PROXY STATEMENT  
FOR THE ANNUAL MEETING OF SHAREHOLDERS  
TO BE HELD MAY 20, 2010

---

This proxy statement is furnished to shareholders of Eagle Bulk Shipping Inc. (“Eagle Bulk Shipping” or the “Company”) in connection with the solicitation of proxies, in the accompanying form, by the Board of Directors of Eagle Bulk Shipping (the “Board of Directors”) for use in voting at the Annual Meeting of Shareholders (the “Annual Meeting”) to be held at the offices of Seward & Kissel LLP, 20th Floor, One Battery Park Plaza, New York, New York 10004, on Thursday, May 20, 2010, at 10:00 a.m., local time, and at any adjournment or postponement thereof.

This proxy statement is first available to shareholders at <http://materials.proxyvote.com/y2187A> on or about April 6, 2010.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Why did I receive a notice in the mail regarding the Internet availability of proxy materials this year instead of a full set of proxy materials?

Pursuant to the rules of the Securities and Exchange Commission, we have elected to provide access to our proxy materials over the Internet. We also believe that by electing to provide access to our proxy materials over the Internet, we will reduce the amount of natural resources used in connection with our proxy materials and our Annual Meeting. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the “Notice”) to our shareholders of record and beneficial owners. All shareholders will have the ability to access the proxy materials on a website referred to in the Notice or request to receive a printed set of the proxy materials, at no charge. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found on the Notice. In addition, shareholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis by following the instructions on the website referred to in the Notice. Shareholders who have already requested to receive paper copies of our proxy materials will receive a full set of our proxy materials, including our proxy card, in the mail and will not receive the Notice.

Why didn't I receive a notice of Internet availability of proxy materials in the mail?

We are providing a Notice of Internet Availability of Proxy Materials by e-mail to those shareowners who have previously elected delivery of the proxy materials electronically. Those shareowners should have received an e-mail containing a link to the website where those materials are available and a link to the proxy voting website.

Why am I receiving these materials?

Our Board of Directors has made these materials available to you on the Internet, or, upon your request, we will deliver printed versions of these materials to you by mail, in connection with the Board of Directors' solicitation of proxies for use at our 2010 Annual Meeting. You are invited to attend the Annual Meeting and are requested to vote on the proposals described in this proxy statement.

What is included in these materials?

These materials include:

1

---

- Our proxy statement for the 2010 Annual Meeting; and
- Our 2009 Annual Report to Shareholders, which includes our audited consolidated financial statements.

If you request printed versions of these materials by mail, these materials will also include the proxy card for the 2010 Annual Meeting.

How can I get electronic access to the proxy materials?

Your Notice of Internet Availability of Proxy Materials or proxy card will contain instructions on how to:

- View our proxy materials for the 2010 Annual Meeting on the Internet; and
- Instruct us to send our future proxy materials to you electronically by e-mail.

What is the purpose of the Annual Meeting?

At the Annual Meeting, shareholders will be asked to consider and vote upon the following matters:

- Election of three Directors to hold office until the 2013 Annual Meeting of Shareholders; and
- Ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the Company's fiscal year 2010.

Shareholders will also be asked to consider and vote at the Annual Meeting on any other matter that may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting. At this time, the Company's Board of Directors is unaware of any matters, other than those set forth above, that may properly come before the Annual Meeting.

Who is entitled to vote at the Annual Meeting?

The Board of Directors has fixed the close of business on March 25, 2010, as the record date (the "Record Date") for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. Only shareholders of record at the close of business on that date will be entitled to vote at the Annual Meeting or any adjournments or postponements thereof. As of the Record Date, Eagle Bulk Shipping had issued and outstanding 62,126,665 shares of common stock.

How Many Votes Do I Have?

Each common share outstanding on the Record Date will be entitled to one vote on each matter submitted to a vote of the shareholders, including the election of Directors. Cumulative voting by shareholders is not permitted.

What are the Board of Directors' voting recommendations?

The Board of Directors recommends that you vote "FOR" the nominees of the Board of Directors in the election of Directors, and "FOR" ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2010.

How can I vote my shares?

You can vote either in person at the Annual Meeting or by proxy whether or not you attend the Annual Meeting. You can vote by proxy as follows:

by mail – If you requested to receive paper copies of our proxy materials by mail, you may submit your proxy by mail by signing your proxy card that is included on the paper proxy materials that will be mailed to you on or around April 8, 2010, or, for shares held in street name, by following the voting instructions included by your stockbroker, trustee or nominee, and mailing it in the enclosed, postage paid envelop.

by Internet or by telephone – If you have telephone or Internet Access, you may submit your proxy by following the instructions provided in the Notice, or if you received a printed version of our proxy materials by mail, by following the instructions provided with your proxy materials and on your proxy card or voting instructions card.

How may I vote my shares in person at the Annual Meeting?

If your shares are registered directly in your name with our transfer agent, Computershare Investor Services LLC, you are considered, with respect to those shares, the shareholder of record. As the shareholder of record, you have the right to vote in person at the Annual Meeting. If your shares are held in a brokerage account or by another nominee or trustee, you are considered the beneficial owner of shares held in street name. As the beneficial owner, you are also invited to attend the Annual Meeting. Since a beneficial owner is not the shareholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a “legal proxy” from your broker, nominee, or trustee that holds your shares, giving you the right to vote the shares at the meeting.

If I am the beneficial owner of shares held in “street name” by my broker, will my broker automatically vote my shares for me?

Rules applicable to broker-dealers grant your broker discretionary authority to vote your shares without receiving your instructions on certain matters, including the ratification of the independent registered public accounting firm.

How will my voting instructions be treated?

If you provide specific voting instructions, your shares will be voted as instructed.

If you hold shares as the shareowner of record and sign and return a proxy card or vote by telephone or Internet without giving specific voting instructions, then your shares will be voted as recommended by our Board of Directors.

If you are the beneficial owner of shares held through a broker, trustee, or other nominee, and you do not give instructions to that nominee on how you want your shares voted, then generally your nominee can vote your shares on certain “routine” matters. At our Annual Meeting, only Proposal 2 is considered routine, which means that your broker, trustee, or other nominee can vote your shares on Proposal 2 if you do not timely provide instructions to vote your shares.

If you are the beneficial owner of shares held through a broker, trustee, or other nominee, and that nominee does not have discretion to vote your shares on a particular proposal and you do not give your broker instructions on how to vote your shares, then the votes will be considered broker non-votes. A broker “non-vote” will be treated as unvoted for purposes of determining approval for the proposal and will have the effect of neither a vote for nor a vote against the proposal.

Could other matters be decided at the Annual Meeting?

At this time, we are unaware of any matters, other than as set forth above, that may properly come before the Annual Meeting. If any other matters properly come before the Annual Meeting, the persons named in the proxy, or their duly constituted substitutes acting at the Annual Meeting or any adjournment or postponement of the Annual Meeting, will be deemed authorized to vote or otherwise act on such matters in accordance with their judgment.

