Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Item 6 is hereby amended by inserting the following disclosure at the end:

On June 25, 2008, the Issuer and the Filing Persons entered into an Agreement (the "Agreement"), setting forth certain understandings and agreements regarding the voting by the Filing Persons of certain Shares, the disposition of Shares by the Filing Persons, the potential acquisition of all or substantially all of the Shares not owned by the Filing Persons and related matters, including the appointment of additional directors identified by the Filing Persons.

Under the terms of the Agreement, the Filing Persons have agreed to vote all Shares owned by the Filing Persons in excess of certain thresholds (whether as a result of Share repurchases by the Issuer or additional purchases of Shares by the Filing Persons) on matters proposed from time to time for a stockholder vote, in the same proportion as Shares not owned by the Filing Persons are actually voted. For an initial period ending after the annual meeting of stockholders of the Issuer held to elect directors following the conclusion of the Issuer's fiscal year ending on August 29, 2009, the applicable percentage threshold is 40% of the then outstanding Shares. Thereafter, so long as the Agreement remains in effect, the applicable percentage threshold is 37.5%. Shares owned by the Filing Persons under

the applicable threshold have no voting limitations. As part of the Agreement, the Issuer has agreed not to take actions,

including the adoption of a stockholder rights plan, to prevent future purchases of Shares by the Filing Persons.

In the Agreement, the Filing Persons have also agreed, among other things, that the Filing Persons generally will not dispose of any Shares to a third party at a price above the then prevailing market price per Share, without taking appropriate steps to ensure that the purchaser of such shares simultaneously provides all other holders of Shares with an opportunity to dispose of a number of Shares (representing, for each Issuer stockholder, the same proportion of owned Shares as the Filing Persons proposes to dispose of) in such transaction on the same terms and conditions, including price per Share, as the Filing Persons. In addition, the Filing Persons have agreed that they would not pursue in the future a transaction resulting in the acquisition of all or substantially all of the Shares not owned by the Filing Persons, without following certain procedures, including consideration and recommendation of the transaction by a committee of independent, disinterested directors unaffiliated with the Filing Persons, unless the transaction is structured as tender offer meeting certain requirements, followed by a merger at the same price per Share if the tender offer is successful.

Under the terms of the Agreement, the Issuer has agreed to take appropriate actions, once candidates are identified, to add three new members to the Board of Directors of the Issuer (the Board). As reflected in the Agreement, it is the intent of the parties that such additions shall occur as promptly as practicable, but in no event later than the annual meeting of stockholders of the Issuer held to elect directors following the conclusion of the Issuer's fiscal year ending August 30, 2008 (the 2008 Annual Meeting). One candidate, reasonably acceptable to the Filing Persons, will be identified by an independent search agency retained by the Issuer pursuant to a previously initiated search. Two additional directors will be appointed from candidates identified by the Filing Persons, including candidates who are reasonably acceptable to the Filing Persons suggested by other directors of the Issuer. These two candidates may, at the Filing Persons' discretion, be officers of Investments and its affiliated investment entities. All three candidates must be reasonably acceptable to both the Filing Persons and a majority of the members of the Nominating and Corporate Governance Committee of the Board and be independent under the Issuer's corporate governance principles and the rules of the NYSE.

Following the addition of these new directors, the size of the Board will increase to 12, although after considering, among other things, the Filing Persons' views regarding the size of the Board, we understand that the Issuer expects to reduce the Board's size to 10 at the 2008 Annual Meeting. The changes in the membership of the Board to achieve the reduction would be reviewed by the Nominating and Corporate Governance Committee in connection with the addition of the new directors and recommended to the Board. During the negotiations regarding the Agreement, the Filing Persons shared their perspective that three of the current directors, the Chairman, Earl G. Graves, Jr. and Theodore W. Ulliyot, be included among the directors re-nominated at the 2008 Annual Meeting.

The Issuer has also agreed to use its commercially reasonable efforts to achieve, no later than February 14, 2009, the last day of the Issuer's second quarter of the Issuer's 2009 fiscal year, an adjusted debt/EBITDAR ratio (as such term is used in the Issuer's quarterly earnings report) of at least 2.5:1. If the Issuer has not achieved the targeted adjusted debt/EBITDAR ratio referenced above by the end of the Issuer's 2009 second fiscal quarter, the voting limitations described in the second paragraph of this amendment to Item 6 will be suspended until such time as the targeted adjusted debt/EBITDAR ratio is achieved.

The Agreement, by its terms, will continue in effect until the earliest of (a) the date upon which the Shares owned by the Filing Persons, in the aggregate, constitute less than 25% of the outstanding Shares, (b) the date upon which the Shares owned by the Filing Persons exceed 50% of the then outstanding Shares, provided that the Filing Persons have acquired subsequent to the date of the Agreement additional Shares representing above 10% of the then outstanding Shares and (c) the date upon which the parties (which, in the case of the Issuer, have been authorized by at least two directors

representing a majority of the independent and disinterested members of the Board unaffiliated with the Filing Persons) mutually agree in writing that this Agreement and all of its provisions shall no longer be in effect. Termination of this Agreement pursuant to clause (b) above shall not affect the Filing Persons' obligations described under the third paragraph in this amendment to Item 6.

The foregoing description is not complete and is qualified in its entirety by reference to the Agreement, which is filed as Exhibit 3 and is incorporated herein by reference.

Item 7. Material to Be Filed as Exhibits
