Table of Contents**PART III****Item 10. Directors, Executive Officers and Corporate Governance.****DIRECTORS**

Under Delaware law and Camco's Bylaws, the three nominees receiving the greatest number of votes will be elected as directors. Abstentions, shares not voted by brokers, and votes withheld are not counted toward the election of directors. Stockholders are not permitted to cumulate votes in the election of directors. If the proxy card is signed and dated, but no vote is specified, the shares held by such stockholder will be voted FOR the three nominees, unless the proxy is considered a broker non-vote. Broker non-votes will count towards a quorum, but will not count toward the election of directors.

The Board of Directors proposes the re-election of the following persons to terms that will expire in 2014:

Table of Contents**2010 Performance-Based Incentive Award Plan**

Camco uses annual cash and equity incentives to focus attention on current strategic priorities and drive achievement of corporate objectives. Incentive plan awards for the Named Executive Officers are based on the achievement of corporate performance objectives which are established annually by Camco's Compensation Committee and approved by the Board (excluding Mr. Huston).

The Compensation Committee set specific threshold, target and maximum dollar amounts and weightings for each of the corporate goals, including pre-tax earnings and levels of classified assets and non-performing loans. For Mr. Caldwell, there were additional criteria of budget and loan and deposit balances. If the threshold is not met for a particular goal, no award is paid for that goal.

The amounts listed under Non-Equity Incentive Plan Compensation represent cash awards that were made to the Named Executive Officers based on Camco's results in 2010. The amounts were based on the extent to which the 2010 corporate goals were accomplished.

Table of Contents

Under the Salary Continuation Agreement with Mr. Huston, upon (i) termination of employment after Mr. Huston reaches age 65, (ii) an involuntary termination of employment by Camco (iii) termination of employment following a Change in Control, or (iv) termination of employment following Mr. Huston's death, he will receive \$20,000 annually, divided into 12 monthly payments, for 15 years. If Mr. Huston's employment is otherwise terminated before he reaches age 65, except for cause, he will receive a pro-rated amount of the annual benefit; \$8,000 as of December 31, 2010. If Mr. Huston's employment is terminated for Just Cause, as defined in his employment agreement, he will receive no benefit under the Salary Continuation Agreement.

Under the 2002 Salary Continuation Agreement with Mr. Caldwell, upon termination of employment after Mr. Caldwell reaches age 65 or termination following Mr. Caldwell's death, he will receive \$140,900 annually, divided into 12 monthly payments, for 15 years. If Mr. Caldwell's employment is terminated before he reaches age 65 following a disability or change of control, as those terms are defined in his Salary Continuation Agreement, he will receive a pro-rated amount of the annual benefit; \$22,769 as of December 31, 2010. If Mr. Caldwell's employment is otherwise terminated before he reaches age 65, except for cause, he will receive a pro-rated amount of the annual benefit; \$18,215 as of December 31, 2010. If Mr. Caldwell's employment is terminated for cause, as defined in his Salary Continuation Agreement, he will receive no benefits.

Non-qualified Deferred Compensation

Mr. Caldwell is the only Named Executive Officer who has entered into an Executive Deferred Compensation Agreement under which he may elect to defer annually a stated maximum amount of his salary and cash incentives until a specified date or until he is no longer employed by Camco. The maximum annual amount of deferral permitted for Mr. Caldwell is \$25,000. Interest is credited on the deferral amounts at an annual rate equal to 75% of Camco's ROAE rate for the preceding year, not to exceed an ROAE of 20%. There was no interest credited for 2010 as Camco's 2009 ROAE was negative. Camco does not make any contributions to his deferred account.

Other Compensation

The Named Executive Officers are eligible to participate in Camco's broad-based employee benefit plans, such as medical, disability and term life insurance programs. Camco believes these benefits are reasonable and helps enable Camco to attract and retain employees for key positions.

Due to the geographic distance between Camco's office locations, Camco determined it would be beneficial to provide certain Named Executive Officers either a company car or a car allowance. Camco provides a company car for Messrs. Huston, Caldwell and Greenwalt. Camco provided a car allowance to Mr. Caldwell prior to August 2010 when a company car was provided. Camco also pays for country club dues for all Named Executive Officers, and paid for an additional club membership for Mr. Huston.