What do I need to bring to be admitted to the Annual Meeting?

All shareholders must present a form of personal photo identification in order to be admitted to the meeting. In addition, if your shares are held in the name of your broker, bank or other nominee and you wish to attend the Annual Meeting, you must bring an account statement or letter from the broker, bank or other nominee indicating that you were the owner of the shares on the Record Date.

How can I change my vote?

Any person signing a proxy card in the form to be mailed to you on or about April 8, 2010, has the power to revoke it prior to the Annual Meeting or at the Annual Meeting prior to the vote. A proxy may be revoked by any of the following methods:

- by writing a letter delivered to Alan S. Ginsberg, Secretary of Eagle Bulk Shipping, 477 Madison Avenue, Suite 1405, New York, New York 10022, stating that the proxy is revoked;
- by submitting another proxy with a later date; or
- by attending the Annual Meeting and voting in person.

What are the quorum and voting requirements to elect Directors and approve the other proposals described in the proxy statement?

In order to take action on the matters scheduled for a vote at the Annual Meeting, a quorum (a majority of the aggregate number of shares of the Company's common stock issued and outstanding and entitled to vote as of the record date for the Annual Meeting) must be present in person or by proxy.

A plurality of the votes cast is required for approval of Proposal No. 1, concerning the election of Directors. A majority of the votes cast by the holders of our common shares at the Annual Meeting is required for approval of Proposal No. 2, concerning the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2010.

What is an "abstention" and how would it affect the vote?

An "abstention" occurs when a shareholder sends in a proxy with explicit instructions to decline to vote regarding a particular matter (other than the election of Directors for which the choice is limited to "for" or "withhold"). Abstentions are counted as present for purposes of determining a quorum. Abstentions will not be counted as having been voted and will have no effect on the outcome of the vote on Proposal No. 1, concerning the election of Directors, or Proposal No. 2, concerning the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2010.

What is a broker "non-vote" and how would it affect the vote?

A broker non-vote occurs when a broker or other nominee who holds shares for another person does not vote on a particular proposal because that holder does not have discretionary voting power for the proposal and has not received voting instructions from the beneficial owner of the shares. Under rules applicable to broker-dealers, Proposal No. 2, concerning the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the Company's fiscal year 2010 is an item on which brokerage firms may vote in their discretion on behalf of their clients, even if such clients have not furnished voting instructions. Brokerage firms may not vote with respect to Proposal No. 1 without their clients having furnished voting instructions. There will be no broker "non-votes" on Proposal No. 2 because brokerage firms may vote in their discretion on behalf of their clients on these proposals even if such clients have not furnished voting instructions with respect to this proposal. There may be broker "non-votes" with respect to Proposal No. 1.

Who will count the votes?

The Company's proxy processor and tabulator, Broadridge Financial Solutions, Inc., will serve as proxy tabulator and count the votes. The results will be certified by the inspectors of election.

Who will conduct the proxy solicitation and how much will it cost?

We will pay the costs relating to this proxy statement, the proxy and the Annual Meeting. We may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to beneficial owners. Directors, officers and employees may also solicit proxies. They will not receive any additional pay for the solicitation.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Under the Amended and Restated Articles of Incorporation of the Company, the Board of Directors is classified into three classes of Directors. The three Directors serving in Class II have terms expiring at the 2010 Annual Meeting. Forrest E. Wylie, who currently serves as a Class II director, has informed the Board that he will not stand for re-election due to other business commitments and therefore will no longer be a member of the Board as of the date of the Annual Meeting. The Board of Directors has nominated the two current Class II Directors, Joseph M. Cianciolo, David B. Hiley, for re-election as Class II Directors, and has nominated Thomas B. Winmill for election as a Class II director, each to serve for a three-year term until the 2013 Annual Meeting of Shareholders of the Company and until his respective successor is elected and qualified or until his earlier death, resignation, retirement, disqualification or removal. Although management has no reason to believe that the nominees will not be available as candidates, should such a situation arise, proxies may be voted for the election of such other persons as the holders of the proxies may, in their discretion, determine.

Directors are elected by a plurality of the votes cast at the Annual Meeting, either in person or by proxy.

Mr. Zoullas also sits on various advisory committees within the industry, in recognition of his expertise and dedication. His significant knowledge of the technical, legal, and environmental issues affecting the shipping industry is instrumental in keeping the Board current on existing and future legal and commercial issues facing the Company.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" PROPOSAL NO. 1, THE ELECTION OF MESSRS. JOSEPH M. CIANCIOLO, DAVID B. HILEY AND THOMAS B. WINMILL AS CLASS II DIRECTORS OF THE BOARD.

## CORPORATE GOVERNANCE

### Meetings of the Board of Directors

The Board of Directors held thirteen meetings in 2009. Each Director attended at least 75% of the aggregate of the meetings of the Board of Directors and meetings held by all committees on which such Director served, during the period for which such Director served. The Board of Directors met in executive session five times during 2009.

Directors are expected to attend the Company's annual meeting of shareholders. All seven of our Directors attended our 2009 annual meeting of shareholders.

### Director Independence

The Board of Directors affirmatively determined that the following Directors, including each Director serving on the Audit Committee, the Compensation Committee and the Nominating and Governance Committee, satisfy the independence requirements of Rule 4350(c) of Nasdaq's listing standards: Joseph M. Cianciolo, Douglas P. Haensel, David B. Hiley, Jon Tomasson and Thomas B. Winmill. In addition, the Board had previously determined that Forrest E. Wylie, who will not stand for re-election as a director of the Board, satisfied the independence requirements of the Nasdaq listing standards. The Board of Directors also determined that the members of the Audit Committee satisfy the additional independence requirements of Rule 10A-3 under the Securities Exchange Act of 1934 and Nasdaq's requirements for audit committee members.

There is no family relationship between any of the nominees, continuing Directors or executive officers of the Company, except that Sophocles N. Zoullas and Alexis P. Zoullas are brothers.

### Director Terms

The Directors are divided into three classes and the Directors in each class serve for a three-year term. The term of one class of directors expires each year at the Annual Meeting of Stockholders. The Board may fill a vacancy by electing a new director to the same class as the director being replaced. The Board may also create a new director position in any class and elect a Director to hold the newly created position until the term of the class expires.

### Committees of the Board of Directors

The Board of Directors has a standing Audit Committee, Compensation Committee and Nominating and Governance Committee, the respective members and functions of which are described below. Current charters describing the nature and scope of the responsibilities of each of the Audit Committee, Compensation Committee and Nominating and Governance Committee are posted on our website at [www.eagleships.com](http://www.eagleships.com) under the headings "Investors — Corporate Governance" and are available in print upon request to Eagle Bulk Shipping Inc., 477 Madison Avenue, Suite 1405, New York, New York 10022.

