rights and restricted stock. Messrs. Noble, O'Connell and Wolford have received cash based stock appreciation rights. Mr. Wolford also received stock options in 1999 when the Bank reorganized into a holding company structure. The restricted stock rights and stock appreciation rights vest over varying terms of years. They are designed to retain and motivate our executive officers. They are also designed to align the financial interests of our executives with those of our shareholders. The awards are all fully deductible by us for income tax purposes upon exercise or vesting. We also previously provided stock-based, long-term incentive compensation to certain executives in the form of options to purchase common stock and restricted stock awards. Our current compensation philosophy does not include the award of stock options or equivalents.

### ***Other***

In addition to the compensation paid to executive officers as described above, executive officers received, along with, and on the same terms as, other employees, certain benefits pursuant to our 401(k) Plan.

### **Additional Executive Officer Compensation Considerations**

The Compensation Committee generally does not adjust salaries for executive officers during the year, unless it does so to recognize a change in job responsibility or other unforeseen condition. Similarly, the Compensation Committee generally does not adjust targets under the PACBP during the year, provided it may adjust targets in response to tax or accounting changes or adjustments during the year.

The Compensation Committee considers the views and recommendations of Messrs. De Caro and Howell with regard to compensation of the other executive officers. The Compensation Committee itself makes all decisions on executive officer compensation.

We have entered into employment agreements with Mr. Howell and Mr. Zavattaro, and change of control agreements with each of Messrs. De Caro, Howell, O'Connell, Noble and Wolford. Mr. Howell's employment agreement was entered into effective January 1, 2007 following the December 31, 2006 expiration of his prior, three year agreement. We entered into a change of control agreement with Mr. De Caro in recognition of the importance to us of his continued strategic leadership. We entered into, or enhanced the benefits from, change of control agreements with other executive officers in recognition of their continued importance to us and their increased responsibilities as a consequence of our significant growth. Each change of control agreement contains "single trigger" provisions. This means that the officer is entitled to change of control compensation if there is a change of control of Patriot, even if the officer is offered comparable employment with and/or remains in the employ of a successor to Patriot.

These provisions are described elsewhere in this Proxy Statement. The Committee believes the single trigger provisions are appropriate given our publicly articulated strategy to grow as an independent company and thereby increase shareholder value, for the foreseeable future. Each agreement contains a six month non-competition provision that would be effective if any change of control payments are made.

The Compensation Committee considers the effects of tax and accounting treatments when it determines executive compensation. For example, in 1993, the Internal Revenue Code was amended to disallow publicly traded companies from receiving a tax deduction on compensation paid to executive officers in excess of \$1 million (Section 162(m) of the Code), unless, among other things, the compensation meets the requirements for performance-based compensation. In structuring Patriot's compensation programs and in determining executive compensation, the Committee takes into consideration the deductibility limit for compensation. The Committee reserves the right, however, in the exercise of its business judgment, to establish appropriate compensation levels for executive officers that may exceed the limits on tax deductibility established under Section 162(m) of the Code. Also, payments under the change of control agreements for the Named Executive Officers are capped based on Section 280G of the Code. If the proposed payments under the agreements would exceed the Section 280G limit on such payments and thereby would impose an excise tax on the officer, the payments would be reduced to an amount that would avoid such additional tax.

## **COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS**

### **Annual Compensation**

The following Summary Compensation Table sets forth certain information with respect to the compensation of our principal executive officer, principal financial officer and three most highly compensated executive officers during 2006. Each individual listed in the table below may be referred to as a Named Executive Officer or NEO. The material terms of each officer's employment agreements are disclosed below following the Summary Compensation Table. No options or other equity-based awards were made, repriced or otherwise modified during 2006 for the Named Executive Officers. The percentage of salary and cash bonus payments to total compensation for all NEO's in 2006 is high. This is typical for Patriot as its straight forward executive compensation program emphasizes cash salary and incentives as the principal compensation components for executives.

#### ***Employment and Change of Control Agreements***

Patriot and the Bank entered into a three-year employment agreement with Charles F. Howell, effective January 1, 2007, pursuant to which Mr. Howell serves as President and Chief Executive Officer of the Bank and as President of Patriot until December 31, 2009. Mr. Howell's base salary is \$275,000 for the first year, \$290,000 for the second year and \$310,000 for the third year. Mr. Howell is entitled to receive annual discretionary cash bonuses in amounts to be determined by the board of directors.

