PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS

MAY 20, 2003

ANNUAL MEETING

DATE: Tuesday, May 20, 2003

TIME: 9:00 a.m. (CDT)

PLACE: 1300 West Sam Houston Parkway South, Suite 300, Houston, Texas 77042

AGENDA

One proposal, numbered as Item 1 on the proxy card, for the election of our eight nominees for directors.

WHO CAN VOTE

All holders of record of our common stock at the close of business on April 7, 2003, are entitled to vote. Holders of our common stock are entitled to one vote per share at the Annual Meeting.

PROXIES SOLICITED BY

Your vote and proxy are being solicited by our Board of Directors for use at the Annual Meeting. This Proxy Statement and the enclosed proxy card are being mailed on behalf of our Board of Directors to all our stockholders beginning on or about April 25, 2003. Your presence at the Annual Meeting will not automatically revoke your proxy. You may, however, revoke your proxy at any time prior to its exercise by delivering to us another proxy bearing a later date, by attending the Annual Meeting and voting in person, or by filing a written notice of revocation with Christina Osburn, our Corporate Secretary, at our principal executive offices, 1300 West Sam Houston Parkway South, Suite 300, Houston, Texas 77042. If you receive multiple proxy cards, this indicates that your shares are held in more than one account, such as two brokerage accounts, and are registered in different names. You should vote each of the proxy cards to ensure that all of your shares are voted.

PROXIES

Properly executed but unmarked proxies will be voted FOR the election of our eight nominees as directors. If you "withhold" your vote for any of the nominees, this will be counted as a vote AGAINST that nominee. If any other

Edgar Filing: U S PHYSICAL THERAPY INC /NV - Form DEF 14A

matters are properly brought before the Annual Meeting and you grant the discretion to vote on other matters, the persons named in the proxy will vote your shares as directed by a majority of the Board of Directors.

QUORUM

Only shares of our common stock can be voted, with each share entitling its owner to one vote on all matters. There is no cumulative voting in the election of directors. The close of business on April 7, 2003 was fixed by the Board of Directors as the record date for determination of stockholders entitled to vote at the meeting. The number of shares of our common stock outstanding on that date was 11,878,371. The presence, in person or by proxy, of at least a majority of the shares is necessary to constitute a quorum at our Annual Meeting. Abstentions will be treated as present for determining a quorum at the Annual

Meeting. If a broker holding your shares in "street" name indicates to us on a proxy card that the broker lacks discretionary authority to vote your shares, we will not consider your shares as present or entitled to vote for any purpose.

COST OF PROXY SOLICITATION

We will bear the cost of soliciting proxies. Some of our directors, officers and regular employees may solicit proxies personally or by telephone. Proxy materials will also be furnished without cost to brokers and other nominees to forward to the beneficial owners of shares held in their names.

QUESTIONS AND ADDITIONAL INFORMATION

You may call our President, Roy Spradlin, or our Chief Financial Officer, J. Michael Mullin, or email us at investorrelations@usph.com if you have any questions. A copy of our Annual Report for the year ended December 31, 2002 accompanies this Proxy Statement. WE HAVE FILED AN ANNUAL REPORT ON FORM 10-K FOR THE YEAR ENDED DECEMBER 31, 2002 (THE "FORM 10-K") WITH THE SECURITIES AND EXCHANGE COMMISSION (THE "SEC"). YOU MAY OBTAIN, A COPY OF THE FORM 10-K BY DOWNLOADING IT FROM OUR WEBSITE AT WWW.USPH.COM, BY WRITING TO U.S. PHYSICAL THERAPY, INC., 1300 WEST SAM HOUSTON PARKWAY SOUTH, SUITE 300, HOUSTON, TEXAS 77042, ATTENTION: CHRISTINA OSBURN, CORPORATE SECRETARY OR BY EMAILING US AT INVESTORRELATIONS@USPH.COM.

PLEASE VOTE -- YOUR VOTE IS IMPORTANT

ITEM 1 ELECTION OF DIRECTORS

Edgar Filing: U S PHYSICAL THERAPY INC /NV - Form DEF 14A

Jerald L. Pullins..... 61 N/A Nominee

The persons named on the proxy card will vote for all of the nominees for director listed above unless you withhold authority to vote for one or more of the nominees. Nominees receiving a plurality vote of the votes cast at the Annual Meeting will be elected as directors. Abstentions and broker non-votes will not be treated as a vote for or against any particular nominee and will not affect the outcome of the election of directors.

All of our nominees have consented to serve as directors. Our Board has no reason to believe that any of the nominees will be unable to act as a director. However, if any director is unable to stand for re-election, the Board will designate a substitute. If a substitute nominee is named, the persons named on the proxy card will vote for the election of the substitute nominee.

