(Date of Event which Requires Filing of this Statement)

If the filing person has previously filed a statement on Schedule 13G to report the acquisition that is the subject of this Schedule 13D, and is filing this schedule because of §§ 240.13d-1(e), 240.13d-1(f) or 240.13d-1(g), check the following box. o

Note: Schedules filed in paper format shall include a signed original and five copies of the schedule, including all exhibits. See § 240.13d-7 for other parties to whom copies are to be sent.

* The remainder of this cover page shall be filled out for a reporting person's initial filing on this form with respect to the subject class of securities, and for any subsequent amendment containing information which would alter disclosures provided in a prior cover page.

The information required on the remainder of this cover page shall not be deemed to be filed for the purpose of Section 18 of the Securities Exchange Act of 1934 (Act) or otherwise subject to the liabilities of that section of the Act but shall be subject to all other provisions of the Act (however, see the Notes).

Item 1. Security and Issuer.

This Amendment No. 8 to Schedule 13D amends and supplements the statement on Schedule 13D originally filed by Rio Tinto plc (Rio Tinto) and Rio Tinto International Holdings Limited (RTIH) on November 3, 2006 and amended on September 12, 2007, October 26, 2007, January 7, 2008, April 10, 2008, October 30, 2009, March 4, 2010, and July 7, 2010 (as amended and supplemented, the Schedule 13D) with the Securities and Exchange Commission (the SEC), relating to the common shares, without par value (the Shares), of Ivanhoe Mines Ltd., a corporation continued under the laws of the Yukon Territory, Canada (the Company).

Item 3. Source and Amount of Funds or Other Consideration.

Item 3 of the Schedule 13D is amended and supplemented as follows:

On September 13, 2010, RTIH acquired 40,083,206 Shares of the Company in accordance with the terms of the Facility and which matured on the Maturity Date. The outstanding principal and accrued interest (\$400,832,056) under the Facility converted on maturity into Shares of the Company at a price of US\$10.00 per share.

Item 5. Interest in Securities of the Issuer.

Item 5 of the Schedule 13D is hereby amended and restated in its entirety as follows:

The responses of Rio Tinto and RTIH to Rows (11) through (13) of the cover pages of this Schedule 13D and the information set forth in Item 3 are hereby incorporated by reference in this Item 5.

Pursuant to the Private Placement Agreement, on the First Closing Date, RTIH acquired 37,089,883 Shares, representing upon completion 9.95 per cent of the Company's outstanding Shares, and on the Second Closing Date, RTIH acquired an additional 46,304,473 Shares. The Shares acquired were originally intended to produce an aggregate interest of 19.9 per cent of the Company's outstanding Shares but, as a result of Share issues under employee share plans, the aggregate interest has been diluted to 19.7 per cent of the Company's outstanding Shares. Pursuant to RTIH's anti-dilution rights under the Private Placement Agreement (as described in Item 4), RTIH also acquired on December 4, 2008 an additional 243,772 Shares and warrants which are exercisable to purchase an additional 1,440,406 Shares at a price of Cdn\$3.1465 per share.

Also pursuant to the Private Placement Agreement, on the First Closing Date, RTIH acquired the Series A Warrants and the Series B Warrants which are exercisable to purchase an additional 92,053,044 Shares. On the Funding Date, RTIH acquired the Series C Warrants which, pursuant to the Funding Proportion,³ are currently exercisable to purchase an additional 35,000,000 Shares.

Pursuant to the Acquisition, RTIH acquired 15,000,000 Shares, representing upon issuance 2.7 per cent of the outstanding Shares.

Pursuant to the exercise of the Series A Warrants, RTIH acquired 46,026,522 Shares.

Pursuant to the conversion of the Loan Amount at a price of \$10 per share on September 13, 2010, RTIH acquired 40,083,206 Shares.

Therefore, each of Rio Tinto and RTIH is deemed to beneficially own 267,214,784 Shares which, assuming the exercise of all the Series B Warrants, Series C Warrants and Anti-Dilution Warrants, and the conversion of the Loan Amount into an additional 40,083,206 Shares, in addition to the 37,089,883 Shares acquired by RTIH on the First Closing Date, the 46,304,473 Shares acquired by RTIH on the Second Closing Date, 243,772 Shares acquired by RTIH on December 4, 2008, the 15,000,000 Shares from the completion of the Acquisition and the 46,026,522 Shares acquired by RTIH pursuant to the exercise of the Series A Warrants, would represent 43.7 per cent of the Company's outstanding Shares on a fully diluted basis.

The percentage of the class of securities identified pursuant to Item 1 beneficially owned by each of Rio Tinto and RTIH is based on 488,036,669 Shares outstanding as of June 30, 2010, as contained in the Company's Quarterly Financial Report for the Three and Six Months Ended June 30, 2010. Assuming the exercise of 20.3 million incentive stock options in the Company's Shares outstanding, as contained in the Company's Quarterly Financial Report for the Three and Six Months Ended June 30, 2010, each of Rio Tinto and RTIH would be deemed to beneficially own 42.3 per cent of the Company's outstanding Shares on a fully diluted basis.

As at March 1,
2010, the
Funding
Proportion is
one, which is
equal to the
lesser of one
and the result
obtained by
dividing (i)
\$350 million,
the total
drawdown
under the
Facility, by (ii)
\$350 million.

Table of Contents

In addition, the Shares deemed beneficially owned by each of Rio Tinto and RTIH with respect to which such person (i) has sole voting power, (ii) shares voting power, (iii) has sole dispositive power and (iv) shares dispositive power are listed in the responses to Items 7, 8, 9 and 10, respectively, of the cover page of this Schedule 13D relating to such person.

Except as disclosed in this Schedule 13D, neither Rio Tinto nor RTIH nor, to the best of their knowledge, any of the persons listed in Schedule A hereto, beneficially owns any Shares or has the right to acquire any Shares.

Except as disclosed in this Schedule 13D, neither Rio Tinto nor RTIH nor, to the best of their knowledge, any of the persons listed in Schedule A hereto, presently has the power to vote or to direct the vote or to dispose or direct the disposition of any of the Shares which they may be deemed to beneficially own.

Except as disclosed in this Schedule 13D, neither Rio Tinto nor RTIH nor, to the best of their knowledge, any of the persons listed in Schedule A hereto, has effected any transaction in the Shares during the past 60 days.

To the best knowledge of Rio Tinto and RTIH, no other person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Shares beneficially owned by Rio Tinto and RTIH.