### Audit Committee

The Company's Audit Committee is comprised of Joseph M. Cianciolo (Chairman), Douglas P. Haensel, and David B. Hiley, each of whom qualify as independent under the listing requirements of the Nasdaq Global Market and applicable rules of the Securities and Exchange Commission, or the SEC. The Board of Directors has determined that Joseph M. Cianciolo is an audit committee "financial expert" as such term is defined in applicable SEC rules, and that he has the requisite financial management expertise within the meaning of Nasdaq rules and regulations. As directed

by its written charter, which was adopted on June 3, 2005, and amended in November 2006, the Audit Committee is responsible for appointing and overseeing the work of the independent auditors, including reviewing and approving their engagement letter and reviewing their annual audit plan; reviewing the adequacy and effectiveness of the Company's accounting and internal control procedures; reading and discussing with management and the independent auditors the annual audited financial statements and quarterly financial statements, and preparing annually a report to be included in the Company's proxy statement. The Audit Committee held five meetings during fiscal year 2009. See the report of the Audit Committee in this Proxy Statement for additional information regarding the Audit Committee's actions in fiscal year 2009.

Compensation Committee

The Company's Compensation Committee is comprised of Jon Tomasson (Chairman), and Joseph M. Cianciolo, each of whom qualify as independent under the listing requirements of the Nasdaq Global Market. Forrest E. Wylie is serving on the Compensation Committee until the 2010 Annual Meeting, where he will not stand for re-election. Mr. Wylie qualifies as independent under the listing requirements of the Nasdaq Global Market. The Board of Directors expects to appoint an independent member of the Board to fill the vacancy on the Compensation Committee following the expiration of Mr. Wylie term. As directed by its written charter, which was approved on June 3, 2005, and amended in November 2006, the Compensation Committee administers the Company's stock option plan and other corporate benefits programs. The Compensation Committee also reviews and approves bonuses, special cash incentive awards, stock option or other equity incentive grants, compensation goals and objectives, and any employment severance or change in control agreements, and evaluates the performance of the Company's Chief Executive Officer, Company's Chief Financial Officer, and the Vice-President of Eagle Shipping International (USA) LLC and determines executive officer compensation. The Compensation Committee also reviews and approves the Board of Directors' compensation and fees and stock option or other equity incentive grants. See the Compensation Discussion & Analysis regarding additional details of the role of the Compensation Committee and our executive officers with respect to the determination and approval of executive compensation. The Compensation Committee engaged Steven Hall & Partners, an independent executive compensation consultant (the "Compensation Consultant"), as further described in more detail below. During fiscal year 2009, the Compensation Committee consulted with the Compensation Consultant and took the recommendations of the Compensation Consultant into consideration when making its decisions. The Compensation Committee held forty meetings during fiscal year 2009. See also the report of the Compensation Committee in this Proxy Statement.

#### Conflicts Committee

The Company has established a Conflicts Committee (the "Conflicts Committee") as of February 4, 2009, that is comprised of Joseph M. Cianciolo, Douglas P. Haensel and Jon Tomasson. The Conflicts Committee was established for the purpose of negotiating a management agreement dated August 4, 2009 between the Company and Delphin Shipping LLC, an entity affiliated with Sophocles Zoullas and Kelso & Company, L.P. Pursuant to the management agreement, which has been filed as an exhibit to the Company's annual report on Form 10-K for the year ending December 31, 2009, the Company will provide certain management services for vessels to be acquired by Delphin Shipping LLC and will have certain rights of first refusal over vessel acquisition and chartering opportunities presented to Delphin Shipping LLC. Pursuant to the Conflict Committee's charter adopted as of May 21, 2009, the Conflicts Committee is also responsible for evaluating and managing potential conflicts of interest arising between the Company and Delphin Shipping LLC arising out of transactions contemplated under the management agreement and ensuring Delphin Shipping LLC's compliance with the terms of the management agreement. The Conflicts Committee is comprised solely of independent members of the Board of Directors who do not have any direct or indirect interest in any investment, contract or other transaction to which Delphin Shipping LLC or Kelso & Company, L.P. are a party. The Conflicts Committee held twenty-one meetings during fiscal year 2009.

#### Nominating and Governance Committee

The Company's Nominating and Governance Committee is comprised of Douglas P. Haensel (Chairman), David B. Hiley and Jon Tomasson, each of whom qualify as independent under the listing requirements of the Nasdaq Global Market. Forrest E. Wylie is serving on the Nominating and Governance Committee until the 2010 Annual Meeting, where he will not stand for re-election. Mr. Wylie qualifies as independent under the listing requirements of the Nasdaq Global Market. The Board of Directors expects to appoint an independent member of the Board to fill the vacancy on the Nominating and Governance Committee following the expiration of Mr. Wylie term. As directed by its written charter, the Nominating and Governance Committee assists the Board of Directors in identifying qualified individuals to become members of the Board of Directors, in determining the composition of the Board of Directors and its committees, in monitoring a process to assess Board of Directors effectiveness and in developing and

implementing the Company's corporate governance guidelines. The Nominating and Governance Committee held two meetings in fiscal year 2009.

#### Nomination of Directors

Nominees for our Board of Directors will be selected by the Board of Directors based upon the recommendation of the Nominating and Governance Committee in accordance with the policies and principles set forth in the Committee's charter and our Corporate Governance Guidelines. The Nominating and Governance Committee seeks members from diverse professional and personal backgrounds who combine a broad spectrum of experience and expertise with a reputation for integrity. This assessment will include an individual's independence, as well as consideration of diversity, age, skills, necessary experience, soundness of judgment, ability to contribute to a diversity of viewpoints among board members, commitment, time and diligence to effectively discharge board responsibilities, qualifications, intelligence, education and experience to make a meaningful contribution to board deliberations. Directors should be persons of good character and thus should generally have the personal characteristics of integrity, accountability, judgment, responsibility, high performance standards, commitment and enthusiasm, and courage to express

his or her views. The Nominating and Governance Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest and independence from management and the Company.

The Nominating and Governance Committee identifies potential candidates by asking current Directors and executive officers to notify the Committee if they become aware of persons, meeting the criteria described above, who might have an interest in serving as a Director.

Shareholders may recommend qualified persons for consideration by the Nominating and Governance Committee. The Nominating and Governance Committee's evaluation process does not vary based on whether or not a candidate is recommended by a shareholder. Shareholders making a recommendation must submit the same information as that required to be included by the Company in its proxy statement with respect to nominees of the Board of Directors. The shareholder recommendation should be submitted in writing, addressed to: Alan S. Ginsberg, Secretary of Eagle Bulk Shipping Inc., 477 Madison Avenue, Suite 1405, New York, New York 10022.