If Mr. Howell's employment is terminated for cause (as defined in the agreement) or because of his death or disability, all unvested restricted stock awards and options will be forfeited. Mr. Howell was issued stock grants under an earlier employment agreement and may participate in future option grants if made by us. In the event that Mr. Howell's employment terminates for any other reason, including termination following a change of control (as defined in the agreement), all restricted stock awards and options will vest immediately.

In the event of the early termination of the agreement with Mr. Howell for any reason other than cause, he would be entitled to receive a lump sum payment equal to the greater of the aggregate salary payments that would be made to him for the remaining term of the agreement or 18 months of his stipulated base salary at the time of termination.

Patriot and the Bank entered into an employment agreement with Robert F. O'Connell, dated November 3, 2003, pursuant to which Mr. O'Connell serves as Chief Financial Officer and Senior Executive Vice President of the Bank until December 31, 2007. Mr. O'Connell's base salary is currently \$220,000, and is subject to review and increase by the board of directors each year. If Mr. O'Connell's employment terminates without cause (as defined in the agreement), Mr. O'Connell would be entitled to a lump sum payment equal to the aggregate salary payments (based on the rate then in effect) for the balance of the employment period.

The Bank entered into an employment agreement, dated January 1, 2007, with Marcus Zavattaro pursuant to which Mr. Zavattaro serves as Executive Vice President of the Bank, Sales Manager of Retail Brokerage until December 31, 2007. Mr. Zavattaro is entitled to receive guaranteed draws against commissions of \$180,000 plus commissions depending upon his production as described in the agreement as well as additional compensation based upon the revenue generated by his direct reports.

Patriot and/or the Bank has also entered into substantially similar change of control agreements with Messrs. De Caro, Howell, O'Connell, Noble and Philip W. Wolford, the Bank's Chief Operating Officer. The Change of Control Agreements provide that in the event of a Change of Control, as defined in the Agreements, Mr. De Caro, Mr. Howell and Mr. O'Connell

may receive lump sum cash payments equal to 2.5 times the greater of their annual salary or compensation, as applicable, and Mr. Noble and Mr. Wolford may receive payments equal to two times the greater of their annual salary or compensation. Payments under each of the agreements is capped so as not to exceed the limits of Section 280G of the Internal Revenue Code. The exercise of rights under a change of control agreement by any executive officer will not result in adverse tax consequences to us under Section 280G of the Internal Revenue Code of 1986, as amended.

### Potential Payments Upon Termination or Change in Control

Patriot and/or the Bank has entered into certain agreements and maintains certain plans that will require the payment of compensation to Named Executive Officers in the event of a termination of employment or a change in control of Patriot. Those agreements are described above under the caption "Employment and Change in Control Agreements." The amount of compensation payable to each Named Executive Officer in each situation is listed in the tables below. The disclosures assume a payment event having occurred on December 31, 2006 as if the January 1, 2007 agreements described above had been in effect on that date.

Code. The 401(k) Plan permits the Bank to make discretionary matching and additional discretionary contributions to the 401(k) Plan. Participants in the 401(k) Plan may direct the investment of their accounts in several types of investment funds.

Participants are always 100% vested in their elective deferrals, matching and discretionary matching contributions and related earnings under the 401(k) Plan. Participants become vested in any discretionary contributions and related earnings in 50% increments, beginning with the completion of one year of service and ending with the completion of two years of service. Participants also become 100% vested in any discretionary contributions and related earnings upon the attainment of normal retirement age (age 65). Participants are permitted to receive a distribution from the 401(k) Plan only in the form of a lump sum payment.

### **2001 Stock Appreciation Rights Plan**

In 2001, we adopted the Patriot National Bancorp, Inc. 2001 Stock Appreciation Rights Plan. Under the terms of the plan, we may grant stock appreciation rights, or SARs, to our officers that entitle them to receive upon exercise, in cash or shares of common stock, the appreciation in the value of the common stock from the date of grant. Each award vests at the rate of 20% per year from the date of grant. Any unexercised rights will expire ten years from the date of grant. As of December 31, 2006, there were 12,000 SARs issued and outstanding.

