EXECUTIVE COMPENSATION

The Company has not paid any compensation to any officer in the fiscal year ended February 28, 2003.

COMPENSATION POLICY

The Company's compensation for any officer after February 28, 2003 is expected to consist of a base salary and annual bonus compensation. Salary and bonus payments will be discretionary with the Board of Directors and will be designed to reward current and past performance.

The Company's policy will emphasize performance-based compensation. Accordingly, a significant percentage of annual compensation may consist of bonus compensation. This ensures that compensation reflects the individual's specific contributions to the success of the Company. Bonus compensation is determined on the basis of the directors' subjective assessment of an executive's performance and not on any specific formula.

Edgar Filing: FRMO CORP - Form DEF 14A

The Company believes that, as it grows, its compensation program will enable it to attract, motivate and retain senior management by providing a competitive total compensation opportunity based on performance.

STOCK OPTIONS

The Company may issue stock options to officers or directors who do not own as much as one percent of the Company's outstanding stock. Stock options are designed to provide strong incentive for superior long-term performance and are directly linked to shareholders' interests because the value of the awards will increase or decrease based upon the future price of the Common Shares. The Company may also adopt a Stock Option Plan designed to secure the services of persons capable of filling key management positions. The amount of stock options awarded will not be based on any specific formula, but rather on a subjective assessment of the person's performance by the Board of Directors. On July 20, 2001 the Company issued stock options to directors Allan Kornfeld and David Michael and Chief Financial Officer Victor Brodsky, to purchase 3,000, 3,000 and 15,000 shares, respectively, expiring July 20, 2006 at the option price of \$1.25 per share. On July 18, 2002, the Company issued stock options to Messrs. Kornfeld and Michael to purchase 3,000 shares each and to Mr. Brodsky to purchase 30,000 shares, all expiring July 18, 2007 at the option price of \$0.40 per share.

COMPENSATION OF DIRECTORS

The Company has not paid compensation to any director in the fiscal year ended February 28, 2002 and has made no arrangement to pay directors' fees in the current fiscal year. Only Allan Kornfeld and David Michael, among the present directors, will be eligible to receive stock

-8-

options under the Company's policy of not granting options to any officer or director who already owns as much as 1% of the Company's outstanding stock.

INDEMNIFICATION

Pursuant to its By-Laws, the Company provides indemnification for all directors and officers of the Company and its subsidiaries. No claims have been made pursuant to this indemnification.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company's new start on January 23, 2001 and its recapitalization by the purchase of 34,200,000 shares of common stock by the FRMO Control Group, defined above at page 7, on January 23, 2001 are described in the accompanying Annual Report (Form 10-K) for the fiscal year ended February 28, 2003 (the "Annual Report") at pages 1-3 thereof.

In January 2001 the Company signed a consulting agreement with Lawrence J. Goldstein, the manager of the Santa Monica Partners, L.P., whereby he will pay \$21,600 per year to the Company for access to consultations with the Company's personnel designation by Murray Stahl and Steven Bregman. Mr. Goldstein is a director and shareholder of the Company.

In March 2001 the Company acquired the research service fees that Horizon Research Group was entitled to receive from The New Paradigm Fund in exchange for 80,003 shares of the Company's Common Stock. In May 2001 the Company

Edgar Filing: FRMO CORP - Form DEF 14A

acquired the research service fees that Horizon Research Group was entitled to receive from The Middle East Growth Fund in exchange for 3,456 shares of the Company's common stock. Murray Stahl, Steven Bregman and Peter Doyle, officers, directors and the shareholders of the Company, are shareholders of the corporation which owns the Horizon Research Group. See page 5 of the Annual Report.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who beneficially own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Based solely upon a review of the copies of such forms furnished to the Company and written representations from the Company's executive officers, directors and greater than 10% beneficial shareholders, the Company believes that since the effective date of the Company's Registration Statement Pursuant to Section 12(g) of The Securities Exchange Act of 1934, all persons subject to the reporting requirements of Section 16(a) filed the required reports on a timely basis.
