SAFE HARBOUR STATEMENT

This presentation may contain "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. All statements, other than statements of historical facts, included or referenced in this presentation which address activities, events or developments which we expect or anticipate will or may occur in the future are forward-looking statements. The words "will," "believe," "intend," "expect," "anticipate," "project," "estimate," "predict" and similar expressions are also intended to identify forward-looking statements. These forward-looking statements include, among others, statements with respect to the proposed acquisition of IPC Holdings, Ltd., the possible business and financial results of the combined companies and Flagstone's: growth in book value per share or return on equity; business strategy; financial targets or plans; incurred losses and the adequacy of its loss and loss adjustment expense reserves and related reinsurance; projections of revenues, income (or loss), earnings (or loss) per share, dividends, market share or other financial forecasts; expansion and growth of our business and operations; and future capital expenditures. These statements are based on certain assumptions and analyses made by Flagstone in light of its experience and perception of historical trends, current conditions and expected future developments, as well as other factors believed to be appropriate in the circumstances. However, whether actual results and developments will conform to our expectations and predictions is subject to a number of risks and uncertainties that could cause actual results to differ materially from expectations, including: the risks described in our Annual Report or Form 10-Q; claims arising from catastrophic events, such as hurricanes, earthquakes, floods or terrorist attacks; the continued availability of capital and financing; general economic, market or business conditions; business opportunities (or lack thereof) that may be presented to it and pursued; competitive forces, including the conduct of other property and casualty insurers and reinsurers; changes in domestic or foreign laws or regulations, or their interpretation, applicable to Flagstone, its competitors or its clients; an economic downturn or other economic conditions adversely affecting its financial position; recorded loss reserves subsequently proving to have been inadequate; integration of IPC Holdings, Ltd.; other factors, most of which are beyond Flagstone's control. Consequently, all of the forward-looking statements made in this presentation are qualified by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by Flagstone will be realized or, even if realized, that they will have the expected consequences to, or effects on, Flagstone or its business or operations. Flagstone assumes no obligation to publicly update any such forward-looking statements, whether as a result of new information, future events or otherwise.

Board of  
Directors

## Background

Gary Black has been a director since June 2006. He was Chief Claims Executive and Senior Vice President of OneBeacon Insurance Company, a subsidiary of White Mountains Insurance Group, until his retirement in 2006. Prior to joining OneBeacon in January of 2004, Mr. Black spent 35 years with Fireman's Fund Insurance Companies where he was an Executive Vice President and President of the Claims Division. At Fireman's Fund his responsibilities included claims, corporate administration, general counsel, staff counsel and systems. He received his B.A. degree from Southwest Baptist University and is a Chartered Property Casualty Underwriter.

David Brown is a founder of Flagstone and has served as Chief Executive Officer since its inception. From September 2003 until our inception, Mr. Brown served as the Chief Executive Officer of Haverford (Bermuda) Limited and as the Chief Operating Officer of West End Capital Management (Bermuda) Limited. During his time at Haverford, Mr. Brown led the team which analyzed, structured and negotiated the acquisition of Merastar Insurance Company in 2004. As Chairman of Merastar, he led the board's oversight of the successful turn-around strategy.

Mr. Brown joined Centre Solutions (Bermuda) Limited in 1993, and was its President and Chief Executive Officer at the time of his retirement in 1998. At Centre, Mr. Brown was responsible for the global operations of a group with over \$7 billion in assets and offices in several countries. Prior to joining Centre, Mr. Brown was a Partner with Ernst & Young in Bermuda. During his ten years with Ernst & Young, he specialized in insurance and was involved in the liquidation of numerous insurance companies in Bermuda, the U.K. and the U.S.

Mr. Brown is the non-executive Chairman of the Bermuda Stock Exchange and a Director and Trustee for the Schroder Family Trusts. Mr. Brown is a Fellow of the Institute of Chartered Accountants in England & Wales and a Member of both the Institute of Chartered Accountants of Bermuda and the Canadian Institute of Chartered Accountants.

Mark Byrne is the Executive Chairman and a Founder of Flagstone Reinsurance Holdings Ltd. Prior to founding Flagstone, Mark Byrne founded and managed West End Capital Management (Bermuda) Limited, a Bermuda investment management firm engaged primarily in Fixed Income Arbitrage. Along with his professional staff he managed over \$1bn of net assets. Mark has been involved in the insurance and reinsurance business as an owner/investor and board member for many years. He has invested at early stages in several insurance companies and has served on the boards of a number of insurance companies, including three public companies prior to Flagstone: White Mountains Insurance Group, Terra Nova (Bermuda) Holdings and Markel Insurance.

Mark holds an MBA from the Tuck School of Business at Dartmouth, where he also completed his Bachelor's degree in philosophy.