Flexible payment universal life insurance policies, which are carried on the books of Camco as tax-free earning assets and provide Camco with cost recovery of the benefit provided, have been purchased on the lives of certain employees, including Mr. Caldwell. No other Named Executive Officer currently has such a policy. Upon the death of Mr. Caldwell, his beneficiary will receive two times his base salary for the 12 months preceding the month in which he dies, up to a maximum of \$300,000. The current death benefit for Mr. Caldwell is \$293,964.

EMPLOYMENT AND CHANGE OF CONTROL AGREEMENTS

Camco entered into an employment agreement with Mr. Huston on December 31, 2008. The term of the Agreement provides for daily renewal so that the remaining unexpired term of the agreement is always 24 months. The term continues to renew until Camco gives Mr. Huston written notice of non-renewal. Then, the employment term ends on the date that is 24 months after the notice, unless the parties agree that the employment term ends on an earlier date. Each year through the employment term, the amount of Mr. Huston's annual salary will be reviewed by the Board or a committee. The agreement provides for a base salary of not less than \$295,000 and a performance review not less often than annually.

Under the agreement, Mr. Huston is entitled to participate in Camco cash and equity incentive plans which provide for the payment of certain bonuses upon the achievement of corporate performance objectives. His potential cash award will range from 0% to 150% of his base salary and he will be eligible to earn an equity award of options for shares equaling up to 200% of his base salary. The agreement also provides for the inclusion of Mr. Huston in any formally established employee benefit, bonus, pension and profit-sharing plans for which senior management personnel are

eligible and provides for vacation and sick leave.

Table of Contents

Upon a termination of employment after a Change of Control (as defined in the agreement), Mr. Huston will be entitled to an amount equal to two times his base amount as such term is defined in Section 280G of the Internal Revenue Code, with an additional amount not to exceed .99 times the base amount that may be awarded at the discretion of the Camco Board. This payment may be reduced under certain conditions described in the agreement. In addition, upon a Change of Control, Mr. Huston will be entitled to continued health, life and disability insurance benefits until the earlier of 18 months or the date on which he is eligible to be included in another employer's benefit plans.

If Camco terminates Mr. Huston because of a medically diagnosable condition, he will receive a lump sum payment equal to 50% of his current annual salary within 90 days following termination. At Mr. Huston's expense, Camco shall provide health, life, and disability insurance benefits substantially equal to those being provided at the date of termination until the earlier of 18 months or the date on which he is employed full-time by another employer.

If Camco terminates Mr. Huston for other than Just Cause (as defined in the agreement) or a medically diagnosable condition and not in connection with a Change of Control, Camco will pay to Mr. Huston a lump sum equal to his then current annual salary for the number of months remaining in the agreement and provide him with health, life and disability insurance until the earliest of 18 months, the end of the term of the agreement or the date on which he is eligible to be included in another employer's benefit plans.

During Mr. Huston's employment and for a period of 24 months after his termination, Mr. Huston has agreed that he will not compete with Camco nor solicit any of its customers or employees.

Camco has change of control agreements with Mr. Caldwell and Mr. Greenwalt. Each agreement is for a term of one year, and provides for annual performance reviews by the Board of Directors, at which time the Board of Directors may extend the agreement for an additional one-year period. Under the agreements, if the officer is terminated by Camco for any reason other than just cause, within six months prior to a change of control, or within one year after a change of control, Camco will pay the officer (1) an amount equal to two times his annual compensation and (2) the premiums required to maintain coverage under the health insurance plan in which the officer is a participant immediately prior to the change of control until the earlier of (i) the second anniversary of the termination or (ii) the date the officer is included in another employer's benefit plans. Camco defines annual compensation as base salary. The amounts that would have been payable at December 31, 2010 were: Mr. Caldwell \$293,964 and Mr. Greenwalt \$284,200. The officer is also entitled to payments if he voluntarily terminates his employment within twelve months following a change of control for good reason, which is defined in the agreements as: (1) the capacity or circumstances in which the officer is employed are changed (including, without limitation, a reduction in responsibilities or authority, or a reduction in salary); (2) the officer is required to move his personal residence, or perform his principal executive functions, more than thirty-five miles from his primary office as of the date of the agreement; or (3) Camco otherwise breaches the agreement.