Subject to the terms of the plan, the Board of Directors may grant an SAR to any eligible participant. An SAR entitles the participant to surrender to Patriot any then exercisable portion of the SAR in exchange for that number of shares of common stock having an aggregate fair market value on the date of surrender equal to the product of (a) the excess of the fair market value of a share of common stock on the date of surrender over the exercise price established by the Board, which shall not be less than the fair market value of a share of common stock on the date the SAR was granted, and (b) the number of shares of common stock subject to such SAR. In lieu of payment in shares of common stock, payment may be made in cash or partly in shares and partly in cash, as determined by the Board.

Our current compensation philosophy does not include the awarding of SARs.

### **Stock Option Plan**

In connection with our holding company reorganization in 1999, we adopted the Bank's stock option plan. Under this plan, an aggregate of 110,000 shares were available for issuance thereunder, all of which have been awarded. As of December 31, 2006, options to purchase 65,000 shares remained unexercised. There are no shares available for future grant under this plan.

### **Relative to Both Stock Plans:**

*Effect of a Change in Control.* In the event of a change in control, each outstanding ISO, stock option and SAR will become fully vested and, in the case of vested stock options and SARs will become immediately exercisable.

**Stock Options.** There are generally no federal income tax consequences either to the optionee or to us upon the grant of an option. On the exercise of an incentive stock option (“ISO”) during employment or within three months thereafter, the optionee will not recognize any income and we will not be entitled to a deduction, although the excess of the fair market value of the shares on the date of exercise over the option price is includible in the optionee’s alternative minimum taxable income, which may give rise to alternative minimum tax liability for the optionee. Generally, if the optionee disposes of shares acquired upon exercise of an ISO within two years of the date of grant or one year of the date of exercise, the optionee will recognize ordinary income, and we will be entitled to a deduction, equal to the excess of the fair market value of the shares on the date of exercise over the option price (limited generally to the gain on the sale). The balance of any gain or loss will be treated as a capital gain or loss to the optionee. If the shares are disposed of after the two-year and one-year periods mentioned above, we will not be entitled to any deduction, and the entire gain or loss for the optionee will be treated as a capital gain or loss.

On exercise of a non-qualified stock option (“NQSO”), the excess of the date-of-exercise fair market value of the shares acquired over the option price will generally be taxable to the optionee as ordinary income and deductible by us, if we properly withhold taxes in respect of the exercise. The disposition of shares acquired upon the exercise of a NQSO will generally result in a capital gain or loss for the optionee, but will have no tax consequences for us.

**Restricted Stock.** A participant who has been awarded restricted stock under the plan and does not make an election under Section 83(b) of the Internal Revenue Code will not recognize taxable income at the time of the award. At the time any transfer or forfeiture restrictions applicable to the restricted stock lapse, the recipient will recognize ordinary income and we will be entitled to a corresponding deduction equal to the fair market value of the stock at such time. Any dividend paid to the recipient on the restricted stock at or prior to such time will be ordinary compensation income to the recipient and deductible as such by us.

The Board may prohibit participants from making an election under Section 83(b) of the Code. If a participant is permitted to make such an election and does so, he or she will recognize ordinary income at the time of the award and we will be entitled to a corresponding deduction equal to the fair market value of the stock at such time. Any dividends subsequently paid to the recipient on the restricted stock will be dividend income to the recipient and not deductible by us. If the recipient makes a Section 83(b) election, there are no federal income tax consequences either to the recipient or us at the time any applicable transfer or forfeiture restrictions lapse.

Generally, an employee will not recognize any taxable income upon the grant of an SAR. At the time the employee receives the common stock or cash for the SAR, the fair market value of shares of common stock or the amount of any cash received generally is taxable to the employee as ordinary income, taxable as compensation. Subject to the discussion under “Certain Tax Code Limitations on Deductibility” below, we will be entitled to a deduction for federal income tax purposes at the same time and in the same amount that an employee recognizes ordinary income from SARs under the Plan.