#### Code of Ethics

The Company's Code of Ethics, which applies to our Directors, executive officers (our Chief Executive Officer, our Chief Financial Officer, and our Vice-President Eagle Shipping International (USA) LLC) and employees, is available on our website at [www.eagleships.com](http://www.eagleships.com), and copies are available in print upon request to Eagle Bulk Shipping Inc., 477 Madison Avenue, Suite 1405, New York, New York 10022. The Company intends to satisfy any disclosure requirements regarding any amendment to, or waiver from, a provision of this Code of Ethics by posting such information on the Company's website.

#### Communications with the Board of Directors

Shareholders and other interested parties may communicate with members of the Board of Directors, including reporting any concerns related to governance, corporate conduct, business ethics, financial practices, legal issues and accounting or audit matters in writing addressed to the Board of Directors, or any such individual Directors or group or committee of Directors by either name or title in care of: Secretary of Eagle Bulk Shipping Inc., 477 Madison Avenue, Suite 1405, New York, New York 10022.

All communications received as set forth above will be opened by the office of our Secretary for the sole purpose of determining whether the contents represent a message to our Directors. Materials that are unrelated to the duties and responsibilities of the Board of Directors, such as solicitations, resumes and other forms of job inquiries, surveys and individual customer complaints, or materials that are unduly hostile, threatening, illegal or similarly unsuitable will not be distributed, but will be made available upon request to the Board of Directors, a committee of the Board of Directors or individual Directors as appropriate, depending on the facts and circumstances outlined in the communication.

#### The Board's Leadership Structure

Sophocles Zoullas currently serves as both Chairman and Chief Executive Officer of Eagle Bulk Shipping. The Company believes that this leadership structure is in the best interests of shareholders because it promotes unified leadership, effective decision-making, and facilitates efficient execution of the Company's strategic initiatives and business plan. Additionally, because of the CEO's responsibilities for the day-to-day execution of corporate strategy and the importance of company performance in Board deliberations, we believe that our CEO is the director best qualified to serve as Chairman of the Board. The Board has also considered creating a lead independent director position on the Board of Directors, however given the size of the Company's Board of Directors, does not believe that such a position would benefit the functioning of the Board or its interaction with management. The Board also believes that there is substantial independent and effective oversight of management, including:

- Annual reviews of the performance of our Chairman and Chief Executive Officer by the independent directors on the Compensation Committee.
- Our independent directors regularly meet in executive session without the presence of management.
- The Audit Committee meets separately with the independent auditor as needed to fulfill its responsibilities under its Charter.
- We have a substantial majority of active and well-qualified independent directors, each of whom is an equal participant in Board decisions.
- Each of the Board's Committees is comprised solely of independent directors.

#### The Board's Role in Risk Oversight

The Audit Committee has primary responsibility for risk oversight on behalf of the Board. The Committee regularly discusses, on at least a quarterly basis, risk exposures that may have a material impact on the Company's financial statements, and the steps that management has taken to monitor and control such exposures. Additionally, pursuant to its Charter, the Audit Committee is responsible for discussing with management policies with respect to risk assessment and risk management. The Compensation Committee also considers the risk implications of compensation approaches before making final determinations with respect to compensation program design.

#### Executive Sessions

Consistent with our Corporate Governance Guidelines, the non-employee directors of the Board of Directors regularly hold executive sessions. The Audit Committee, in accordance with its charter, meets separately with our executives at regular intervals or as otherwise deemed appropriate throughout the year to review our financial affairs, and meets separately in sessions with the independent auditors at such times as the Committee deems appropriate to fulfill its responsibilities under the charter. The independent directors met in executive sessions four times during 2009.

#### Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee was an officer or employee of the Company or any of the Company's subsidiaries, or had any relationship requiring disclosure under SEC regulations. None of the Company's Compensation Committee members or executive officers has served on the board of directors or on the compensation committee of any other entity whose executive officers served on our Board of Directors or on our Compensation Committee.

## COMPENSATION DISCUSSION & ANALYSIS

### Compensation Objectives and Philosophy

We believe that the leadership and talents of our executive team are essential for our continued success and sustained financial performance. The primary objectives of our compensation program are to attract and retain highly qualified personnel for positions of substantial responsibility, to provide incentives for such persons to perform to the best of their abilities, to enable the Company to compete effectively in the seaborne transportation industry and to promote the success of our business. Therefore, our compensation program is designed to attract, motivate and retain executives who possess the talent, leadership and commitment needed to operate our business, create new opportunities, anticipate and effectively respond to new challenges, and make and execute difficult decisions.

The Compensation Committee believes that the Company's compensation programs should:

- Align the long-term interests of our executives with those of our shareholders;
- Reflect the market and provide competitive compensation opportunities;
- Encourage and reward achievement of the Company's annual and longer-term performance objectives;
- Differentiate pay based on individual and company performance;
- Make wise use of our equity resources to ensure compatibility between senior management and shareowner interests;
- Promote the long-term success of the Company through an appropriate balance of current and long-term compensation opportunities; and
- Mitigate unnecessary and excessive risk taking.

## Risk Assessment

The Compensation Committee does not believe that the Company's compensation objectives or policies create an incentive for excessive risk taking by our executive officers or employees. Our cash compensation structure is based on a variety of factors related to historic performance of our executive officers during the prior year with no one factor disproportionately affecting future performance and is determined by independent members of our Board of Directors comprising our Compensation Committee. In addition, the following factors of awards under our 2009 equity incentive plan limit any risk taking incentives:

- Awards are made based on a review of a variety of indicators of past performance, thus diversifying the risk associated with any single indicator of performance;
- Awards under the Company's equity incentive plan are not tied to formulas based on short-term performance outcomes and awards to executive officers under the equity incentive plan are made as interests in the Company's capital stock that vests over a multiple years, thereby aligning our executive officers' interests with long-term shareholders' interests; and
- Final award decisions are made by our Compensation Committee which consists of independent Directors.

## Overview of the Executive Compensation Program

The Company's executive compensation is determined by the Company's Compensation Committee. The decisions of the Compensation Committee with respect to the Company's executive compensation for 2009 have been ratified by the unanimous consent of the Company's full Board of Directors, although such ratification is not required pursuant to the Compensation Committee's charter.

## Role of the Compensation Consultant

In accordance with its Charter, the Compensation Committee has the authority to engage, retain and terminate a compensation consultant. The Committee also has the sole authority to approve the fees of such consultant.

Since 2007, the Compensation Committee and the Board of Directors have retained Steven Hall & Partners ("Consultant"), nationally recognized executive compensation consultant, as its compensation consultant to provide independent, third-party advice and expertise on executive and director compensation matters. In 2009, as in prior years, the Committee relied upon a Consultant to assist in the development and evaluation of compensation policies and the determination of compensation awards. Additionally, the Consultant provided the Committee with comparative market data, modeling and evaluations of proposed executive and director compensation policies and determinations, as well as advice on long-term incentive plan design issues.

The Compensation Committee consulted with the Consultant in connection with determining the 2009 compensation for the Chief Executive Officer, Chief Financial officer and, the Vice-President's of Eagle Shipping International (USA) LLC and with respect to the compensation of our Board of Directors. In the future, the Compensation Committee may retain other similar consultants.

