Mariner Energy, Inc. (Mariner) entered into Amendment No. 9, dated as of June 2, 2009, among Mariner and Mariner Energy Resources, Inc., as borrowers, the Lenders (as defined in the Credit Agreement described below), and Union Bank of California, N.A., as administrative agent and as issuing lender (the Amendment), which further amends the Amended and Restated Credit Agreement, dated as of March 2, 2006, among the same parties (as so amended, the Credit Agreement). The Credit Agreement provides for a senior secured revolving credit facility of \$1.0 billion, including up to \$50.0 million in letters of credit, subject to a borrowing base which is redetermined periodically. The Amendment permits Mariner s issuance before July 1, 2009 of up to \$300 million in additional unsecured debt with a non-default interest rate of up to 13% per annum (plus a maximum default rate of 3%) and a scheduled maturity date no earlier than May 15, 2014. The Amendment provides that upon closing of such a debt issuance, the borrowing base automatically would reduce by the lesser of \$50 million or 25% of the aggregate principal amount of the debt issued until otherwise redetermined under the Credit Agreement.

A copy of the Amendment is attached as Exhibit 4.1 and incorporated herein by reference. The above description of the Credit Agreement is a summary and is qualified in its entirety by the complete text of the Amendment and the Credit Agreement which previously was filed.

Item 8.01 Other Events

Mariner is a member of OIL Insurance, Ltd. (OIL), an energy industry insurance cooperative, which provides Mariner s primary layer of physical damage and windstorm insurance coverage subject to a \$10 million per-occurrence deductible, a \$250 million per occurrence loss limit, and a \$750 million industry aggregate loss limit per event. Each year, Mariner considers whether to purchase supplemental windstorm, physical damage and business interruption insurance which in the past has provided coverage when OIL limits have been exceeded (see Item 1. Business Insurance Matters in Mariner s Form 10-K for the year ended December 31, 2008, as amended). The supplemental insurance coverage offered by the commercial market in 2009 would not provide similar coverage, and Mariner elected not to purchase it when it expired on June 1, 2009. Mariner believes its assets are sufficiently insured through OIL and intends to continue to monitor the commercial market for insurance that would, based on Mariner s historical experience, cover its expected hurricane-related risks on a cost-effective basis once OIL limits are exceeded.
