*(e) Amendments to Amended and Restated Consulting and Noncompete Agreements of Timothy P. Smucker and Richard K. Smucker.*

On April 25, 2011, The J. M. Smucker Company (the Company ) and each of Messrs. Timothy P. Smucker and Richard K. Smucker entered into amendments terminating substantially all of the provisions of each executive s Amended and Restated Consulting and Noncompete Agreement, dated December 31, 2010 (the Consulting Agreements ).

The amendments are identical in all material respects, and provide that each executive s right to receive his monthly retirement benefit or death benefit under the Company s Top Management Supplemental Retirement Benefit Plan as of the third anniversary of his disability, death or separation from service, will remain in full force as provided in the Consulting Agreements. All other provisions of the Consulting Agreements, including all rights to continuation of salary, bonus, vesting of options and restricted shares, and each executive s confidentiality, nonsolicitation and noncompetition obligations following his separation from service, have been terminated. The amendments do not terminate any similar obligations each executive may have arising under any other agreement, plan, program or arrangement with the Company, or by operation of law.

*First Amendment to The J. M. Smucker Company Top Management Supplemental Retirement Plan.*

On April 21, 2011, the Company amended The J. M. Smucker Company Top Management Supplemental Retirement Plan (as so amended, the Amended SERP ). The Amended SERP provides that, to the extent payment of any benefit under the Amended SERP is delayed beyond the later of the participant reaching age 55 or the participant s separation from service, such benefit will be adjusted (i) with interest, if payable as a lump sum, and (ii) actuarially, if payable as an annuity, all as determined in accordance with the Amended SERP. This change takes into account the fact that Section 409A of the Internal Revenue Code imposes a delay on benefit commencement in certain cases.