The Consultant does not provide any other services to the Company.

## Role of Management

The executive officers have no role in determining their own compensation.

## Competitive Benchmarking

Many of Eagle Bulk's direct business competitors are foreign companies that are not required to disclose compensation information for their executive officers on an individual basis and detailed compensation data is therefore limited or unavailable. To ensure that Eagle Bulk arrangements are reasonable, the Committee does reference compensation arrangements for executives at other similarly sized companies in the shipping industry for whom compensation data is publicly available. However, due to the limited number of direct comparators, the Committee does not believe that it has sufficient information to permit a meaningful benchmark assessment.

## Pay for Performance – How Executive Compensation is Determined

The Compensation Committee bases its executive officer compensation decisions primarily on its assessment of each executive's performance in his area of responsibility and contributions to the Company. The Compensation Committee believes that executive pay should reflect both Company and individual performance.

## Company Performance

When assessing corporate performance, the Committee considers:

- Corporate earnings per the Company's financial plan;
- Achievement of the Company's strategic and commercial objectives; and

- Performance relative to similar seaborne transportation companies.

#### Individual Performance

To assess each executive's contribution to Company performance and achievements in his area of responsibility, the Committee considers the executive's:

- Performance in light of the Company's current goals and objectives;
- the nature and scope of the executive's responsibilities;
- Initiative, managerial ability and overall contributions to corporate performance; and
- Contributions to initiatives that will deliver greater future value to shareholders.

The Committee also considers the scope and importance of the functions the executive performed or for which the executive was responsible.

#### Elements of the Company's Executive Compensation Program

##### Base Salary

Base salary provides a competitive rate of fixed pay and reflects different levels of responsibility within the Company, the skills and experience required for the job, individual performance and labor market conditions. The Compensation Committee regularly reviews executive salary levels to ensure that they are generally competitive with the estimated current market rates paid by similar companies in the industry.

Base salary actions for 2009 are discussed in more detail below in the section entitled "2009 Performance and Compensation Determinations" and are also reflected in the Summary Compensation Table, below.

##### Annual Incentive Compensation – Cash Bonus

Like many companies in the shipping industry, the Compensation Committee determines annual cash bonuses on a discretionary basis. The Company does not set performance targets with respect to cash bonuses, but rather considers performance across a wide range of quantitative, qualitative, operational and strategic measures. The Committee believes that this approach provides for greater flexibility to reward executives for quick thinking and decisive actions taken to better position the Company in scenarios which may be difficult to predict or anticipate given the extreme volatility of the dry bulk market.

Cash bonuses awarded to the named executive officers in 2009 reflect the Committee's assessment of Company performance, as well as each executive's contributions to that performance. These awards are discussed in greater detail below in the section entitled "2009 Performance and Compensation Determinations" and are also reflected in the Summary Compensation Table, below.

##### Long-Term Incentive Compensation – Equity Awards

The Committee believes that the effective use of stock-based long-term incentive compensation has been integral to the Company's success in the past and is vital to its ability to achieve continued strong performance in the future. These awards are intended to align the interests of executives with those of shareholders, enhance the personal stake of executive officers in the growth and success of the Company, and provide an incentive for the executive officers' continued service at the Company, and provide an opportunity for executives to increase their stock ownership levels. Like awards of cash bonuses, the equity award amounts are determined by the Compensation Committee on a discretionary basis, and reflect the Committee's assessment of the Company's performance in 2009, each executive's contributions to that performance, and the expected future contributions of the executive.

Full Value Shares- in 2009, the Company granted restricted stock units ("RSUs") to each of the named executive officers. The awards were made on December 22, 2009, vest annually in three equal installments, beginning on the first anniversary of the date of grant are described in greater detail below in the section entitled "2009 Performance and Compensation Determinations" and are reflected in the Grants of Plan Based Awards table, below.

Options- the Company did not award any options to named executive officers in 2008 or 2009. Options awarded in 2007 have a term of ten years and vest in three equal installments beginning on the first anniversary of the date of grant.

Dividend Equivalent Rights- in the past, the Company has awarded Dividend Equivalent Rights (“DERs”) to officers and directors. These rights entitle the recipient to receive a Dividend Equivalent payment each time the Company pays a dividend to the Company’s shareholders. The amount of the Dividend Equivalent payment is equal to the number of DERs multiplied by the amount of the per share dividend paid by the Company on its stock on the date the dividend is paid. The DERs are contingent upon the recipient’s continued employment or service at the dividend payment date. The Company announced the suspension of its dividend on December 19, 2008, and no payments were made to holders of DERs in 2009.

#### Special Awards

From time to time, the Company also makes special cash incentive awards, as deemed appropriate by the Compensation Committee. The purpose of these payments is to recognize significant individual contributions that would not, in the view of the Compensation Committee, be fully accounted for under our annual compensation determinations. The amount of any special cash incentive award is determined and approved by the Compensation Committee. No named executive officer received a special award in 2009.

#### Perquisites

The only perquisite provided by the Company to its executive officers is the payment of a \$20,712 life insurance premium on behalf of our Chief Executive Officer, of which our Chief Executive Officer's wife is the beneficiary. The Company may provide its executive officers with perquisites and other personal benefits that the Board of Directors and the Compensation Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain superior employees for key positions. The Compensation Committee will periodically review the levels of perquisites and other personal benefits provided to named executive officers.

#### Employment Agreements

We have entered into an employment agreement with our Chief Executive Officer. The terms of the agreement are described in greater detail under the section entitled "Employment Agreement with Sophocles N. Zoullas". We do not have employment agreements with any of our other named executive officers.

#### Severance and Change in Control Benefits

Under the terms of his employment agreement, our Chief Executive Officer is entitled to certain payments and benefits if we terminate his employment without cause or he terminates employment for good reason, as these terms are defined in his contract. The Chief Executive Officer is entitled to certain additional payments and benefits if his employment is terminated without cause or for good reason within 24 months of a change in control. These benefits and payments are described in greater detail in the section below entitled "Potential Payments Upon Termination or Change-in-Control."

Pursuant to the terms of our equity plans, the other named executive officers are entitled to certain potential payments upon termination or change in control. These potential payments are described in greater detail in the section below entitled "Potential Payments Upon Termination or Change-in-Control."

