Prospectus Supplement No. 3 (To Prospectus Supplement No. 2 dated April 7, 2009, Prospectus Supplement No. 1 dated January 7, 2009 and Prospectus Supplement dated October 28, 2008 to Prospectus dated July 25, 2008)

> Pursuant to Rule 424(b)(7) Registration File No. 333-152548

Sirius XM Radio Inc. COMMON STOCK

This prospectus supplement relates to the resale from time to time by selling stockholders of shares of our common stock that we may issue to them upon the exchange of XM Satellite Radio Inc. s 7% Exchangeable Senior Subordinated Notes due 2014, which we refer to as the notes.

This prospectus supplement, which supplements the prospectus dated July 25, 2008, as supplemented by the prospectus supplement dated October 28, 2008, the prospectus supplement dated January 7, 2009 and the prospectus supplement dated April 7, 2009, contains information about certain selling stockholders.

Neither the Securities and Exchange Commission nor any state securities commission have approved or disapproved these securities, or determined if this prospectus supplement or the accompanying prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

December 11, 2009.

SELLING STOCKHOLDERS

XM Satellite Radio Inc. (XM Inc.) originally issued the notes to the initial purchasers in transactions exempt from the registration requirements of the Securities Act. The initial purchasers resold the notes to persons reasonably believed by the initial purchasers to be qualified institutional buyers within the meaning of Rule 144A under the Securities Act in transactions exempt from registration under the Securities Act. The selling stockholders, including their transferees, pledgees or donees or their successors, may from time to time offer and sell the shares of our common stock delivered upon the exchange of the notes under this prospectus supplement pursuant to existing registration rights conferred by the registration rights agreement dated as of August 1, 2008 among us, XM Inc. and the initial purchasers. Our registration of the shares of common stock issuable upon exchange of the notes does not necessarily mean that the selling stockholders will sell all or any of the shares of common stock.

The table of selling stockholders appearing under the caption Selling Stockholders beginning on page S-8 of the prospectus supplement dated October 28, 2008, and the table of selling stockholders appearing under the caption Selling Stockholders in prospectus supplement no. 1 and prospectus supplement no. 2 is hereby

supplemented by adding the information regarding certain selling stockholders set forth in the table entitled Additional Selling Stockholders below; and

amended by replacing the information regarding certain selling stockholders identified in the table entitled Revised Information Regarding Selling Stockholders below with the information set forth in such table.

The following tables set forth certain information as of December 11, 2009 concerning the shares of common stock that may be offered from time to time by each selling stockholder identified below pursuant to this prospectus supplement. The information is based on information provided by or on behalf of the selling stockholders.

Because the selling stockholders may offer all or some portion of the common stock, no estimate can be given as to the amount of the shares of common stock that will be held by the selling stockholders upon termination of any sales. Information about the selling stockholders may change over time. In particular, the selling stockholders identified below may have sold, transferred or otherwise disposed of all or a portion of their notes or common stock since the date on which they provided to us information regarding their notes or common stock. Any changed or new information given to us by the selling stockholders will be set forth in supplements to this prospectus supplement or amendments to the registration statement of which this prospectus supplement is a part, if and when necessary.

Except as set forth in the tables, none of the selling stockholders identified below nor any of their affiliates, officers, directors or principal equity holders (5% or more) has held any position or office or has had any other material relationship with us or XM Inc. (or our or XM Inc. s predecessors or affiliates) during the past three years.

- (1) Information concerning other selling stockholders will be set forth in additional supplements to the prospectus supplement from time to time, if required.
- (2) Assumes
 exchange of all
 of the selling
 stockholder s
 notes at an
 exchange rate of

533.3333 shares of our common stock per \$1,000 principal amount of the notes. This exchange rate is subject to certain adjustments. As a result, the number of shares of common stock issuable upon exchange of the notes may increase or decrease in the future. Under the terms of the indenture governing the notes, fractional shares will not be issued upon exchange of the notes. Cash will be paid instead of fractional shares, if any.

(3) Calculated based Rule 13d-3(d)(i) of the Exchange Act, using 3,892,540,025 shares of common stock outstanding as of December 1, 2009 (including 202,399,983 shares of common stock issued and lent to affiliates of the initial purchasers of the notes in order to facilitate hedging

transactions). In calculating this amount for each stockholder, we treated as outstanding the number of shares of common stock issuable upon exchange of that stockholder s notes, but we did not assume exchange of any other stockholder s notes. The beneficial ownership in this column assumes that the selling stockholder sells all of the shares offered by this prospectus supplement issuable upon the exchange of the notes that are beneficially owned by the selling stockholder as of the date of this prospectus supplement, and that any other shares of common stock owned by the selling stockholder as of the date of this prospectus supplement will continue to be beneficially owned by the selling

stockholder.
