(1) Mr. Hunt does not participate in the Company's Bonus Program for fiscal 2009 but is eligible for commission-based compensation based upon fiscal 2009 revenue targets.

(2) The amounts reflected in this column represent the payout to each executive officer if their fiscal 2009 bonus had been achieved at 100%. Bonuses for fiscal 2009 are to be paid

out in a combination of cash and restricted stock units, as further detailed in the above table.

- (3) Cash bonus payments will be paid 50% on December 24, 2009 and 50% on March 15, 2010, subject to continued employment.
- (4) The number of restricted stock units granted was calculated by dividing the dollar value applicable to that portion of the equity award by the closing price for the Company's common stock as of December 14, 2009, rounded down to the nearest whole share. The restricted stock units will vest in full on March 14, 2010, subject to continued employment.

As previously disclosed, payments under the Company Bonus Program are based upon the Company's achievement of pre-established financial goals for the fiscal year; however, the Committee has the discretion to approve bonus payments which are higher or lower than the target bonus amounts in the event the Company under or over achieves these targets. For fiscal 2009, the Committee determined that the performance of the Company in relation to the metrics described above would result in the funding of the bonus pool at 50%. The Committee then exercised its discretion in finalizing the appropriate bonus allocations for each of the aforementioned executive officers. Further details regarding the Company's compensation philosophy and the aforementioned awards are contained in the Company's Definitive Proxy Statement on Schedule 14A, filed with the Securities and Exchange Commission on December 18, 2009.