#### 2009 Performance and Compensation Determinations

With respect to compensation decisions made in 2009, the Compensation Committee specifically considered the following accomplishments:

- Maintained a vessel utilization rate of 99.6%, while increasing the fleet operating days by 26% in 2009 over 2008, resulting in consistent and contemporaneously above market earnings in a volatile and weakened charter market;
- Successfully integrated four newbuildings into its operating fleet during 2009, with each vessel currently under time charter, resulting in a 26% increase in total owned days from 7,229 in 2008 to 9,106 in 2009.
- Set-up our own in-house technical management for a portion of our fleet in order to establish a vessel management bench-mark with our external technical managers.
- Built up the Eagle office in Yangzhou, China to supervise Sinopacific newbuilding project to ensure lower cost and higher quality production, as well as on-time delivery.
- Managed on-time construction of 14 vessels with on-time milestones.
- Effectively managed financial shipping crisis to protect all charters without any interruption in revenue.
- Initiated new chartering relationships with three first class charterers.
- Successfully diversified chartering strategy with four index-based charters with floor rates, as well as additional profit-sharing charters.
- Successfully raised \$100 million through equity shelf program.
- Amended the syndicated loan facility in a difficult banking market.

The equity incentives and cash bonus amounts awarded to our Chief Executive Officer, our Chief Financial Officer and our Vice-President, Eagle Shipping International (USA) LLC in 2009 are not necessarily indicative of the incentive compensation to be awarded to the Company's executive officers in future years.

#### Salary

In 2009, our Chief Executive Officer's base salary was \$900,000, our Chief Financial Officer's base salary was \$450,000, and our Vice-President of Eagle Shipping International (USA) LLC base salary was \$650,000. The committee held the 2010 base salary of each named executive officer at the same level as in 2009. This decision was in response to the uncertain economic environment.

#### Incentive Compensation

In 2009, the Compensation Committee approved and the Board ratified a reduced compensation for the Chief Executive Officer as follows: a cash bonus of \$3,750,000 and an RSU award of 795,000 shares, valued at \$3,911,400 on the date of grant. The amount of incentive compensation awarded in 2009 was based on the Committee's assessment of the Chief Executive Officer's performance in 2009, including his strategic guidance in a volatile and depressed dry bulk market, the establishment of Eagle Ship Management, effective management of chartering affairs, strengthening the Company's banking relationships, successfully raising \$100 million on terms favorable to the Company and amending the syndicated loan facility in a difficult

banking market. The Compensation Committee approved these awards to the Board of Directors, and, after consideration, the independent members of the Board ratified the awards to the Chief Executive Officer.

With respect to the incentive compensation awarded to the other two named executive officers, the Compensation Committee considered the Chief Executive Officer's assessment of performance and compensation recommendations, the performance of the Company detailed above, and the individual contributions of each executive.

For the Chief Financial Officer, the Committee noted the executive's contributions in successfully raising \$100 million on terms favorable to the Company and amending the syndicated loan facility in a difficult banking market. In consideration of these accomplishments, the Compensation Committee approved, and the independent directors of the Board ratified, a cash bonus of \$600,000 and an equity award of 60,000 RSUs, valued at \$295,200 on the date of grant.

For the Vice President of Eagle Shipping International, the Committee noted that the executive initiated new chartering relationships with first class charterers, built up in-house technical and operational management to supervise an expanding fleet, managed on-time construction of 14 vessels with on-time milestones and improved quality and diversified the Company's chartering strategy with four index-based charters. In consideration of these accomplishments, the Compensation Committee approved, and the independent directors of the Board ratified, a cash bonus of \$1,375,000 and an equity award of 105,000 RSUs valued at \$516,600 on the date of grant.

#### Section 162(m)

Section 162(m) of the Internal Revenue Code of 1986, as amended, (the "Code"), limits the deductibility of compensation to certain employees in excess of \$1 million. Because the company believes that it currently qualifies for the exemption pursuant to Section 883 of the Code, pursuant to which it is not subject to United States federal income tax on its shipping income (which comprised substantially all of its gross revenues in 2009), it has not sought to structure its compensation arrangements to qualify for exemption under Section 162(m).

## Potential Payments Upon Termination Or Change-In-Control

As discussed in detail below under the heading “Employment Agreement with Sophocles N. Zoullas,” the Company entered into an employment agreement with our Chief Executive Officer. It provides that if we terminate our Chief Executive Officer’s employment without cause or if our Chief Executive Officer terminates employment for good reason, then he is entitled to receive a lump sum payment.

As discussed above, the Company granted to the named executive officers in fiscal year 2007, pursuant to its 2005 Stock Incentive Plan, stock options that vest in three equal annual installments. The option agreements provide that if the executive is terminated for any reason the options that are already vested are exercisable for 90 days. Under the 2005 Stock Incentive Plan, unless otherwise determined by the Compensation Committee or in an award agreement, upon a change of control (as defined in the plan) all unexercisable stock options shall become fully exercisable on the date of such change of control.

The named executive officers received in 2007 and 2008 Dividend Equivalent Rights, which also provide that if the executive is terminated for any reason the rights are forfeited.

The Company has granted to the named executive officers, pursuant to its 2005 and 2009 Stock Incentive Plans, restricted stock units of the Company that vest in equal annual installments. The restricted stock units provide that (i) if the executive is terminated on death or disability the unvested restricted stock units will vest and be paid out, (ii) if within 24 months following a change of control the executive is terminated without cause or terminates for good reason then the unvested restricted stock units will vest and be paid out.

The restricted stock units also provide for a gross-up for any excise taxes under Section 4999 of the Code imposed on excess parachute payments which may become payable to the executive, whether such payments arise with respect to accelerated vesting of the restricted stock units or under other plans or agreements.

The following tables show the potential payments upon termination or change of control to our Chief Executive Officer, our Chief Financial Officer, and our Vice-President, Eagle Shipping International (USA) LLC, determined as if such event took place on December 31, 2009.

(1) The lump sum payment due to our Chief Executive Officer is:

(i) upon a termination without cause or quit for good reason, the aggregate of (A) our Chief Executive Officer's accrued but unpaid annual base salary and any accrued but unused vacation pay, (2) the Executive's reimbursable business expenses, (3) our Chief Executive Officer's annual bonus and any special cash incentive award for the calendar year immediately preceding the calendar year in which the termination occurs if such bonus or special cash incentive award has been determined or earned but not paid, and (4) the product of our Chief Executive Officer's two year average bonus multiplied by a fraction, the numerator of which is the number of days in the year in which the termination occurs through the date of termination and the denominator of which is 365, and (B) the amount equal to the product of (x) two and (y) the sum of (I) our Chief Executive Officer's annual base salary and (II) our Chief Executive Officer's two year average bonus and any special cash incentive award; or (ii) upon a termination within two years following a change in control, the aggregate of (A) our Chief Executive Officer's accrued but unpaid annual base salary and any accrued but unused vacation pay, (2) the Executive's reimbursable business expenses, (3) our Chief Executive Officer's annual bonus for the calendar year immediately preceding the calendar year in which the termination occurs if such bonus has been determined or earned but not paid, and (4) the product of our Chief Executive Officer's two year average bonus multiplied by a fraction, the numerator of which is the number of days in the year in which the termination occurs through the date of termination and the denominator of which is 365, and (B) the amount equal to the product of (x) three and (y) the sum of (I) our Chief Executive Officer's annual base salary and (II) our Chief Executive Officer's two year average bonus and any special cash incentive award. The value of the lump sum payment is inclusive of the excise tax gross-up amount set forth in this table and described in Note (4) below.

