This Amendment No. 4 to Tender Offer Statement on Schedule TO (Amendment No. 4) relates to the offer by Laidlaw International, Inc., a Delaware corporation (Laidlaw) to purchase up to 15,000,000 shares, or such lesser number of shares as are properly tendered, of its common stock, \$0.01 par value, including the associated preferred share purchase rights issued pursuant to the Rights Agreement, dated June 23, 2003, by and between Laidlaw and Wells Fargo Bank Minnesota, National Association, as Rights Agent, at a price not greater than \$28.50 nor less than \$25.50 per share, net to the seller in cash, without interest, as specified by shareholders tendering their shares. Laidlaw's offer is being made upon the terms and subject to the conditions set forth in the Offer to Purchase dated July 10, 2006 and in the related Letter of Transmittal, which, as amended or supplemented from time to time, together constitute the tender offer. This Amendment No. 4 amends and supplements the Tender Offer Statement on Schedule TO filed by Laidlaw on July 10, 2006 (as amended, the Schedule TO) as set forth below. This Amendment No. 4 to Schedule TO is intended to satisfy the reporting requirements of Rule 13e-4 under the Securities Exchange Act of 1934, as amended.

The information in the Offer to Purchase and the related Letter of Transmittal, copies of which previously were filed on Schedule TO as Exhibits (a)(1)(i) and (a)(1)(ii) thereto, respectively, is incorporated herein by reference in answer to Items 1 through 11 in Schedule TO except that such information is hereby amended and supplemented to the extent specifically provided herein.

Item 7. Source and Amount of Funds or Other Consideration.

Item 7 of Schedule TO, which incorporates by reference the information contained in the Offer to Purchase, is hereby amended and supplemented as follows:

The Offer to Purchase is amended by deleting the two paragraphs following the heading Source and Amount of Funds on page 20 and replacing them with the following:

Assuming that we purchase 15,000,000 shares in the tender offer at the maximum specified purchase price of \$28.50 per share, approximately \$427.5 million in the aggregate will be required to purchase such shares. We expect that the maximum aggregate costs, including all fees and expenses applicable to the tender offer, will be approximately \$429.0 million. We intend to finance the tender offer from available cash at the close of the tender offer and through an Amended and Restated Credit Agreement entered into on July 31, 2006, by and among Laidlaw International, Inc. (Laidlaw), Laidlaw Transit Ltd. (LTL), and Greyhound Canada Transportation Corp. (together with LTL, the Canadian Borrowers), as borrowers, the initial lenders, issuing banks, swing line banks, Canadian issuing banks and initial U.S. revolving issuing bank named therein, UBS Securities, LLC, as syndication agent, Morgan Stanley Senior Funding, Inc., as documentation agent, Citicorp North America, Inc., as collateral agent and administrative agent and Citigroup Global Markets Inc., UBS Securities LLC and Morgan Stanley Senior Funding, Inc. as joint lead arrangers and joint book-running managers (the Credit Agreement). The following is a summary of the material terms of the Credit Agreement. The summary is qualified in its entirety by reference to the Credit Agreement, a copy of which is filed as an exhibit to our Issuer Tender Offer Statement on Schedule TO, as amended, filed with the SEC.

The Credit Agreement provides for \$1,077,500,000 senior secured credit facilities, comprised of a \$300,000,000 revolving credit facility (including a Canadian subfacility (the Canadian Subfacility)), a \$277,500,000 amortizing term loan A and a \$500,000,000 amortizing term loan B (inclusive of a \$125,000,000 loan to the Canadian Borrowers). In general, borrowings under the Credit Agreement will bear interest at one of the following rates:

(i) with respect to the revolving credit facility, the term loan A and the term loan B, one of two floating rates selected by us, which are either:

(a) a base rate equal to the highest of:

(A) a reference prime rate,

(B) the sum of (I) 1/2 of 1% per annum, (II) a rate obtained by dividing the latest three-week average rate offered by major U.S. money market banks for certificates of deposit by 100% less reserve requirements and (III) the three week average annual assessment rates estimated by Citibank, N.A. for determining the current annual assessment payable by Citibank, N.A. to the Federal Deposit Insurance Corporation for insuring U.S. dollar deposits of Citibank, N.A. in the United States, and

(C) 1/2 of 1% per annum above the federal funds rate,

plus (x) in the case of the revolving credit facility and the term loan A, a spread ranging from 0.000% to 1.000%, (y) in the case of the term loan B, 0.75%; and

(b) a reference eurodollar rate, adjusted for statutory reserves plus (x) in the case of the revolving credit facility and the term loan A, a spread ranging from 0.600% to 2.000% and (y) in the case of the term loan B, 1.75%; and (ii) with respect to the Canadian Subfacility, a rate equal to:

(a) the higher of:

(A) a reference Canadian prime rate, and

(B) 3/4 of 1% above the rate for 30-day Canadian dollar bankers' acceptances,

plus a spread ranging from 0.000% to 1.000%.

A spread ranging from 0.10% to 0.50% will also be used to calculate our revolving credit commitment fee and a spread ranging from 0.600% to 2.000% will be used to calculate our letter of credit fee imposed against the available amount of outstanding letters of credit. We will also pay a letter of credit issuance fee in the amount of 0.25% of the available amount of the applicable letter of credit.

The above referenced spreads are determined on the basis of our debt ratings by S&P and Moody's from time to time in effect. In addition, the facilities are subject to administrative agent and certain other fees as agreed between the parties.

The Credit Facilities subject us to certain covenants, including covenants that limit our ability to (i) make certain capital expenditures, (ii) pay dividends or make distributions, (iii) assume liens on properties, (iv) incur debt, (v) make material changes to the nature of our business, (vi) effect certain mergers, (vii) make certain investments, (viii) amend constitutive documents and documents related to the Credit Facilities, (ix) make changes to accounting policies, (x) enter into certain agreements which prohibit or condition the creation of liens, (xi) enter into certain partnerships, and (xii) enter into speculative transactions. The Credit Facilities also require us to meet certain financial covenants, including a leverage ratio and interest coverage ratio. Subject to certain exceptions, the obligations under the Credit Facilities are secured by (i) a first-priority pledge of all of the capital stock held by the borrowers and any of their wholly-owned subsidiaries and (ii) a first-priority security interest in all intercompany indebtedness of the borrowers and their subsidiaries. Subject to certain exceptions, the Credit Facilities are guaranteed by our wholly-owned U.S. and Canadian subsidiaries, excluding our insurance subsidiaries. However, the Canadian subsidiaries' guarantees and collateral only support the loans made to the Canadian borrowers.

As a result of the foregoing, the financing condition has been deemed by us satisfied. The revolving credit facility and the term loan A mature on June 30, 2010 and the term loan B matures on July 31, 2013. We may prepay loans at any time without premium or penalty (except eurodollar breakage fees, if any).

Item 12. Exhibits.

Item 12 of Schedule TO is hereby amended and supplemented by adding the following:

- (b)(2) Credit Agreement dated July 31, 2006 by and among Laidlaw International, Inc., Citigroup Global Markets Inc., UBS Securities LLC and Morgan Stanley Senior Funding, Inc.