REPORT OF COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Board and its Compensation Committee prepared the following report on our policies with respect to the compensation of executive officers for 2002. The Board makes all decisions on the compensation of our executive officers (including stock options) based upon recommendations of the Compensation Committee.

COMPENSATION OF EXECUTIVE OFFICERS

Our compensation policies are designed to enable us to attract, motivate and retain experienced and qualified executives. We seek to provide competitive compensation. Our policy has been to provide a significant component of an executive officer's compensation through the grant of stock options. We believe that grants of stock options to executives, as well as to employees generally,

Edgar Filing: U S PHYSICAL THERAPY INC /NV - Form DEF 14A

help align the interests of these officers with the interests of our stockholders.

The following describes in more specific terms the elements of compensation of executive officers for 2002.

BASE SALARIES

Other than the base salary for our Chief Executive Officer, which is set by an employment agreement (see "Employment and Consulting Agreements"), base salaries of executives are initially determined by evaluating the responsibilities of the position, the experience and knowledge of the individual and the competitive marketplace for executive talent. Base salaries for executive officers are reviewed annually by our Compensation Committee and Board based on, among other things, individual performance and responsibilities.

9

INCENTIVE COMPENSATION

Based on performance, incentive compensation opportunities are available to a wide range of our employees. We believe that incentive compensation is effective in reinforcing both the overall values of our company and our specific operating goals.

Incentive compensation programs are designed to focus employees' attention on our key performance goals, to identify the expected levels of performance and to reward individuals who meet or exceed our expectations. The aggregate amounts available for incentive awards are determined by our overall financial performance. The actual awards paid to individual recipients are formulated by management and approved by the Compensation Committee.

STOCK OPTION AWARDS

Our 1992 Stock Option Plan (the "1992 Option Plan") and the Executive Stock Option Plan (the "Executive Option Plan") were approved by our Board and stockholders to align employee and outside directors' interests with stockholders' interests, to provide incentives to our key employees by encouraging their ownership of common stock and to aid us in attracting and retaining key employees, upon whose efforts our success and future growth depends. While a number of options are outstanding under the Executive Option Plan, no options were granted under the plan during 2002 or will be granted under the plan in the future.

Options are granted at the discretion of the Compensation Committee. Individual grant sizes are determined based on organizational and individual performance. At the discretion of the Compensation Committee, and based on the recommendation of management, options may also be used as an incentive for candidates recruited to fill key positions.

During 2002, we granted options covering a total of 171,550 shares of our common stock to 66 directors, officers and employees. This includes options granted under the 1999 Employee Stock Option Plan and options granted to individuals to induce employment. No options have been granted to the Named Executive Officers or directors under the 1999 Employee Stock Option Plan or as inducements of employment. The per share exercise price of all options granted in 2002 equaled the fair market value of a share of our common stock on the date of grant.

Stock option grants made to executive officers in 2002 reflect significant individual performance and contributions relating to our operations and an

incentive to an executive to join us.

OTHER

We have a 401(k) profit sharing plan covering all employees with three months of service. We did not make any contributions during 2002.

COMPENSATION OF CHIEF EXECUTIVE OFFICER

Under his employment agreements with us (see "Employment and Consulting Agreements"), Mr. Spradlin received a salary of \$250,000 in 2002, \$250,000 in 2001, and \$220,000 in 2000. He also received bonuses totaling \$125,000 in 2001 and \$100,000 in 2000. Although Mr. Spradlin participated in our 401(k) Plan from 2000 through 2002, we did not make any matching contributions to the plan during these years. In addition to cash compensation, Mr. Spradlin was granted 50,000 options to purchase shares of our common stock under the 1992 Option Plan during 2002 and 112,500 during 2001.

In determining the appropriate compensation for Mr. Spradlin, the Compensation Committee evaluates our overall performance under Mr. Spradlin's leadership, as well as his individual contributions to key strategic, financial and development objectives. The Compensation Committee does not utilize any specific quantitative factors or formulas in reviewing his performance or compensation.

COMPENSATION DEDUCTIBILITY POLICY

Under Section 162(m) of the Internal Revenue Code of 1986 (the "Code") and applicable Treasury regulations, no deduction is allowed for annual compensation in excess of \$1 million paid by a publicly traded corporation to its chief executive officer and the four other most highly compensated officers. Under those provisions, however, there is no limitation on the deductibility of "qualified performance-based compensation."

In general, our policy is to maximize the extent of tax deductibility of executive compensation under the provisions of Section 162(m) so long as doing so is compatible with the most appropriate methods and approaches for the design and delivery of compensation to our executive officers.

Respectfully submitted,

Compensation Committee

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and officers to file with the SEC initial reports of ownership of our equity securities and to file subsequent reports when there are changes in their ownership. We believe that during 2002 all Section 16(a) filing requirements applicable to our directors and officers were complied with on a timely basis.