**Certain Tax Code Limitations on Deductibility.** Section 162(m) of the Code generally limits the deduction for certain compensation in excess of \$1 million per year paid by a publicly-traded corporation to its chief executive officer and the four other most highly compensated executive officers. Certain types of compensation, including compensation based on performance goals, are excluded from the Section 162(m) deduction limitation if certain requirements are satisfied.

**Requirements Regarding “Deferred Compensation.”** Certain awards under the plan may constitute “deferred compensation” within the meaning of Section 409A of the Code, a recently enacted provision governing “non-qualified deferred compensation plans.” Failure to comply with the requirements of the provisions of the Code regarding participant deferral elections and the timing of payment distributions could result in the affected participants being required to recognize ordinary income for tax purposes earlier than the times otherwise applicable as described in the above discussion and to pay substantial penalties.

**Pension Benefits**

Patriot does not maintain a defined benefit pension plan, or any supplemental executive retirement plans.

**Retirement Plan****Non-Qualified Deferred Compensation**

Patriot does not maintain any defined contribution or other plan that provides for the deferral of compensation on a basis that is not tax-qualified.

**Transactions with Management and Others**

In the ordinary course of business, the Bank has made loans to officers and directors (including loans to members of their immediate families and loans to companies of which a director owns 10% or more). The total amount of loans to officers and directors outstanding as of December 31, 2006 was \$51,181. In the opinion of management, all of such loans were made in the ordinary course of business of the Bank on substantially the same terms, including interest rates and collateral requirements, as those then prevailing for comparable transactions with other persons and do not involve more than the normal risk of collectibility or present other unfavorable features.

We have entered into two lease agreements with one of our directors, L. Morris Glucksman, Esq., pursuant to which Mr. Glucksman leases from us approximately 1,100 square feet of space in the building at 900 Bedford Street and 150 square feet of space in our building at 838 High Ridge Road, each at per square foot rental rates not to exceed the rental rates paid by us from time to time. The Bedford Street lease has expired but Mr. Glucksman continues to occupy the space on a month-to-month basis at the same rent. The High Ridge Road agreement is revocable at any time.

We have entered into a 10 year lease agreement with Michael J. Intrieri and Jason Intrieri, the sons of our director, Dr. Michael Intrieri, for a small parking lot located near our main office at 47-49 Hoyt Street, Stamford Connecticut. Payments over the 10 year term begin at \$21,000 per year and increase to \$24,000 per year. From time to time, we may have employees who are related to our directors or executive officers. Dr. Intrieri's adult son, Michael J. Intrieri, is employed by us in a non-executive officer position.

Information about transactions involving related persons is assessed by our independent directors. Related persons include our directors and executive officers as well as immediate family members of directors and officers. If the independent directors approve or ratify a material transaction involving a related person, then the transaction would be disclosed in accordance with the SEC rules. If the related person is a director, or a family member of a director, then that director would not participate in those discussions.

**REPORT OF THE AUDIT COMMITTEE**

The Audit Committee operates pursuant to a written charter, as amended by the Board of Directors on April 18, 2007, a copy of which is attached as Appendix A to this proxy statement.

The Board of Directors, in its business judgment, has determined that each member of the Audit Committee is independent, as required by the applicable listing standards of The Nasdaq Stock Market, Inc. The Board of Directors has determined that Mr. Fitzgerald has the professional experience necessary to qualify as an audit committee financial expert within the meaning of the rules of the Securities and Exchange Commission.

In performing its function, the Audit Committee has:

- Reviewed and discussed our audited financial statements as of and for the year ended December 31, 2006 with management and with McGladrey & Pullen, LLP, our independent auditors for 2006;
- Discussed with our independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as currently in effect; and
- Received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as currently in effect, and has discussed with the independent auditors the independent auditors' independence. The Audit Committee has considered whether the provision of non-audit services by the independent auditors to us is compatible with maintaining the auditors' independence and has discussed with McGladrey & Pullen, LLP their independence.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that our audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the Securities and Exchange Commission.

During 2006, the audit services included an audit of our consolidated financial statements and a review of certain filings with the Securities and Exchange Commission. All professional services rendered by McGladrey & Pullen, LLP during 2006 were furnished at customary rates and terms.

### **Internal Audit Function**

Internal auditors play an important role in the financial reporting process. To be most effective, the internal audit department should have the support of both management and the Board of Directors (through its Audit Committee).
