(e) *Restricted Share Awards.* Consistent with disclosures in the Compensation Discussion and Analysis included in the Pinnacle Financial Partners, Inc. (the Company) proxy statement, dated March 9, 2011, for the Company's 2011 Annual Meeting of Shareholders (the Proxy Statement), on August 16, 2011, the Human Resources and Compensation Committee (the Committee) of the Board of Directors of the Company approved an award of certain equity-based incentives under the Company's 2004 Equity Incentive Plan (the 2004 Plan) to each of the individuals identified as named executive officers in the Proxy Statement as follows:

Employee	Restricted Shares with Performance Based Vesting Requirements (the A Awards)	Restricted Shares with Time-Based Vesting Requirements and Requirement that Company be Profitable in Year Prior to Vesting (the B Awards)
M. Terry Turner	9,171	27,515
Robert A. McCabe, Jr.	8,707	26,122
Hugh M. Queener	4,172	12,517
Harold R. Carpenter	4,172	12,517
J. Harvey White	3,373	10,120

The restricted shares granted to the named executive officers pursuant to the A Awards contain forfeiture restrictions that lapse in pro rata increments if certain pre-tax net income and soundness targets are met for the 2011, 2012 and 2013 fiscal years; provided that if such executive officer was one of the Company's five most highly compensated employees for the 2010 fiscal year, in no event may the award vest earlier than two years from the date of grant in accordance with the requirements of the Treasury's Interim Final Rule on TARP Standards for Compensation and Corporate Governance, dated June 15, 2009, as amended from time to time (the CPP Regulations). Additionally, if the performance measures are not met for a particular fiscal year but the Company later meets its aggregate pre-tax net income and soundness targets for the three fiscal years ended December 31, 2013, then the restrictions will lapse. The forfeiture restrictions on the restricted shares awarded to the named executive officers pursuant to the B Awards lapse 20% on the second anniversary of the date of grant and 10% on each anniversary thereafter, so long as the Company has net income for the fiscal year ended immediately preceding the vesting date. For those named executive officers that will reach age 65 prior to the ten year anniversary of the date of grant, any portion of the B Awards that would otherwise vest after the officer reaches age 65, shall vest in pro rata increments on each of the vesting dates prior to the officer reaching age 65. Pursuant to the CPP Regulations, the shares of restricted stock awarded under each of the A Awards and B Awards to each of the above-identified named executive officers may not be transferred by the holder of the shares until such time as their transfer is permitted by the regulations.

In the event that the named executive officer's employment by the Company terminates for any reason, other than death or disability, all shares of restricted stock awarded in the A or B Awards for which the forfeiture restrictions have not lapsed prior to the date of termination shall be immediately forfeited. In the event that the named executive officer's employment terminates by reason of death or disability, all of the restricted shares awarded in the A and B Award shall be deemed vested, and the

restrictions under the 2004 Plan and the award agreement with respect to those restricted shares, other than any restrictions on transfer required by the CPP Regulations, if applicable, shall automatically expire. The named executive officers will have the right to vote the restricted shares awarded pursuant to the A and B Awards and to receive dividends paid by the Company on shares of its common stock during the forfeiture period.

Unless such acceleration is prohibited under the CPP Regulations, upon a change in control of the Company, the restricted shares awarded under the A Award and the B Award shall immediately vest.

The form of restricted share award agreements for the restricted shares awarded pursuant to the A and B Awards to each of the named executive officers are filed herewith as Exhibits 10.1 and 10.2 and are incorporated herein by reference.

Salary Stock Units. On August 16, 2011, based on information provided by McLagan, the Committee's compensation consultant, the Committee determined that it was appropriate to increase the salary stock component of Mr. Turner's and Mr. McCabe's compensation by \$50,000 and \$47,500 for the remainder of 2011, effective for payroll periods ending after August 1, 2011. The additional units to be awarded to Mr. Turner and Mr. McCabe will be granted pursuant to the terms of the form of Salary Stock Unit Award Agreement previously filed by the Company as an exhibit to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on March 2, 2011, which is incorporated herein by reference.