- (2) Through December 31, 2009, the Company granted our Chief Executive Officer options to purchase 225,000 shares of Company common stock and to our Chief Financial Officer options to purchase 90,000 shares of Company common stock. The date of each grant was January 12, 2007, and the options have an exercise price of \$17.80 per share of Company common stock, which was equal to the fair market value per share of the Company common stock on the grant date. Each of these options will terminate on January 12, 2017, and each of the options granted to our Chief Executive Officer and Chief Financial Officer vest in three equal annual installments, commencing one year from the date of grant. As noted above, under the 2005 Stock Incentive Plan, unless otherwise determined by the Compensation Committee or in an award agreement, upon a change of control (as defined in the plan) all unexercisable stock options shall become fully exercisable on the date of such change of control. As the closing price per share of Company common stock on December 31, 2009 was \$4.95, which is \$12.85 less than the exercise price, the value for the purposes of this table is \$0.
- (3) Through December 31, 2009, the Company has granted our Chief Executive Officer 2,333,333 restricted stock units of the Company, granted our Chief Financial Officer 108,230 restricted stock units of the Company, and our Vice-President, Eagle Shipping International (USA) LLC an aggregate of 210,000 restricted stock units of the Company. The restricted stock units provide that (i) if the executive is terminated on death or disability the unvested restricted stock units will vest and be paid out, (ii) if within 24 months following a change of control the executive is terminated without cause or terminates for good reason then the unvested restricted stock units will vest and be paid out. The amount equals the number of unvested restricted stock units held by the executive times \$4.95, which was the closing price per share of Company common stock on December 31, 2009.
- (4) The 4999 gross-up amount consists of the excise tax on the excess parachute amount under Section 4999 of the Code plus federal, state and local income tax, employment tax and excise tax on the gross-up. The parachute includes the value of vesting of stock options and restricted stock units assuming a cashout on December 31, 2009, and includes the lump sum payment, see Note (1) above. The following assumptions were used to calculate payments for the 4999 gross-up amount: (i) equity is valued based on closing price of Company stock on December 31, 2009 (\$4.95); (ii) parachute payments for stock options and restricted stock units were valued using Treasury Regulation Section 1.280G-1, Q&A 24(c); and (iii) a federal tax rate of 35%, NYS tax rate of 6.85% and NYC tax rate of 3.65% are assumed.
- (5) See Note (4) above for assumptions used to calculate parachute payments with respect to vesting of stock options and restricted stock units.

## Employment Agreement with Sophocles N. Zoullas

On June 19, 2008, we entered into an amended employment agreement with an original term of five years with Sophocles N. Zoullas pursuant to which he serves as our Chief Executive Officer. Either our Chief Executive Officer or we may terminate the employment agreement for any reason on 30 days' written prior notice. We may also terminate our Chief Executive Officer's employment at any time for cause.

Pursuant to the employment agreement, our Chief Executive Officer receives a minimum base salary per year in the amount of \$875,000 and received an initial equity grant of 833,333 restricted stock units. Our Chief Executive Officer is eligible to participate in a performance bonus pool, for senior executives, as well as discretionary amounts determined by the Compensation Committee. Our Chief Executive Officer is entitled to participate in the benefit plans and fringe benefits provided generally to similarly situated senior executives. The employment agreement also provides that we will provide our Chief Executive Officer with a life insurance policy during the term of the agreement with the amount and terms determined by mutual agreement.

In the event our Chief Executive Officer terminates his employment for other than good reason, our Chief Executive Officer is entitled to receive (i) his base salary and any unused vacation pay earned but unpaid up to the date of termination, (ii) reimbursement of any expenses for which he was due reimbursement, (iii) any bonus actually earned for a completed year but unpaid as of the date of termination, and (iv) any bonus earned for the uncompleted year, based upon his two year average bonus (collectively, (i), (ii), (iii) and (iv) are referred to as the "Accrued Benefits").

In the event we terminate our Chief Executive Officer's employment without cause or our Chief Executive Officer terminates his employment for good reason, then in addition to the Accrued Benefits, our Chief Executive Officer is entitled to receive a lump sum payment in an amount equal to the product of (x) two and (y) the sum of (I) his annual base salary and (II) our Chief Executive Officer's two year average bonus and any special cash incentive award. Following a change of control, our Chief Executive Officer may be entitled to an enhanced "double trigger" severance payment. In the event that we terminate our Chief Executive Officer's employment without cause or our Chief Executive Officer terminates his employment for good reason following a change of control, the lump sum payment is in an amount equal to the product of (x) three and (y) the sum of (I) our Chief Executive Officer's annual base salary and (II) our Chief Executive Officer's two year average bonus and any special cash incentive award. In addition, we will continue his health insurance (for our Chief Executive Officer and his dependents) during for two years (or three years if we terminate our Chief Executive Officer's employment without cause or our Chief Executive Officer terminates his employment for good reason following a change of control). Our Chief Executive Officer does not receive a lump sum payment in the event he is terminated for cause, which we may do at any time such cause exists. In the event that his employment is terminated for cause, we are only obligated to provide our Chief Executive Officer with the Accrued Benefits. If our Chief Executive Officer dies or becomes disabled while employed by us, all of his rights under the employment agreement terminate except that (i) we are required to pay our Chief Executive Officer his Accrued Benefits. (ii) any stock options or stock appreciation rights shall become fully exercisable and shall remain exercisable for a period of 12 months after the termination of employment due to such death or disability (or until the earlier original expiration date of such options or stock appreciation rights), and (iii) any restricted stock or restricted stock units shall become fully vested.

The employment agreement provides for a gross-up for any excise taxes under Section 4999 of the Code imposed on excess parachute payments which may become payable to the executive, whether such payments arise with respect to accelerated vesting of the restricted stock units or under other plans or agreements.

## REPORT OF THE AUDIT COMMITTEE

The role of the Audit Committee is to assist the Board of Directors in its oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company and the independence and performance of the Company's auditors. The Board of Directors, in its business judgment, has determined that all members of the Audit Committee are "independent", as provided under the applicable listing standards of the Nasdaq Global Market and by Rule 10A-3 under the Securities Exchange Act of 1934. The Audit Committee operates pursuant to a Charter that was adopted by the Board of Directors on June 3, 2005, as amended in November 2006. As set forth in the Charter, the Committee's job is one of oversight. Management is responsible for the preparation, presentation and integrity of the Company's financial statements. Management is also responsible for maintaining appropriate accounting and financial reporting principles and practices and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for auditing the annual financial statements, expressing an opinion based on their audit as to the statements' conformity with generally accepted accounting principles, reviewing the Company's quarterly financial statements prior to the filing of each Quarterly Report on Form 10-Q and discussing with the Committee any issues they believe should be raised with the Committee.