If Camco terminates any of the Named Executive Officers for Cause, Camco has no obligations to the executive after the date of termination.

Item 13. Certain Relationships and Related Transactions, and Director Independence

RELATED PERSON TRANSACTIONS

Some of the directors and executive officers of Camco have banking relationships with Advantage Bank. All loans made to directors and executive officers (i) were made in the ordinary course of business; (ii) were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to Camco; and (iii) did not involve more than the normal risk of collectability or present other unfavorable features.

The Board of Directors reviews all related party transactions. All loans to directors and executive officers are approved by a majority of the independent directors even though such loans are not made on favorable terms. The Code of Ethics provides that if any director or executive officer has an interest in a transaction involving Camco, it must be reported to the Audit Committee. The Audit Committee will determine if a conflict exists and the disinterested directors will approve or disapprove the transaction.

DIRECTOR INDEPENDENCE

The Board has determined that each director is independent under Rule 5605(a)(2) of Nasdaq's listing rules, except Mr. Huston.

Each of the members of the Compensation Committee is independent within the meaning of the listing standards of Nasdaq, is a non-employee director within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934 and is an outside director within the meaning of Section 162(m) of the Internal Revenue Code of 1986.

Each of the members of the Audit and Risk Management Committee is independent within the meaning of the listing standards of Nasdaq.

Each of the members of the Corporate Governance and Nominating Committee is independent within the meaning of the listing standards of Nasdaq.

Item 14. Principal Accountant Fees and Services.

AUDIT AND RISK MANAGEMENT COMMITTEE REPORT

The Audit and Risk Management Committee of the Board of Directors of Camco is comprised of four directors, all of whom are considered independent under Rule 5605(a)(2) of Nasdaq's listing rules. The committee is responsible for overseeing Camco's accounting functions and controls, as well as selecting an accounting firm to audit Camco's financial statements. The committee has adopted a charter, which provides that the committee has the sole authority to select, compensate, oversee, evaluate and, where appropriate, replace Camco's independent registered public accounting firm. Additionally, the charter requires the committee to review and approve in advance any audit and non-audit services to be provided by Camco's independent registered public accounting firm, other than prohibited non-auditing services. The committee has the sole authority to make these approvals, although such approval has been delegated to the Chairman of the committee, Mr. Goodyear. Any actions taken by the chairman are subsequently presented to the committee for ratification. The committee approved all services provided by Plante & Moran, PLLC (Plante Moran) in 2010.

The Audit and Risk Management Committee has developed procedures for the receipt, retention and treatment of complaints received by Camco from stockholders regarding accounting, internal accounting controls, auditing or other matters and a process for receiving and investigating confidential, anonymous submission of concerns regarding questionable accounting, auditing or other matters by employees of Camco. These procedures are available on Camco's website: www.camcofinancial.com.

The Audit and Risk Management Committee received and reviewed the report of Plante Moran regarding the results of their audit as well as the written disclosures required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence. The Audit and Risk Management Committee determined that the provision by Plante Moran of the services included in the table below under All Other Fees is compatible with maintaining Plante Moran's independence. The committee reviewed and discussed the audited financial statements with the management of Camco. A representative of Plante Moran also discussed with the committee the independence of Plante Moran from Camco, as well as the matters required to be discussed by Statement of Auditing Standards No. 61, as may be amended from time to time. Discussions between the committee and the representative of Plante Moran included the

following:

Plante Moran's responsibilities in accordance with standards of the Public Company Accounting Oversight Board;

The initial selection of, and whether there were any changes in, significant accounting policies or their application;

Management's judgments and accounting estimates;

Table of Contents

Whether there were any significant audit adjustments;

Whether there were any disagreements with management;

Whether there was any consultation with other accountants;

Whether there were any major issues discussed with management prior to Plante Moran's retention;

Whether Plante Moran encountered any difficulties in performing the audit;

Plante Moran's judgments about the quality of Camco's accounting principles; and

Plante Moran's responsibilities for information prepared by management that is included in documents containing audited financial statements.

Based on its review of the financial statements and its discussions with management and the representative of Plante Moran, the Audit and Risk Management Committee did not become aware of any material misstatements or omissions in the financial statements. Accordingly, the Audit and Risk Management Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2010.
