**Item 6. Indemnification of Directors and Officers**

Under Section 145 of the Delaware General Corporation Law, the Registrant has broad powers to indemnify its directors and officers against liabilities they may incur in such capacities, including liabilities under the Securities Act. The Registrant's Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws require the Registrant to indemnify, to the full extent permitted by law, any person who is or was a party, or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (including, without limitation, any action by or in the right of the Registrant) by reason of the fact that he or she is or was a director or officer of the Registrant against any liability or expense actually or reasonably incurred in respect thereof. The Registrant's Amended and Restated Bylaws also require the Registrant to advance litigation expenses (including in the case of stockholder derivative actions or other actions) against an undertaking by the officer or director to repay such advances if it is ultimately determined that the officer or director is not entitled to indemnification. The Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws further provide that rights conferred under such Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws shall not be deemed to be exclusive of any other right such persons may have or acquire under law or otherwise.

In addition, the Registrant's Amended and Restated Certificate of Incorporation provides that, to the fullest extent permitted by the Delaware General Corporation Law, the Registrant's directors shall have no personal liability to the Registrant or its stockholders for monetary damages for breach of the directors' fiduciary duty. Each director will continue to be subject to liability for breach of the director's duty of loyalty to the Registrant, or acts or omissions not in good faith or involving intentional misconduct, for knowing violations of law, for actions leading to improper personal benefit to the director, and for payment of dividends or approval of stock repurchases or redemptions that are unlawful under Delaware law. The provision also does not affect a director's responsibilities under any other law, such as the federal securities laws or state or federal environmental laws.

The Registrant currently has a policy providing directors and officers' liability insurance with insured directors and officers of the Registrant in certain circumstances.

**Item 7. Exemption from Registration Claimed**

Item 9. Undertakings.

A. The undersigned Registrant hereby undertakes: (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933 Act, as amended (the 1933 Act ), (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement and (iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that clauses (1)(i) and (1)(ii) shall not apply if the information required to be included in a post-effective amendment by those clauses is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference into this Registration Statement; (2) that for the purpose of determining any liability under the 1933 Act each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference into this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers, or controlling persons of the Registrant pursuant to the indemnification provisions summarized in Item 6 or otherwise, the Registrant has been advised that, in the opinion of the Commission, such indemnification is against public policy as expressed in the 1933 Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.