The Committee met with the Company's independent registered public accounting firm to review and discuss the overall scope and plans for the audit of the Company's consolidated financial statements for the year ended December 31, 2009. The Committee has considered and discussed with management and the independent registered public accounting firm (both alone and with management present) the audited financial statements as well as the independent registered public accounting firm's evaluation of the Company's internal control over financial reporting and the overall quality of the Company's financial reporting. Management represented to the Committee that the Company's financial statements were prepared in accordance with generally accepted accounting principles, and the Committee reviewed and discussed the financial statements with management.

The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. Finally, the Audit Committee has received written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and a formal written statement from the independent registered public accounting firm, confirmed by management, of the fees billed for audit services, and other non-audit services rendered by the independent registered public accounting firm for the most recent fiscal year. The Audit Committee has considered whether the provision of non-audit services by the independent registered public accounting firm to the Company is compatible with maintaining the independent registered public accounting firm's independence and has discussed with the independent registered public accounting firm their independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and, with the exception of the Chairman of the Audit Committee, are not experts in the field of auditing or accounting, including in respect of auditor independence. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent registered public accounting firm. Accordingly, the Audit Committee's activities do not provide an independent basis to determine that management has maintained appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Company's independent registered public accounting firm is in fact "independent."

Edgar Filing: Eagle Bulk Shipping Inc. - Form DEF 14A

Based upon the Audit Committee's receipt and review of the various materials and assurances described above and its discussions with management and the independent registered public accounting firm, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Charter, the Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2009, filed with the Securities and Exchange Commission.

# SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding the beneficial ownership of Eagle Bulk Shipping's voting common stock as of April 4, 2010 of:

- each person, group or entity known to Eagle Bulk Shipping to beneficially own more than 5% of our stock;
- each of our Directors and Director nominees;
- each of our Named Executive Officers; and
- all of our Directors and executive officers as a group.

As of the March 25, 2010 record date, a total of 62,126,665 shares of common stock were outstanding and entitled to vote at the Annual Meeting. Each share of common stock is entitled to one vote on matters on which common shareholders are eligible to vote.

The amounts and percentages of common stock beneficially owned are reported on the basis of regulations of the SEC governing the determination of beneficial ownership of securities. Under the rules of the SEC, a person is deemed to be a "beneficial owner" of a security if that person has or shares "voting power," which includes the power to vote or to direct the voting of that security, or "investment power," which includes the power to dispose of or to direct the disposition of that security. A person is also deemed to be a beneficial owner of any securities as to which that person has a right to acquire beneficial ownership presently or within 60 days. Under these rules, more than one person may be deemed a beneficial owner of the same securities, and a person may be deemed to be the beneficial owner of securities as to which that person has no economic interest.

## SHAREHOLDER PROPOSALS FOR THE 2011 ANNUAL MEETING OF SHAREHOLDERS

Any shareholder desiring to present a proposal for inclusion in the proxy statement for the Company's 2011 Annual Meeting of Shareholders must deliver the proposal to the Secretary of the Company not later than December 8, 2010. Only those proposals that comply with Eagle Bulk Shipping's By-Laws and the requirements of Rule 14a-8 of the Exchange Act of 1934, as amended, will be included in the Company's proxy statement for the 2011 Annual Meeting of Shareholders.

Shareholders may present proposals that are proper subjects for consideration at an annual meeting, even if the proposal is not submitted by the deadline for inclusion in the proxy statement. To do so, the shareholder must comply with the procedures specified in the Company's amended and restated by-laws which have been filed as Exhibit 3.2 to our registration statement on Form S-1 (as amended on June 22, 2005) and are available in print upon request from the Secretary. Our amended and restated by-laws require all shareholders who intend to make proposals at an annual meeting of shareholders to submit their proposals to the Secretary not fewer than 90 and not more than 120 days before the anniversary date of the previous year's annual meeting of shareholders. The by-laws also provide that nominations for Director may only be made by the Board of Directors (or an authorized Board of Directors committee) or by a shareholder of record entitled to vote who sends notice to the Secretary not fewer than 90 nor more than 120 days before the anniversary date of the previous year's annual meeting of shareholders. Any nomination by a shareholder must comply with the procedures specified in the Company's by-laws. To be eligible for consideration at the 2011 Annual Meeting, proposals that have not been submitted by the deadline for inclusion in the proxy statement and any nominations for Director must be received by the Secretary between January 18, 2011 and February 18, 2011. This advance notice period is intended to allow all shareholders an opportunity to consider all business and nominees expected to be considered at the meeting.

All submissions to, or requests from, the Secretary should be made to: Alan S. Ginsberg, Secretary of Eagle Bulk Shipping Inc., at 477 Madison Avenue, Suite 1405, New York, New York 10022.

## COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Pursuant to Section 16(a) of the Exchange Act and the rules thereunder, the Company's executive officers and Directors and persons who own more than 10% of a registered class of Eagle Bulk Shipping's equity securities are required to file with the SEC reports of their ownership of, and transactions in, the Company's common stock. Based solely on a review of copies of such reports furnished to the Company, and written representations that no reports were required, the Company believes that during the fiscal year ended December 31, 2009 its executive officers and Directors complied with the Section 16(a) requirements.

## IMPORTANT NOTICE REGARDING DELIVERY OF SHAREHOLDER DOCUMENTS

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy proxy material delivery requirements with respect to two or more shareholders sharing the same address by delivering a single proxy statement and annual report addressed to those shareholders. This process, which is referred to as "householding," potentially provides extra convenience for shareholders and reduces printing and postage costs for companies.

The Company and some brokers utilize the householding process for proxy materials. In accordance with a notice sent to certain shareholders who share a single address, only one copy of this Proxy Statement and the Company's 2009 Annual Report is being sent to that address, unless we received contrary instructions from any shareholder at that address. Shareholders who participate in householding will continue to receive separate proxy cards. Householding will continue until you are notified otherwise or until one or more shareholders at your address revokes consent. If you revoke consent, you will be removed from the householding program within 30 days of receipt of the revocation. If you hold your Company stock in "street name," additional information regarding householding of proxy materials should be forwarded to you by your broker.

If you wish to receive a separate copy of this proxy statement or the Company's 2009 Annual Report, or would like to receive separate proxy statements and annual reports in the future, or if you are receiving multiple copies of annual reports and proxy statements at an address shared with another shareholder and would like to participate in householding, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to Alan S. Ginsberg, Secretary of Eagle Bulk Shipping Inc., at 477 Madison Avenue, Suite 1405, New York, New York 10022.

OTHER MATTERS

At the date of this proxy statement, management was not aware that any matters not referred to in this proxy statement would be presented for action at the Annual Meeting. If any other matters should come before the Annual Meeting, the persons named in the accompanying proxy will have discretionary authority to vote all proxies in accordance with their best judgment, unless otherwise restricted by law.
